EMERALD CLUB PROGRAM RULES AND CONDITIONS

A. General

1. **Contracting Parties:** For customers who reside in participating countries in the European Economic Area (“EEA”), UK and Switzerland, the Emerald Club Program (“Program”) Rules and Conditions (“Contract”) is entered into between the customer enrolling into the Program (“Member”, “you”, and “your”) and EAN Data Services UK Limited, Enterprise House, Vicarage Road, Surrey, Egham TW20 9FB, which is also the data controller for all data protection related purposes. For customers who reside in a participating country outside the EEA, UK and Switzerland, the Contract is entered into between you and EAN Services, LLC, 600 Corporate Park Drive, St. Louis, Missouri 63105 (EAN Data Services UK Limited and EAN Services, LLC, as applicable, are hereinafter referred to as “Administrator”, “us” and “our”). For purposes of this Contract, the term “United States” shall mean the 50 United States, District of Columbia, and Puerto Rico.

2. **How to become a Member:** You may apply to join the Program by submitting an application form (“Application”), or by completing your Application, via our brand website www.nationalcar.com. Before submitting your Application via our website, all information you entered into the Application will be displayed in an application summary for your examination. You may then identify and correct any input errors prior to submitting your Application. By submitting a completed Application, you submit an offer to Administrator to enroll as a Member in the Program subject to the terms and conditions of this Contract, as amended by Administrator from time to time in accordance with the terms of Section B.9. of this Contract. Administrator reserves the right to accept or reject any Application in its sole discretion. If Administrator accepts your Application, Administrator will send you an email confirming your membership in the Program (“Membership”), at which point in time you and Administrator become bound by this Contract. Administrator will send your Membership Number via email to the email address provided in your Application.

3. **Governing Language:** This Contract can only be concluded in one of the following languages: English, French, Spanish, Portuguese, Italian, and German. The version of the Contract that governs your Membership is the version corresponding to the language in which you submitted your Application. In the event of a conflict between the version of the Contract that governs your Membership and the English version, the English version will control. The terms of this Contract will be stored by Administrator after conclusion of the contract and the most recent version of the Contract will be available to you via one of our branded websites, such as www.nationalcar.com. You may print or save a copy of the Contract before submitting your Application.

4. **Your Profile:** The information in your completed Application will be automatically entered into your Program online account on www.nationalcar.com (“Profile”) upon Administrator’s acceptance of your Application. You are required to provide Administrator with true, current and accurate information in your Profile, including your name, address, telephone number, email address, driver’s license and credit card information. You are required to promptly update your Profile or otherwise notify Administrator if any of the information contained in your Profile has changed. If you update your email address on your Profile at any time through a rental transaction, Administrator may rely on the updated email address for future communications under this Contract. If your Membership Number or any credit card listed in your Profile (a) is lost, stolen or invalidated, (b) you suspect it is being used without your permission, or (c) expires, you will promptly notify Administrator. It is your responsibility to notify Administrator of any such changes and Administrator is entitled to rely upon any and all information provided by you and contained in your Profile as being current and accurate. The information contained in your Profile will be part of any rental Contract you conclude as a Member with Administrator or Administrator’s affiliates or Licensees (as defined below). Administrator may update your Profile as necessary to correct contract ID numbers.

5. **Electronic Communications:** To the fullest extent permitted by applicable law, this Contract and any notices or other communications regarding your Profile, the Program, this Contract, or your Membership (“Communications”), may be provided to you electronically and you expressly agree to receive Communications in an electronic form to the most recent email address in your Profile. All Communications in either electronic or paper format will be considered to be in “writing”. *Unless you are a Member residing in the EEA, UK or Switzerland, all Communications will be considered to have been received no later than five (5) business days after dissemination, whether or not you have actually received or retrieved the Communications.* Without limiting anything contained in Section A.4. (Your

Profile), you expressly agree that it is your sole responsibility to keep your email address current and up-to-date and that Administrator may reasonably assume that any email sent by Administrator to the email address in your Profile will be received by you. Where permitted by law, your consent to receive Communications electronically is valid until you revoke your consent by terminating this Contract. *For Members residing in Spain, Administrator will confirm receipt of your acceptance of this Contract using the same means that you used to send your acceptance communication (e.g., if you used an electronic communication, Administrator will also use an electronic communication).*

This Section A.5. does not apply to Members residing in Germany, Italy and/or Portugal. However, Administrator and you may still communicate in electronic form.

6. Transactional/Marketing emails: Administrator, its affiliates and/or their agents may provide to you certain transactional and marketing emails as a benefit of Membership. Transactional emails will include, but are not limited to, confirmations of reservation requests for reservation requests made on any of the public websites of Administrator's affiliates that will be sent out directly following the placement of a reservation request. Transactional emails may also include, but are not limited to, the following: (a) reservation request reminders for reservation requests made on any of the public websites of Administrator's affiliates, (b) a monthly statement detailing your rental activity and award accruals, (c) arrival alerts containing directions and pertinent information, (d) return alerts confirming your return time and providing pertinent information regarding your return location, (e) tolls and charges, and (f) notification of an expired driver's license or credit card. To receive marketing emails, you are required to provide an explicit opt-in on the Email Specials page, in the Application, or in your Profile. You can choose to opt out of certain or all of these transactional communications and any marketing communications at any time by (i) signing in to your Profile on one of our branded websites, such as www.nationalcar.com, or on our mobile app, (ii) calling 1-800-962-7070 (depending on your country of residence, this call may be an international call, and may be subject to the relevant charges depending on your carrier), or (iii) contacting us through our website at one of the URLs listed in the table below this Section A.6.

7. Privacy Policy of Administrator and Licensees: All information provided by you, whether as a result of enrolling in the Program or otherwise, in connection with the Program, is subject to the terms and conditions of the privacy policies of Administrator, which are available at www.nationalcar.com and, for Members resident in Canada, at www.nationalcar.ca (the "Privacy Policies"). Administrator reserves the right to amend either or both of the Privacy Policies from time to time, in its sole discretion. In the event of a change to a Privacy Policy, Administrator shall provide notice to Members in the manner set forth in the applicable Privacy Policy. Some rental locations in the United States, Canada, EEA, UK, Switzerland, Australia, and the Latin American Caribbean are owned and operated by independent licensees that are not controlled by Administrator or its affiliates ("Licensees"). Administrator does not control the use of any personally identifiable or payment information collected by such Licensees. Licensees are required to identify themselves (i.e., at their locations and in their agreements, sales materials, business cards, marketing materials, advertisements and other National branded materials) as "An Independent National Car Rental Licensee" or by other similar terms. Each Licensee maintains its own privacy policy ("Licensee Policy"), and Administrator is not responsible for the information practices of any Licensee to the fullest extent permitted by law. If you disagree with any of the terms and conditions of the Privacy Policies or the Licensee Policy applicable to you, you may terminate your Membership in accordance with Section B.3. below. For the purposes of applicable data protection legislation, EAN Data Services UK Limited is the data controller for Members who are residents in the EEA, UK and Switzerland.

8. Limitation of Liability:

8.1. For Members residing in any country outside of the EEA, UK or Switzerland:

Administrator shall not be liable to Member for any incidental, indirect, consequential, special, or punitive damages, or lost profits, goodwill, savings, or use, of any kind or nature arising out of, or relating to the performance, breach, or termination of this Contract, the Program, or any services, whether such damage or loss is foreseeable or not, whether Member has been advised of the possibility thereof or not, and whether such liability is asserted on the basis of contract, tort (including negligence or strict liability), or otherwise.

8.2. For Members residing in Australia:

The limitation of liability set forth in Section A.8.1. above is subject to any rights Member may have to compensation for loss under any applicable statutory guarantees or any other applicable laws which cannot be limited or excluded. This Contract must be read subject to those statutory provisions.

8.3. For Members residing in the EEA, UK and Switzerland:

In no event shall Administrator be liable to Members for any indirect, incidental or consequential damages or any loss or damage which is not within the reasonable control of Administrator; provided, however, nothing in this Contract shall exclude or limit Administrator's liability for (a) the tort of deceit; (b) death or personal injury caused by negligence; or (c) any liability which cannot be excluded or limited by law.

B. Emerald Club Program

1. Eligibility: Because of the nature of the services offered in the Program, you must be at least twenty-one (21) years old to enroll as a Member. If you are not twenty-one (21) or over, you cannot enroll in the Program, and Administrator will reject your Application. Members may not maintain more than one Profile (including any profiles that may replace or succeed the Profile under this Membership). Only one individual may be enrolled per Profile (or succeeding profile). In the event more than one Profile is assigned to the same Member, Administrator, in its sole discretion, may dissolve the duplicate Profile and terminate Membership for this duplicate Profile and transfer rental credits and Free Days to the remaining account (excluding any enrollment or other bonuses that can only be earned a single time per Member as specified in the applicable promotion terms and conditions). The Program is void where prohibited or restricted by law.

2. Rental Contracts: Membership does not guarantee your ability to rent vehicles from Administrator's affiliates or Licensees. All rentals remain subject and subordinate to availability and any applicable qualifications and rental conditions. For example, the minimum or maximum age to rent may vary by country. In addition, all reservation requests are non-binding for Member and the corresponding affiliate or Licensee of Administrator. There is no no-show penalty for Member; additionally, the corresponding affiliate or Licensee of Administrator does not have any duty or obligation to keep any reserved vehicles available.

3. Enrollment and Termination of Membership:

3.1. Membership commences when Administrator confirms your Membership ("Enrollment Date") as governed in Section A.2. and remains in effect until (a) you terminate your Membership, or (b) Administrator terminates your Membership, each as further set out below in this Section B.3. In case of a termination of Membership, Member is no longer eligible to earn or redeem rental credits or Free Days (except as provided in Section B.3.6. below). No payment or other monetary consideration is required for Membership.

3.2. Member has the right to terminate Membership at any time for any reason or no reason at all by giving notice to Administrator in accordance with one of the following options: by (i) calling one of the numbers listed in the table below this Section B.3.2. (depending on your country of residence, this call may be an international call, and may be subject to the relevant charges depending on your carrier), (ii) by contacting us by mail at National Car Rental, Member Services, 8421 St. John Industrial Way, St. Louis, MO 63144, or (iii) contacting us through our website at one of the URLs listed in the table below this Section B.3.2. Termination of Membership is effective immediately upon receipt of such notice by Administrator.

3.3. Administrator reserves the right to terminate a Membership at any time for any reason or no reason at all, in Administrator's sole discretion, by giving written notice (including electronic notice) to such Member pursuant to Section A.5. above. Termination of Membership is effective upon five (5) business days after dissemination of the required notice. *For Members residing in Germany, termination of Membership by Administrator is effective two (2) weeks after receipt of the required notice by Member. For Members residing in Canada, Administrator may terminate Membership upon sixty (60) days' notice pursuant to Section A.5. above.*

3.4. Termination of Membership also terminates this Contract as between the terminated Member and Administrator, effective at the same time as termination of Membership, provided however that Sections B.12., B.13., B.14., and B.15. shall survive any termination of Membership, this Contract, or the Program.

3.5. In case of termination of Membership of a Member residing in any country other than Austria, Denmark or Germany, (a) any and all rental credits and Free Days (whether earned or received by way of transfer in accordance with Section B.5.3. below) prior to the effective date of termination will be forfeited and cease to be valid immediately upon the effective date of termination (irrespective of the validity periods set out in Section B.6. below), (b) Member can no longer redeem any rental credits or Free Days, and (c) Member's Profile will be dissolved and will no longer be accessible for Member, unless otherwise expressly stipulated in this Contract.

3.6. *In case of termination of Membership of a Member residing in Austria, Denmark, or Germany, (a) Member's rental credits and Free Days shall remain valid for the time period set out in Section B.6. below, (b) rental credits earned pursuant to an Eligible Vehicle Rental booked prior to the effective date of the termination may be eligible for conversion into Free Days pursuant to the terms of Section B.5. below and are subject to the validity rules set forth in Section B.6. below, and (c) Member's Profile will be dissolved and will no longer be accessible for Member.*

3.7. In addition to any other rights it may have under this Contract or applicable law, Administrator reserves the right to terminate, restrict, suspend or amend the Program at any time and for any reason in its sole discretion. Termination of the Program also automatically terminates Membership and this Contract. In jurisdictions where termination of Membership by Administrator requires a notice to Member, the terms of Sections B.3.3. to B.3.6. will apply.

3.8. In jurisdictions where the Administrator has the right to terminate for good cause with immediate effect, such right remains unaffected. Good cause includes, but is not limited to, cases of fraudulent activity or abusive behavior by a Member. When Administrator terminates Membership for good cause, the termination becomes effective upon receipt of the termination notice by Member in accordance with Section A.5. of this Contract.

4. Membership Level

4.1. The Program has three Membership levels: Emerald Club, Emerald Club *Executive*, and Emerald Club *Executive Elite*. Members attain their Membership level based upon the number of "Eligible Vehicle Rentals". An "Eligible Vehicle Rental" is defined as all types of passenger vehicle rentals from Participating Rental Locations (as defined in Section B.4.2.) except the following types of rentals: (i) rentals on rate plans for company accounts (using a Corporate ID) that do not allow employees to participate in award programs; (ii) insurance replacement rentals; (iii) dealer replacement, body shop or fleet replacement rentals; (iv) rentals booked under an employee discount rate by employees of Enterprise Holdings, Inc., its affiliates, or subsidiaries, or family members of such employees, Licensees, or Licensees' employees; (v) rentals for which a Member chooses to receive mileage, credits or points for a Partner Rewards Program in accordance with Section B.4.3.; (vi) rentals that are part of a tour package or booked via an opaque travel website; (vii) rentals through a broker; (viii) rentals prepaid via third parties; (ix) rentals from Enterprise Truck Rental locations that used a commercial or government account

number or contracted rates; (x) rentals from Enterprise CarShare locations; (xi) rentals through Commute with Enterprise; or (xii) rentals through Subscribe with Enterprise. Items (i) through (v) above are collectively defined as “Special Vehicle Rentals.”

4.2. Participating Rental Locations: “Participating Rental Location” is defined as all National Car Rental and Enterprise Rent-A-Car brand rental locations in the United States, Canada, Mexico, Australia, and the European, Asia Pacific, and Latin American Caribbean countries for which the Master Rental Contract provides Local Rental Terms and Conditions, except for any rental locations in those countries that are identified as being excluded on <http://www.nationalcar.com>. A current list of all Participating Rental Locations may be found on <http://www.nationalcar.com>.

4.3. Associated Partner Rewards or Frequent Traveler Programs: Members may choose to earn frequent flyer miles, hotel points or other rewards offered in connection with our partners (each a “Partner Rewards Program”) for Eligible Vehicle Rentals instead of earning rental credits under the Program. In the event that Member enrolls in certain Partner Rewards Programs, Member hereby authorizes Administrator to collect applicable frequent traveler recovery fees (“Frequent Traveler Recovery Fees”) as further specified to Member in the enrollment process or if Member modifies their Profile to add a Partner Rewards Program. A list of the Frequent Traveler Recovery Fees collected by Administrator is available at nationalcar.com. The Frequent Traveler Recovery Fees apply to Eligible Vehicle Rentals in the United States and Canada when Member chooses to earn miles/points/rewards in certain Partner Rewards Programs instead of rental credits under the Program. The Frequent Traveler Recovery Fees must be paid by Member at the time of rental. The Frequent Traveler Recovery Fees offset a portion of the expense paid by Administrator to the applicable Partner Rewards Program when Administrator purchases said miles/points/rewards. The fees may be in addition to any other fees or charges the Partner Rewards Program may impose in connection with Member’s use or redemption of any earned miles, points or other form of reward. Member may also be subject to additional restrictions and rules imposed by each Partner Rewards Program. Member is responsible for understanding and complying with the rules, restrictions, and terms and conditions imposed by each such Partner Rewards Program. All questions or disputes regarding any Partner Rewards Program accrual of rewards or benefits thereunder, or anything else related to such Partner Rewards Program shall be between the Member and applicable partner. IN NO EVENT SHALL ADMINISTRATOR BE LIABLE FOR ANY DAMAGES OF ANY KIND ARISING OUT OF OR RELATING TO A PARTNER REWARDS PROGRAM.

5. Rental Credits and Free Days

5.1. Rental Credits: Members will receive one rental credit for each Eligible Vehicle Rental of up to seven (7) consecutive days. For Eligible Vehicle Rentals longer than seven (7) consecutive days, Member will receive one additional rental credit for every four (4) additional consecutive days of the same Eligible Vehicle Rental. Rental credits will be issued at the completion of each Eligible Vehicle Rental and electronically stored in the Members’ Profile. Rental credits do not constitute property of a Member and cannot be redeemed for cash or other value at any time including upon termination of Membership.

Examples:

<u>Eligible Vehicle Rental Days</u>	<u>Total Rental Credits</u>
1-7	1
8-11	2
12-15	3
16-19	4

Consecutive, multiple, or overlapping rentals in the same Participating Rental Location do not qualify as additional consecutive days for purposes of receiving additional rental credits. No rental credits will be issued for rentals that are not Eligible Vehicle Rentals.

5.2. Free Days: Rental credits will, depending upon Membership level, be automatically converted to free rental days (“Free Days”) (optional products, taxes and fees are not included):

<u>Membership Level</u>	<u>Rental Credits Needed for One Free Day</u>
Emerald Club	7 (Valid for up to a mid-sized rental)

	vehicle)
Emerald Club <i>Executive</i>	6 (Valid for up to a full-size rental vehicle)
Emerald Club <i>Executive Elite</i>	5 (Valid for any car class except Trucks and exotic vehicles)

Different thresholds may apply for certain Members depending upon where they reside. Please refer to your supplemental information for details. Free Days do not qualify for rental credits but will qualify toward Membership levels. Member is responsible for all fees and taxes applicable to the rental credits and Free Days the Member earns under the Program. Payment for such fees and taxes shall be the sole responsibility of the Member. No paper certificates will be issued for Free Days, instead, Free Days will be retained in your Profile. Free Days earned by a Member do not constitute property of such Member and cannot be redeemed for cash or other value at any time including upon termination of Membership.

5.3. Transfer of Rental Credits and Free Days: Rental credits are non-transferable. Free Days are transferable to immediate family members of Member (e.g., a spouse or domestic partner, child over the age of 21, and parent) irrespective of their Membership. Members may transfer up to three (3) Free Days per calendar year. Once transferred, Free Days cannot be returned to Member's account. No paper certificates will be issued for transferred Free Days, instead the recipient will receive an email with a coupon code reflecting the transferred Free Days. Transferred Free Days will be deleted from your Profile and will be allocated to the immediate family member of the Member. Transferred Free Days are valid for one (1) year from the original month of transfer. Free Days received by a transferee do not constitute property of such transferee and cannot be redeemed for cash or other value. Notwithstanding the foregoing, the termination of the Contract, Program or Membership can affect the validity of the transferred Free Days as set out in Sections B.3.5. and B.3.6.

5.4. Redemption of Free Days (including transferred Free Days): Free Days, including Free Days transferred in accordance with Section B.5.3., may be redeemed electronically subject to the Member's Program ID when submitting a reservation request for a vehicle on our branded website at www.nationalcar.com as well as at the National mobile app or call 1-800-CARRENT (1-800-227-7368) (depending on your country of residence, this call may be an international call, and may be subject to the relevant charges depending on your carrier) to make an Eligible Vehicle Rental reservation request. For telephone reservation requests, Member must state Member's Emerald Club ID and indicate that Member intends to redeem Free Days for such vehicle rental. Administrator may also require the usage of different methods of redemption as necessary from an operational perspective. Free Days can be used on National Car Rental Brand reservation requests at participating National Car brand rental locations in the United States, Canada, Australia, the Asia Pacific Region, the Latin American Caribbean (and, in Europe, for National Car rental brand reservations serviced by Enterprise). Free Days can be used on Enterprise Rent-A-Car Brand reservation requests at participating neighborhood Enterprise brand rental locations in the United States, Canada, and Europe. Members may redeem Free Days for periods of no longer than seven (7) Free Days per rental transaction. Customers may redeem transferred Free Days for periods of no longer than three (3) Free Days per rental transaction. Free Days cover the time and mileage (base) rate for a vehicle rental only ("Net Rental Costs") and explicitly exclude the charges identified in Section B.5.5 below. *In the EEA, UK and Switzerland, Net Rental Costs may also include additional products and services (such as GPS, additional driver, etc.) as indicated during the reservation process.* The Net Rental Costs vary depending on the Participating Rental Location, type of vehicle rental, availability of the vehicle, length of the vehicle rental, and rental date.

5.5. Additional charges: If Member redeems Free Days for a vehicle rental as described above, the following charges are not included in the Net Rental Costs and Member must pay them separately: (i) taxes, assessments, use fees or other governmentally imposed, authorized or permitted surcharges or pass-throughs, (ii) license recoupment fees, airport fees and concession recoupment fees, (iii) service charges and fees, (iv) vehicle license recovery fees, (v) damage waiver, the cost of optional insurance products, fuel charges, optional upgrades, underage driver's fees, infant seats or other optional items, (vi) charges or drop-off charges for one way rentals, and (vii) tolls or parking violations. Payment for each of these items shall be the sole responsibility of Member.

6. Validity of rental credits and Free Days:

6.1. **Validity of rental credits:** Rental credits remain valid so long as the Member retains valid Membership and expire and are forfeited upon termination of the Membership for any reason.

6.2. **Validity of Free Days:** For Members residing in any country other than Austria, Denmark, Germany, or Canada, Free Days will expire and be forfeited upon the earlier of (a) December 31 of the year following the year in which they were earned or (b) termination of Membership for any reason.

6.3 **Additional Restrictions:** The Program is a loyalty rewards program. Any rewards or other accrued benefits earned hereunder, including Rental credits and Free Days, do not constitute property of a Member and cannot be redeemed for cash or other value.

For Members residing in Austria, Denmark or Germany, Free Days will expire and be forfeited after 36 months, starting on December 31 of the year in which they were earned. In case of termination by Administrator for good cause pursuant to Section B.3.8. above, Free Days will expire and be forfeited immediately on the effective date of termination.

For Members residing in Canada, Free Days will expire and be forfeited upon the earlier of (i) termination of the Membership for any reason or (ii) the Member's inactivity for a period of twelve (12) consecutive months (i.e., no rental credits are earned and no Free Days are redeemed).

7. Membership Tier Levels

7.1. **Membership Tier Level:** The Program has three Membership Tier Levels: Emerald Club, Emerald Club *Executive*, and Emerald Club *Executive Elite*. Members attain their Membership Tier Level based upon the number of (i) Eligible Vehicle Rental Transactions or Special Vehicle Rental Transactions and/or (ii) rental days attributable to Eligible Vehicle Rental Transactions or Special Vehicle Rental Transactions. If a Member chooses to earn frequent flyer miles, hotel points or other rewards offered in connection with our Partner Rewards Program instead of earning rental credits under the Program (see Section B.4.3. above), those Eligible Vehicle Rental Transactions or Special Vehicle Rental Transactions will still be considered for the determination of Membership Tier Level as stipulated in Section B.7.2. below.

An "Eligible Vehicle Rental Transaction" or "Special Vehicle Rental Transaction" is defined as the conclusion of a rental contract with a Participating Rental Location for an Eligible Vehicle Rental or Special Vehicle Rental, as applicable, under one reservation number and/or rental number, irrespective of the number of rental days.

7.2. **Determination of Membership Tier Level:** Membership Tier Levels are determined as follows on a calendar year basis:

<u>Membership Tier Level</u>	<u>Eligible Vehicle Rental Transaction and/or Special Vehicle Rental Transaction</u>	<u>Rental days of an Eligible Vehicle Rental and/or Special Vehicle Rental at a Participating Rental Location:</u>
Emerald Club <i>Executive</i>	12-24	40-84
Emerald Club <i>Executive Elite</i>	25+	85+

Members will be re-tiered periodically throughout each calendar year. When a Member qualifies for a higher Membership Tier Level, Administrator will send materials to Member based on the higher Membership Tier Level. In February of each calendar year, Administrator will send new materials to each Member whose account activity in the prior year was insufficient to maintain their Membership Tier Level.

7.3. **Benefits of Membership Tier Levels Emerald Club *Executive* and Emerald Club *Executive Elite*:** Such Members will also be charged the rate for the next lower car class when renting a full-size through luxury vehicle (excluding specialty vehicles) from Participating Rental Locations.

8. **Fraudulent Activity:** If Members attempt to buy, sell, earn or redeem rental credits in a fraudulent way or in a way that contravenes this Contract, Administrator may, in its sole discretion, terminate their

Membership in accordance with Section B.3.8. The Program is intended to benefit individuals rather than companies. Members may use rental credits for any personal or business purposes they choose. For purposes of administrating the Program, it is considered fraudulent and abusive for Members to use a single Profile for the purpose of accumulating rental credits for company use.

9. Trademarks, Logos and Service Marks: “Emerald Club”, “Emerald Club Program”, “National Car Rental” and all associated trademarks, logos and service marks, along with the contents, structure, and features of the Program (“Administrator Intellectual Property”) are the exclusive property of Administrator and its affiliates. Nothing contained in this Contract or by your enrollment or Membership should be construed as granting, by implication, estoppel, or otherwise, any license, interest or right in or to any of the Administrator Intellectual Property.

10. Changes and Amendments of the Program or this Contract:

10.1. The terms of this Contract and the benefits of the Program may change and evolve over time. To the fullest extent permitted by law and without prejudice to any statutory rights, Administrator reserves the unilateral right to change or otherwise amend any provision(s) of this Contract and/or the Program in its sole discretion at any time by providing notice to Member in accordance with Section A.5. of the Contract set forth above, unless otherwise expressly stipulated in this Contract or by law. Any such change or other amendment of this Contract or Program will become effective five (5) business days after dissemination of the notice unless otherwise expressly stipulated in this Contract. You may obtain a free copy of the latest version of the Contract by visiting our website www.nationalcar.com or by calling National Car Rental, Member Services, 8421 St. John Industrial Way, St. Louis, MO 63144, at 1-800-962-7070, seven days a week, 8:00 a.m. – 8:00 p.m. Eastern Standard Time (depending on your country of residence, this call may be an international call, and may be subject to the relevant charges depending on your operator). Administrator may, for purposes of providing an additional, non-obligatory method of notice to Members, notify Members of changes to this Contract or the Program when Members first access their Profile following a change. Such additional notice, and Member’s subsequent indication of acceptance, will have no impact on the effective date of the amended version of this Contract.

10.2. Members must terminate their Membership in accordance with Section B.3.2 and forfeit any and all accrued rental credits and Free Days (unless otherwise specified in this Contract) in order to decline any changes, or other amendments of this Contract or the Program, unless otherwise expressly stipulated in this Contract.

10.3. *For Members residing in Canada, the Administrator specifically reserves the right, upon notice, to unilaterally amend the provisions of this Contract and/or the Program regarding: the terms of Membership including enrollment and membership conditions, restrictions and sanctions; the nature of the Program; communications; the accumulation, redemption, expiry, cancellation or characteristics of rental credits or Free Days; the termination of the Program or Membership, or the subjects under this Contract that may be amended and the manner of doing so. The Administrator will give at least 60 days’ notice of any changes to this Contract or the Program and specify the pending changes. If a Member does not accept any change, Member may terminate Membership in the Program by providing notice in accordance with this Contract.*

10.4. *For Members residing in Argentina, Austria, Belgium, Chile, Costa Rica, Denmark, Mexico, Portugal, Sweden, and Switzerland, the changed or amended version of this Contract and/or the Program will only become effective if Member consents to the changes or amendments to the Contract. If Member does not consent, the previous version of this Contract and/or the Program remains applicable for such Member provided, however, Administrator’s right to terminate Membership or the Program pursuant to Section B.3. shall remain unaffected.*

10.5. *For Members residing in Germany:*

10.5.1. *This Contract and/or Program may be changed or amended by Administrator if*

- (a) the changes or amendments are necessary (i) due to a change in the applicable legislation or case law of the supreme courts or (ii) for clarification purposes to remove existing ambiguities in this Contract and/or the Program, and*
- (b) the changes or amendments are necessary to avoid an unreasonable disadvantage to the Administrator that could not be foreseen at the time the parties entered into this Contract.*

The changed or amended Contract and/or Program shall become effective two (2) weeks after given notice by Administrator.

- 10.5.2. *This Contract and/or Program may be changed or amended by Administrator in all other cases if*
- (a) the changes or amendments are reasonable and appropriate, taking Members' interests into account,*
 - (b) Administrator provides Member with notice of the changes or amendments six (6) weeks prior to the date on which the changes or amendments shall become effective, informing Member of (i) the details of the changes or amendments, (ii) Member's right to object, and (iii) the potential consequences of objecting to the changes or amendments, and*
 - (c) Member does not object to the changes or amendments within such six (6) week period.*

If Member objects to the changes or amendments, the previous version of this Contract and/or Program remains applicable for such Member.

- 10.5.3. *Notwithstanding anything to the contrary in Sections 10.5.1. or 10.5.2., this Contract and/or Program may be changed or amended by Administrator if Member consents to the changed or amended version of this Contract. If Member does not consent, the previous version of this Contract and/or the Program remains applicable for such Member.*

- 10.5.4. *Administrator's right to terminate Membership or the Program pursuant to Section B.3. shall remain unaffected.*

11. Force Majeure: Administrator may suspend or terminate the Program as a result of a force majeure event, including but not limited to fire, flood, earthquake, elements of nature or acts of God, labor strikes, or social or political disruptions that prevent Administrator from fulfilling its obligations under this Contract.

12. DISPUTE RESOLUTION PROVISION - MANDATORY ARBITRATION AGREEMENT (UNITED STATES RESIDENTS ONLY): YOU AND ADMINISTRATOR EACH WAIVE THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION PURSUANT TO THE FOLLOWING TERMS. YOU AND ADMINISTRATOR AGREE TO ARBITRATE ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES OF ANY KIND ("CLAIMS") AGAINST EACH OTHER ARISING OUT OF OR RELATING IN ANY WAY TO THIS CONTRACT, INCLUDING BUT NOT LIMITED TO, CLAIMS RELATING TO ADMINISTRATOR'S PRODUCTS AND SERVICES, CHARGES, ADVERTISEMENTS, OR RENTAL VEHICLES. FOR THE PURPOSES OF THIS DISPUTE RESOLUTION PROVISION, "YOU" ALSO INCLUDES ANY OF YOUR AGENTS, BENEFICIARIES, ASSIGNS, OR ANYONE ACTING ON BEHALF OF THE FOREGOING, AND "ADMINISTRATOR" ALSO INCLUDES ANY OF ITS EMPLOYEES, AGENTS, AFFILIATES, PARENTS, SUBSIDIARIES, BENEFICIARIES, ASSIGNS, AND VENDORS, INCLUDING BUT NOT LIMITED TO ITS SERVICE PROVIDERS AND MARKETING PARTNERS. YOU AND ADMINISTRATOR AGREE THAT NO CLAIMS WILL BE PURSUED OR RESOLVED AS A PART OF A CLASS ACTION, PRIVATE ATTORNEY GENERAL OR OTHER REPRESENTATIVE ACTION OR PROCEEDING, THAT NO ARBITRATION FORUM WILL HAVE JURISDICTION TO DECIDE ANY CLAIMS ON A CLASS-WIDE, COLLECTIVE, OR CONSOLIDATED BASIS, AND THAT NO RULES OR OTHER PROCEDURES FOR CLASS-WIDE OR COLLECTIVE ARBITRATION WILL APPLY. This Dispute Resolution Provision is to be broadly interpreted and applies to all Claims based in contract, tort, statute, or any other legal theory, and all Claims that arose prior to or after termination of this Contract or the Master Rental Contract. However, the parties agree that either party may bring an individual action in a small claims court with valid jurisdiction, provided that the action remains in that court (other than any appeal of the small claims court ruling), is made on behalf of or against you only and is not made part of a class action, private attorney general action or other representative or collective action. The parties also agree that claims against or by a third-party insurance company ostensibly providing coverage to you or any AAD or the application of Administrator's financial responsibility relating to the use or operation of Vehicle may be brought in a court with valid jurisdiction.

(1) **Procedure:** A party must send a written Notice of Dispute ("Notice") describing (a) the nature and basis of the claim; and (b) the relief sought, to the other party. The Notice to Administrator should be addressed to: CT Corporation, 208 S LaSalle, Suite 814, Chicago, IL 60604 ("Notice Address"). If you and Administrator do not resolve the claim within thirty (30) days after the Notice is received, a party may commence an arbitration by filing a demand for arbitration with the American Arbitration Association

("AAA") pursuant to its Consumer Arbitration Rules. Claims will be resolved pursuant to the AAA's Consumer Arbitration Rules in effect at the time of the demand, as modified by this Contract. However, a single arbitrator will be selected according to AAA's Commercial Arbitration Rules. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request by you or Administrator that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient to both parties with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, such determination should be made by the AAA or by the arbitrator. The AAA rules are available online at www.adr.org. Except as required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any dispute or arbitration hereunder without the prior written consent of both parties.

(2) **Arbitrator's Authority:** The arbitrator is bound by the Contract, this Dispute Resolution Provision, the Federal Arbitration Act ("FAA") and AAA's Consumer Arbitration Rules. The arbitrator has no authority to join or consolidate claims, or adjudicate joined and consolidated claims. The arbitrator has exclusive authority to resolve any dispute relating to the scope, interpretation, applicability, enforceability or formation of this Contract, including whether it is void. The parties agree that the arbitrator's decision and award will be final and binding and may be confirmed or challenged in any court with jurisdiction as permitted under the FAA. The arbitrator can award the same damages and relief as a court, but only in favor of an individual party and for a party's individual claim.

(3) **Arbitration Costs:** You will be responsible for your share of any arbitration fees (e.g., filing, administrative, etc.), but only up to the amount of filing fees you would incur if the claims were filed in court. Administrator will be responsible for all additional arbitration fees. You are responsible for all other costs/fees that you incur in arbitration, e.g., fees for attorneys, expert witnesses, etc. You will not be required to reimburse Administrator for any fees unless the arbitrator finds that the substance of your claim(s) or the relief sought is frivolous. If the arbitrator makes such a finding, AAA Rules will govern the payment of all fees, and Administrator may seek reasonable attorney's fees. Administrator will pay all fees and costs it is required by law to pay.

(4) **Governing Law and Enforcement:** Notwithstanding anything in this Contract, this Dispute Resolution Provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the FAA, 9 U.S.C. §§ 1-16. This Dispute Resolution Provision was drafted in compliance with the laws in all states, however, if any portion of it is deemed to be invalid or unenforceable or is found not to apply to a claim, the remainder of the Dispute Resolution Provision remains in full force and effect. Provided, however, if the class-arbitration waiver provision is deemed unenforceable, any class action claim(s) must proceed in a court of competent jurisdiction.

13. DISPUTE RESOLUTION PROVISION - MANDATORY ARBITRATION AGREEMENT (CANADIAN RESIDENTS ONLY): UNLESS PROHIBITED BY APPLICABLE LAW, YOU AND ADMINISTRATOR EACH WAIVE THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION PURSUANT TO THE FOLLOWING TERMS. YOU AND ADMINISTRATOR AGREE TO ARBITRATE ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES OF ANY KIND ("CLAIMS") AGAINST EACH OTHER ARISING OUT OF OR RELATING IN ANY WAY TO THIS CONTRACT, INCLUDING BUT NOT LIMITED TO, CLAIMS RELATING TO ADMINISTRATOR'S PRODUCTS AND SERVICES, CHARGES, ADVERTISEMENTS, OR RENTAL VEHICLES. FOR THE PURPOSES OF THIS DISPUTE RESOLUTION PROVISION, "YOU" INCLUDES ANY OF YOUR AGENTS, BENEFICIARIES, ASSIGNS, OR ANYONE ACTING ON BEHALF OF THE FOREGOING, AND "ADMINISTRATOR" INCLUDES ANY OF ADMINISTRATOR'S EMPLOYEES, AGENTS, AFFILIATES, PARENTS, SUBSIDIARIES, BENEFICIARIES, ASSIGNS, AND ITS SERVICE PROVIDERS AND MARKETING PARTNERS. YOU AND ADMINISTRATOR AGREE THAT NO CLAIMS WILL BE PURSUED OR RESOLVED AS PART OF A CLASS ACTION OR OTHER REPRESENTATIVE ACTION OR PROCEEDING, THAT NO ARBITRATION FORUM WILL HAVE JURISDICTION TO DECIDE ANY CLAIMS ON A CLASS-WIDE, COLLECTIVE, OR CONSOLIDATED BASIS, AND THAT NO RULES FOR CLASS-WIDE OR COLLECTIVE ARBITRATION WILL APPLY. This Dispute Resolution Provision is to be broadly interpreted and applies to all Claims based in contract, tort, statute, or any other legal theory, and all Claims that arose prior to or after termination of this Contract or the Master Rental Contract. However, the parties agree that either party may bring an individual action in a small claims court with valid jurisdiction, provided that the action remains in that court, is made on behalf or against you only and is not made part of a class action, or other representative collective action. The parties also agree that claims involving a third-party insurance company ostensibly providing

coverage to you or any AAD or the application of Administrator's financial responsibility relating to the use or operation of Vehicle may be brought in a court with valid jurisdiction.

(1) **Procedure:** A party must send a written Notice of Dispute ("Notice") describing (a) the nature and basis of the claim; and (b) the relief sought, to the other party. The Notice to Administrator should be addressed to: Baker & McKenzie LLP, Brookfield Place, Suite 2100, 181 Bay Street (PO Box 874), Toronto, Ontario Canada – M5J 2T3 ("Notice Address"). If you and Administrator do not resolve the claim within thirty (30) days after the Notice is received, either party may commence an arbitration by filing a Notice of Arbitration with the International Centre for Dispute Resolution Canada ("ICDR Canada") pursuant to its ICDR Canada Arbitration Rules. Claims will be resolved pursuant to the ICDR Canada's Arbitration Rules in effect at the time of the Notice of Arbitration, as modified by this Contract. The number of arbitrators shall be one. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request of a party that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient for both parties. If the parties are unable to agree on a location, such determination shall be made by the arbitrator or ICDR Canada. The ICDR Canada Rules are available online at www.icdr.org. The language of the arbitration shall be English. Except as may be required by law, neither a party nor its representatives may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all parties.

(2) **Arbitrator's Authority:** The arbitrator is bound by the Contract, this Dispute Resolution Provision, the applicable domestic arbitration act ("Domestic Arbitration Act") and ICDR Canada's Arbitration Rules. The arbitrator has no authority to join or consolidate claims, or adjudicate joined and consolidated claims. The arbitrator has exclusive authority to resolve any dispute relating to the scope, interpretation, applicability, enforceability or formation of the Contract, including whether it is void. The parties agree that the arbitrator's decision and award will be final and binding. The arbitrator can award the same damages and relief as a court, but only in favor of an individual party and for a party's individual claim.

(3) **Arbitration Costs:** You will be responsible for your share of any arbitration fees (e.g., filing, administrative, etc.), but only up to the amount of filing fees you would incur if the claims were filed in court. Administrator will be responsible for all additional arbitration fees. You are responsible for all other costs/fees that you incur in arbitration, e.g., fees for attorneys, expert witnesses, etc. You will not be required to reimburse Administrator for any fees unless the arbitrator finds that the substance of Member's claim(s) or the relief sought is frivolous. If the arbitrator makes such a finding, ICDR Canada Rules will govern the payment of all fees, and Administrator may seek reasonable attorney's fees. Administrator will pay all fees and costs it is required by law to pay.

(4) **Governing Law and Enforcement:** The Domestic Arbitration Act of the provincial or territorial judicial district of the rental location applies to this Dispute Resolution Provision and governs whether a claim is subject to arbitration. If any portion of the Dispute Resolution Provision is deemed to be invalid or unenforceable or is found not to apply to a claim, the remainder of the Dispute Resolution Provision remains in full force and effect. Provided, however, if the class-arbitration waiver provision is deemed unenforceable, any class action claim(s) must proceed in a court of competent jurisdiction.

14. **Applicable Law:** For Members residing outside the EEA, UK and Switzerland (except for Australia and Canada), this Contract shall be governed, construed and interpreted in accordance with the laws of the State of Missouri without giving effect to any choice or conflict of law provision or rule (whether of the State of Missouri or any other jurisdiction) that would cause the application of laws of any other jurisdiction.

For members residing in the EEA, UK and Switzerland, this Contract shall be governed, construed and interpreted in accordance with the laws of the country in which Member resides. This shall be subject to the exclusive jurisdiction of the courts of the country in which Member resides for the resolution of any disputes arising out of this Contract.

For members residing in Australia, this Contract shall be governed, construed and interpreted in accordance with the laws of New South Wales, Australia without giving effect to any choice or conflict of law provision or rule (whether of New South Wales or any other jurisdiction) that would cause the application of laws of any other jurisdiction. This Contract shall be subject to the exclusive jurisdiction of the courts of the state or territory in which Member resides for the resolution of any disputes arising out of this Contract.

For Members residing in Canada, this Contract shall be governed, construed and interpreted in accordance with the laws of the province in which Member resides and the laws of Canada applicable therein. To the extent to which Section B.13. is prohibited by applicable law, this Contract shall be subject to the exclusive jurisdiction of the courts of the province in which Member resides for the resolution of any disputes arising out of this Contract.

Notwithstanding the foregoing, the Master Rental Contract shall be governed by the laws of the jurisdiction in which Member picks up the vehicle. In the event of a conflict between the governing law or dispute resolution provisions of this Contract and the Master Rental Contract, the provisions of the Master Rental Contract shall control.

15. Severability: If any provision of this Contract is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions herein will remain in full force and effect and will be liberally constructed to effectuate the purpose and intent of this Contract.

In case of a conflict between a provision in the General Rental Terms and Conditions Applicable to Rentals in All Locations set out in this Chapter A and a provision in any of the country or state-specific rental terms set out in the Chapters B, C, D, or E the provision in the country or state-specific rental terms in the Chapters B, C, or D shall prevail. The Rental Contract will be subject to the laws of the relevant state in the United States, relevant province in Canada, or a participating location in Europe or the Latin America Caribbean, as applicable. The Rental Contract is available in English language and certain other languages. In the event of a conflict between the version of the Rental Contract in the English language and the version of the Rental Contract in any other language, the version of the Rental Contract in the English language shall prevail, unless otherwise stated in the country or state-specific rental terms in the Chapters B, C, D, or E.

2. The Rental Contract shall only apply to and cover vehicle rentals by Owner to a customer from a rental facility which is operated under the "National Car Rental" brand name and shall not apply to or cover vehicles under the Alamo Rent A Car or Enterprise Rent-A-Car brand names except in the case of a Fixed Based Operator delivery as set out in Section 10, below.

3. Conclusion of Rental Contract : If you are a resident of the U.S. or Canada, the Rental Contract will be binding on you when you click on the "I Accept" button during the registration for the Emerald Club thereby confirming that you have read, are aware of, and will accept full responsibility for and are bound by the terms and conditions contained in this Master Rental Contract. *If you are a resident outside of the U.S. or Canada, the Rental Contract becomes effective and is deemed to be accepted by you when you take possession of a vehicle in the US, in Canada or at a participating location in Europe or in the Latin American Caribbean at a National Car Rental location, thereby confirming that you have read, are aware of, and will accept full responsibility for and are bound by the terms and conditions contained in this Rental Contract .*

4. Third party billing; verification: Renter expressly acknowledges that Renter and Owner are the only parties to this Rental Contract, notwithstanding that a reservation for vehicle may have been arranged by a third party on behalf of the Renter; that a third party may pay for all or part of the rental bill; and/or that a third party may negotiate certain terms of the rental, including but not limited to the type of vehicle, length of rental, rental rate and/or selection of optional products on behalf of the Renter. For matters arising from this Rental Contract, Renter authorizes Owner to verify and/or obtain, through credit agencies or other sources, Renter's personal, credit and/or insurance information. Except as described in Section A.1., this Rental Contract is the entire agreement between Renter and Owner and cannot be altered by another document or oral agreement unless agreed to in writing and signed by Renter and Owner.

5. Reservations : Renter shall make rental reservations prior to pick up. When making rental

reservations, Renter shall inform Owner of Renter's membership number. Renter must present a valid driver's license at the time of rental. If Renter is unable to present a valid driver's license because of a disability or visual impairment, Renter may rent a vehicle when accompanied by a designated driver, who must present a valid driver's license and meet minimum age restrictions. A valid credit card issued in Renter's name must be presented upon its initial use at time of rental or if requested by Owner. If Renter is an eligible renter under a commercial account agreement with Owner and provides Owner with that account's name ("Account") and contract I.D. number when making a reservation, Renter will be charged at the Account's commercial rate. If Renter is ineligible to rent under a commercial account agreement, Renter will be charged at the prevailing retail market rate.

6. Correspondence : Renter confirms that the name and email address Renter has provided in Renter's Profile are correct, and consents that any correspondence, notices or emails will be sent to Renter in accordance with (i) Section 5 and 6 of Chapter A of the Emerald Club Program Rules and Conditions and (ii) applicable Renter Contracts.

7. Renter Profile : Renter agrees that Owner may rely on all options selected by Renter as contained on Renter's Profile, which apply to all rental transactions made by Renter under the Emerald Club Program. Renter may change options and information for future rental transactions under this Program by changing the options and information entered into the Profile at www.nationalcar.com or by sending Administrator a Rental Contract Profile Change Form at National Car Rental, Attn: Marketing, 600 Corporate Park Drive, St. Louis, MO 63105, indicating the changed options and information in writing. Administrator may update Renter's Profile as necessary to correct contract ID numbers.

8. Credit cards : Renter further agrees to notify Administrator if Renter's credit card or any credit card listed in Renter's Profile is (1) lost, stolen or invalidated, or (2) or if Renter suspects that it is being used without permission, or (3) expires.

9. Reservations in excess of thirty days : If the reservation is for a period in excess of thirty (30) consecutive days, such reservation shall be governed by the following terms and conditions. Such reservation shall consist of consecutive rentals for individual terms of no more than thirty (30) days each ("Rental Period"), but consecutively lasting for a period of time equal to the reservation period ("Reservation Period"). Each Rental Period is a separate rental, distinct from any other Rental Period during the Reservation Period. Owner will designate a separate rental number for each Rental Period. Each rental during the Reservation Period will be charged the same time and mileage rate as set forth in the reservation for the initial Rental Period; however, Renter acknowledges that taxes, fees, and other charges contained in the reservation for initial Rental Period may be subject to change during subsequent Rental Periods. Renter acknowledges that at any time Renter agrees to a revised Rental Contract, such revised Rental Contract will govern each remaining Rental Period. Renter further acknowledges Renter may terminate the balance of the Reservation Period at any time, without penalty, effective at the end of any Rental Period by returning Vehicle to Owner. Terminating the remaining Reservation Period effective within a Rental Period may lead to early termination charges as specified in the reservation for such rental, but only with respect to the remainder of the then-current Rental Period. Renter will be charged for each Rental Period as it commences. Renter must (A) notify Owner at the end of each Rental Period of the Vehicle's then-current mileage, and (B) must exchange the Vehicle upon Owner's request.

10. Fixed Based Operator Deliveries : If requested when reserving a vehicle by Renter who (a) has established a commercial account with Owner and has been issued a valid business rental contract I.D. number and (b) has a completed Renter Profile with coverage preferences selected, Owner will deliver or cause to be delivered a rental vehicle to any Fixed Based Operator airport facility ("FBO") located within 50 miles of a National facility. The delivery of a vehicle to an FBO is subject to: (a) payment of any delivery and collection fee, (b) payment of a no-show fee if such Renter fails to show up for such reservation, (c) the individual FBO rules and regulations regarding delivery of rental vehicles and (d) all other applicable terms and conditions of this Rental Contract shall apply to the rental and use of any such vehicle delivered under this Section. Renter agrees that Owner, at its option, may service the delivery of vehicles to an FBO under the

Enterprise Rent-A-Car brand name only for rentals set up with your corporate contract I.D. number. Renter agrees to pay for either brand that services the rental. Certain optional products selected in Renter's Profile may not be available or may be provided through different insurers or with different coverage limits or benefits. Renter agrees that similar products provided by Enterprise Rent-A-Car brand shall replace such products provided for in Renter's Profile to the extent they are available. Notwithstanding the foregoing, such rental shall otherwise be deemed a National rental subject to the terms of this Rental Contract. Renter agrees that the terms and conditions of the Enterprise brand rental contract shall apply only to the extent of any required disclosures under state or provincial law.

B. ADDITIONAL RENTAL TERMS AND CONDITIONS APPLICABLE ONLY TO RENTALS IN UNITED STATES AND CANADA

1. **Definitions:** For the purposes of this Rental Contract, the following terms are specifically defined:

- a. "Additional Authorized Driver(s)" (AAD[s]) means any individual, in addition to Renter, who; (i) is permitted by Owner to operate Vehicle. This includes individuals identified on the Summary as ADDITIONAL AUTHORIZED DRIVER(S) (subject to durational limits stated on the Summary, if any) and with the permission of Renter and is either a member of Renter's immediate family (including same or opposite sex domestic partner) who permanently resides with Renter, (ii) is a fellow employee who drives the Vehicle for business purposes, (iii) is required by law, or (iv) is permitted by Owner or separate agreement (i.e., Corporate, Tour or Emerald Club) to operate the Vehicle. All AADs must possess a valid driver's license and meet the minimum rental age. An additional fee may apply.
- b. "Optional Accessories" means but is not limited to optional Child Seats, Global Positioning Systems, Telematic Devices, ski racks, toll transponders and/or other products accepted by Renter.
- c. "Rental Period" means the period between the time Renter takes possession of Vehicle and the time Vehicle is returned and checked in by Owner, except in the case of Reservation Periods longer than 30 days in which the initial Rental Period is the period between the time Renter takes possession of Vehicle and 30 consecutive days thereafter. Each subsequent 30 day period (or portion thereof) is a Rental Period until Vehicle is returned and checked in by Owner.
- d. "Return Location" means the original rental location or the location specified in the reservation.
- e. "Vehicle" means the original vehicle received in connection with a rental and any replacement vehicle(s) inclusive of vehicle as equipped and furnished by the manufacturer and any equipment added by Owner.
- f. "United States" means the 50 United States, District of Columbia, and Puerto Rico.

2. **Ownership/Vehicle Condition/Warranty Exclusion.** Renter acknowledges that Vehicle and any Optional Accessories are, by ownership, beneficial interest or lease, property of Owner or its Affiliate, even if owned, registered or titled to a third party. Renter agrees Renter received Vehicle and Optional Accessories in good physical and mechanical condition. RENTER IS RENTING VEHICLE AND ANY OPTIONAL ACCESSORIES "AS IS" AND HAS HAD AN ADEQUATE OPPORTUNITY TO INSPECT VEHICLE AND ANY OPTIONAL ACCESSORIES AND ITS OPERATION BEFORE LEAVING OWNER'S PREMISES. OWNER EXCLUDES ALL WARRANTIES, BOTH EXPRESS AND IMPLIED, WITH RESPECT TO THE VEHICLE AND ANY OPTIONAL ACCESSORIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Renter agrees not to alter or tamper with Vehicle or any Optional Accessories. If Renter or AAD(s) determines Vehicle or any Optional Accessories is unsafe, Renter or AAD(s) shall stop operating Vehicle and any Optional Accessories and notify Owner immediately.

3. Payment by Renter.

- a. For items designated as either "/hour", "/day", "/week" or "/month" (1) "/hour" is 60 consecutive

minutes or any portion thereof, beginning 30 minutes after the start time of the rental, (2) "/day" is each consecutive 24 hour period beginning after the start time of the rental, (3) "/week" is 7 consecutive 24 hour days beginning after the start time of the rental, (4) "/month" is 30 consecutive 24 hour days beginning after the start time of the rental, (5) all charges are for a minimum of 1 day.

b. Renter shall pay Owner for:

(1) The hour, day, week and month charges for the Rental Period. The "/hour" charge shall apply to each full or partial hour in excess of a day. The hourly charges shall not exceed the cost of one additional day. If Vehicle is returned during non-business hours or to any place other than the Return Location, all rental charges incurred through the time an employee of Owner checks in Vehicle are Renter's responsibility.

(2) The charge per mile or kilometers for all miles or kilometers exceeding the free miles or kilometers permitted for the Rental Period.

(3) The Optional Accessories, services and/or products charges for those items accepted by Renter.

(4) The optional Verified Carbon Offsets (CO2 OFFSET) accepted by Renter are an optional environmental service designed to offset the greenhouse gases emitted by Vehicle. Owner remits amounts collected to an independent Third-party provider. See www.keystogreen.com for more information. The estimated emissions produced by Vehicle are based on the average mileage and fuel economy of vehicles in the rental

fleet and are not calculated based on the emissions of a particular vehicle.

(5)) The charges for the rental of the toll collection transponder, if applicable. The optional Tollpass service accepted by Renter provides for the daily rental of a toll collection transponder (Tollpass Transponder Service) or, in some states or provinces, the use of a pre-installed device or video-monitored toll collection services (Tollpass Automatic Service, and together with the Tollpass Transponder Service, collectively the Tollpass Service). In addition to the daily charge for the Tollpass Service, Owner, its affiliate or a third party may separately charge Renter's credit or debit card (or bill Renter, as applicable, for cash rentals) for each toll (or other charge) incurred using the Tollpass Service, or pre-installed device during the Rental Period on covered roads within the Tollpass service area at the higher of the applicable toll authority's video toll rate, cash toll rate or highest undiscounted toll rate. Renter expressly authorizes Owner or its affiliate to transfer to a third-party Renter's name, address, credit/debit card information, and other data necessary to enable the collection of all such tolls, any other charge(s) in addition to tolls attributed to the transponder and other associated charges incurred during the Rental Period. No credit is provided for days the transponder is not utilized. Tollpass Service has a limited service area; attempting to use the service outside the service area may subject the Renter and/or any AAD(s) to fines and penalties, see Section 3.d.(4). A current listing of Tollpass service area covered roads is available upon request, at "www.htallic.com/tollpass" or (877) 765-5201. For TollPass Waiver Option originating in the Chicago Metro area or at select Indiana locations, Renter may choose to purchase optional TollPass Waiver, which provides for the daily rental of a toll collection transponder or, in some states, the use of video-monitored toll collection services. TollPass Waiver will relieve Renter and/or AAD(s) of the costs of tolls incurred during the Rental Period. No credit is provided for days of non-usage. TollPass Waiver has a limited service area; attempting to use the service outside the service area may subject the Renter and/or any AAD(s) to fines and penalties. See Section 3.d.(5).

(6) The fuel charge at the rate shown on the Rental Contract Summary. If the fuel charge is based on consumption and Vehicle is returned with less fuel than when rented, the charge shall be for the Owner's estimated difference in fuel level. The difference in fuel level will be calculated based on the difference shown on the fuel gauge (rounded to the nearest 1/8th) between rental date and return date or as determined by Vehicle's telematic system. If Renter purchases the Fuel Service Option, then Renter's fuel charge shall be the per gallon charge multiplied by the fuel tank capacity of Vehicle rented. Renter shall not receive a refund or credit if Vehicle is returned with more fuel than when Renter received it or for any unused fuel. The fuel charge is not a retail sale of fuel.

c. At certain locations, the fees and other charges described in Section 3(b)(11), above, may not apply in the event Renter did not arrive at certain airports by plane within a specified period prior to the commencement of a rental transaction. Certain other fees and charges described in Section 3(b)(11) may not be applicable to vehicles rented as temporary replacements for vehicles unavailable due to mechanical breakdown, repair, service, damage or loss. These fees and charges may not be assessed if (A) Renter advises Owner at the counter at the time of the rental transaction that either (i) the Renter did not arrive at the airport by plane prior to the commencement of the rental transaction or (ii) Vehicle will be utilized as a replacement vehicle, and (B) the Owner determines that the fee and/or charge is not applicable to such Renter as a result of same. Renter agrees Owner may provide Renter's information to applicable authorities and/or third parties to process payment and/or transfer liability to the Renter for any such Fines, Tolls and Violations. In addition, Owner, its affiliates or a third party may assess a fee of up to \$35 per incident to apply towards all costs incurred in connection with any Fines, Tolls and Violations and their administration.

(3) Renter acknowledges final amounts charged to Renter's card may exceed amounts shown on the Rental Contract Summary, if Renter incurs charges not included in such amounts.

f. Owner reserves the right, in its sole discretion, to set off or deduct from any amounts owed from Owner to Renter under the Contract any amounts owed from Renter to Owner under the Contract. 8. Responsibility to Third Parties. (US only) Owner or Owner's affiliate complies with the applicable motor vehicle financial responsibility laws with respect to the Vehicle as a state certified self-insurer, bondholder, insured or cash depositor. Except to the extent required by the motor vehicle financial responsibility laws of the applicable state or otherwise by law, Owner or Owner's affiliate does not extend any of such motor vehicle financial responsibility or provide insurance coverage to Renter, AAD(s), passengers or third parties through this Contract. If liability insurance or self-insurance is available on any basis to Renter, AAD(s) or any other driver and such insurance or self-insurance satisfies the applicable state motor vehicle financial responsibility law, then neither Owner nor Owner's affiliate extends its motor vehicle financial responsibility. However, if Renter and AAD(s) are in compliance with the terms and conditions of this Contract and if Owner or Owner's affiliate is obligated to extend the motor vehicle financial responsibility to Renter, AAD(s) or third parties, then such obligation is limited to the applicable state minimum financial responsibility amounts. Renter shall be responsible for assisting Owner in obtaining any necessary cooperation from an AAD. 9. Indemnification by Renter. Renter shall defend, indemnify and hold Owner and/or Owner's

Affiliate harmless from all losses, liabilities, damages, injuries, claims, demands, costs, attorney fees and other expenses incurred by Owner or Owner's affiliate in any manner from this rental transaction, or from the use of Vehicle or Optional Accessories by any person, including claims of, or liabilities to third parties. Renter may present a claim to Renter's insurance carrier for such events or losses; but in any event, Renter shall have final responsibility to Owner and Owner's affiliate for all such losses. 10. Personal Injury Protection and Uninsured/Underinsured Motorist Protection. Except as required by law, Owner does not provide Personal Injury Protection, No Fault Benefits or Medical Payment Coverage (collectively PIP) or Uninsured/Underinsured Motorist Protection (UM/UIM) through this Contract. If Owner or Owner's affiliate is required by law to provide PIP and/or UM/UIM, Renter expressly selects such protection in the minimum limits with the maximum deductible and expressly waives and rejects PIP and/or UM/UIM limits in excess of the minimum limits required by law. Renter, AAD(s) and all other parties seeking benefits pursuant to this rental contract agree that any misrepresentation, false or misleading information supplied to Owner or Owner's representative and/or refusal to cooperate (including, but not limited to, the failure to provide statements or an examination under oath) with Owner or Owner's representatives during any claim, suit or proceeding may result in the declination of any such claim. Renter shall be responsible for assisting Owner in obtaining any necessary cooperation from an AAD.

11. Personal Property. Owner is not responsible for any damage to, loss of or theft of any personal property or data contained therein, whether the damage or theft occurs during or after termination of the rental; provided, however, unless resulting from Owner's negligent, reckless or intentional acts. Owner is not liable for and Renter shall defend, indemnify and hold Owner and its affiliate(s) harmless from all losses, liabilities, damages, injuries, claims, demands, costs, attorney fees and other expenses incurred by Owner or its affiliate(s) or in any way arises out of Renter's or Renter's passenger's failure to remove any personal property, including but not limited to data or records of Renter or Renter's passengers downloaded or otherwise transferred to Vehicle. Owner is not responsible for and Renter releases Owner from any claim or cause of action which may arise from a prior renter's or passenger's failure to remove any personal property, data or records from Vehicle. **SEE SECTION 18 FOR INFORMATION ON OPTIONAL PEC.**

If a third party, including, without limitation, an employer or corporate account, authorizes payment of any amount owed by Renter under this Rental Contract, Renter hereby assigns to Owner Renter's right to receive such payment. Only those amounts actually paid by a third party to Owner shall reduce the amount owed by Renter under this Rental Contract; provided however, certain third parties may have agreed to pay Owner a flat fee for this rental in lieu of Owner's "/day" charges or the per diem benefits under the applicable insurance policy. In such event the flat fee might exceed or be less than: the normal "/day" charges as calculated under this Rental Contract; or their party's per diem benefits. Regardless of the amounts paid under such flat fee agreement, third party payments shall not be applied to: vehicle upgrades or optional products (beyond those provided by the third party); or, rental days beyond those specified by the third party. Renter remains responsible for all charges not paid by the third parties, such as charges for vehicle upgrades, optional products, extra rental days, and all other charges.

14. Power of Attorney. Renter hereby grants and appoints to Owner a

Limited Power of Attorney:

a. To present insurance claims of any type to Renter's insurance carrier and/or credit card company if: (1) Vehicle is damaged, lost or stolen during the Rental Period and if Renter fails to pay for any damages; or (2) Any liability claims against Owner arise in connection with the rental transaction and Renter fails to defend, indemnify and hold Owner harmless from such claims.

b. To endorse Renter's name to entitle Owner to receive insurance, credit card and/or debit card payments directly for any such claims, damages, liabilities or rental charges.

15. **Severability.** If any provision of this Rental Contract is determined to be unlawful, contrary to public policy, void or unenforceable, all remaining provisions shall continue in full force and effect; provided, however, this provision does not apply in New Jersey, but to the extent that New Jersey law is applicable, this Contract will be construed in accordance with New Jersey law.

16. **Limitation of Remedy/No Consequential Damages.** If Owner breaches any of its obligations under this Rental Contract and/or if Vehicle has any mechanical failure or other failure not caused by Renter or AAD(s) and if Owner is liable under applicable law for such breach or Vehicle failure, Owner's sole liability to Renter and AAD(s) and Renter's and AAD(s)' sole remedy is limited to the substitution of another similar Vehicle by Owner to Renter and to recovery by Renter of the pro rata daily rental rate for the period in which Renter or AAD(s) did not have use of Vehicle or substitute Vehicle. **RENTER AND AAD(s) WAIVE ALL CLAIMS FOR CONSEQUENTIAL, PUNITIVE AND INCIDENTAL DAMAGES THAT MIGHT OTHERWISE BE AVAILABLE TO RENTER OR AAD(s). SUCH DAMAGES ARE EXCLUDED AND NOT AVAILABLE TO RENTER OR AAD(s).** The foregoing does not waive Renter's and/or AAD(s)' claims in New Jersey based upon personal injuries that result from Owner's negligent, reckless or intentional acts, and does not release Owner from any implied warranty of fitness applicable under New Jersey law. Renter further acknowledges that any personal data or information downloaded or transferred to Vehicle may not be secure and may be accessible after the Rental Period. Renter releases Owner from any liability resulting from or otherwise arising out of any such data or information being accessed and/or utilized by a third party; provided, however, that the foregoing shall not apply if such access or use is the result of Owner's negligent, reckless or intentional acts.

17. **Optional Loss Damage Waiver (LDW). LDW IS NOT INSURANCE. THE PURCHASE OF LDW IS OPTIONAL AND NOT REQUIRED IN ORDER TO RENT A VEHICLE.** Renter may purchase optional LDW from Owner for an additional fee. If Renter purchases LDW, Owner agrees, subject to the actions that invalidate LDW listed below, to contractually waive Renter's responsibility for all or part of the cost of damage to, loss or theft of, Vehicle or any part or accessory and related costs regardless of fault or negligence, depending on the LDW plan chosen. Notwithstanding anything to the contrary and unless prohibited by law, LDW DOES NOT PROVIDE PROTECTION FOR LOST OR DAMAGED KEYS, KEY FOBS, TRANSPONDERS, ELECTRIC VEHICLE CHARGING CABLES, OPTIONAL ACCESSORIES OR ANY LIABILITIES IMPOSED BY LAW. LDW does not apply to damage occurring in Mexico.

When deciding whether or not to purchase LDW, Renter may wish to check with Renter's insurance representative or credit card company to determine whether, in the event of damage to, or theft of, Vehicle, Renter has coverage or protection for such damage or theft and the amount of Renter's deductible or out-of-pocket risk.

The following actions shall invalidate LDW:

a. if vehicle is damaged when used or driven:

 - c. if Vehicle's interior components are stolen or damaged when Vehicle is unlocked or keys are not secured; or
 - d. if renter fails or refuses to provide Owner, police, or other authorities with a full report of any accident or vandalism involving Vehicle or otherwise fails to cooperate with Owner, police, or other authorities in the investigation of any accident or vandalism; or
 - e. if Vehicle is stolen and Renter fails to do any of the following: (1) return the original ignition key(s) and Owner's key tag identifying Vehicle; (2) file a police report within 24 hours after discovering the theft; (3) cooperate fully with Owner, police and other authorities in all matters connected with the investigation of the theft; (4) ensure that Vehicle's ignition is turned off at the time Vehicle is stolen..

23. Dispute Resolution Provision - Mandatory Arbitration Agreement: RENTER AND OWNER EACH WAIVE THEIR RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION PURSUANT TO THE FOLLOWING TERMS. RENTER AND OWNER AGREE TO ARBITRATE ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES OF ANY KIND ("CLAIMS") AGAINST EACH OTHER ARISING OUT OF OR RELATING IN ANY WAY TO THIS CONTRACT, INCLUDING BUT NOT LIMITED TO, CLAIMS RELATING TO OWNER'S PRODUCTS AND SERVICES, COMMUNICATIONS WITH RENTER, CHARGES, ADVERTISINGS, OR RENTAL VEHICLES. FOR THE PURPOSES OF THIS DISPUTE RESOLUTION PROVISION, "RENTER" ALSO INCLUDES ANY AUTHORIZED DRIVER UNDER THE CONTRACT, AND ANY OF RENTER'S AGENTS, BENEFICIARIES OR ASSIGNS, OR ANYONE ACTING ON BEHALF OF THE FOREGOING, AND "OWNER" ALSO INCLUDES ANY OF ITS EMPLOYEES, AGENTS, AFFILIATES, PARENTS, SUBSIDIARIES, BENEFICIARIES, ASSIGNS, AND VENDORS, INCLUDING BUT NOT LIMITED TO ITS SERVICE PROVIDERS AND MARKETING PARTNERS. RENTER AND OWNER AGREE THAT NO CLAIMS WILL BE PURSUED OR RESOLVED AS PART OF A CLASS ACTION, PRIVATE ATTORNEY GENERAL OR OTHER REPRESENTATIVE ACTION OR PROCEEDING, THAT NO ARBITRATION FORUM WILL HAVE JURISDICTION TO DECIDE ANY CLAIMS ON A CLASS-WIDE, COLLECTIVE, OR CONSOLIDATED BASIS, AND THAT NO RULES OR OTHER PROCEDURES FOR CLASS-WIDE OR COLLECTIVE ARBITRATION WILL APPLY.

This Dispute Resolution Provision is to be broadly interpreted and applies to all Claims based in contract, tort, statute, or any other legal theory, and all Claims that arose prior to or after termination of the Rental Contract. However, the Renter and Owner agree that Renter or Owner may bring an individual action in a small claims court with valid jurisdiction, provided that the action remains in that

court (other than any appeal of the small claims court ruling), is made on behalf of or against Renter only and is not made part of a class action, private attorney general action or other representative or collective action. The Renter and Owner also agree that claims against or by a third-party insurance company ostensibly providing coverage to Renter or any AAD or the application of Owner's financial responsibility relating to the use or operation of Vehicle may be brought in a court with valid jurisdiction.

(1) Procedure. Renter or Owner, as applicable, must send a written Notice of Dispute ("Notice") describing (a) the nature and basis of the claim; and (b) the relief sought, to Renter or Owner, as applicable. The Notice to Owner should be addressed to: CT Corporation, 208 S LaSalle, Suite 814, Chicago, IL 60604 ("Notice Address"). If Owner and Renter do not resolve the claim within thirty (30) days after the Notice is received, Renter or Owner may commence an arbitration by filing a demand for arbitration with the American Arbitration Association ("AAA") pursuant to its Consumer Arbitration Rules. Claims will be resolved pursuant to the AAA's Consumer Arbitration Rules in effect at the time of the demand, as modified by this agreement. However, a single arbitrator will be selected according to AAA's Commercial Arbitration Rules. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request by Renter or by Owner that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient to both parties with due consideration of their ability to travel and other pertinent circumstances. If Renter and Owner are unable to agree on a location, such determination should be made by the AAA or by the arbitrator. The AAA rules are available online at www.adr.org. Except as required by law, neither Renter nor Owner nor an arbitrator may disclose the existence, content or results of any dispute or arbitration hereunder without the prior written consent of Renter and Owner.

(2) Arbitrator's Authority: The arbitrator is bound by this Contract, the Federal Arbitration Act ("FAA") and AAA's Consumer Arbitration Rules. The arbitrator has no authority to join or consolidate claims, or adjudicate joined and consolidated claims. The arbitrator has exclusive authority to resolve any dispute relating to the scope, interpretation, applicability, enforceability or formation of this Contract, including whether it is void. The parties agree that the arbitrator's decision and award will be final and binding and may be confirmed or challenged in any court with jurisdiction as permitted under the FAA. The arbitrator can award the same damages and relief as a court, but only in favor of an individual claimant, whether Renter or Owner.

(3) Arbitration Costs: Renter will be responsible for his/her share of any arbitration fees (e.g., filing, administrative, etc.), but only up to the amount of filing fees Renter would incur if the claims were filed in court. Owner will be responsible for all additional arbitration fees. Renter is responsible for all other costs/fees that it incurs in arbitration, e.g., fees for attorneys, expert witnesses, etc. Renter will not be required to reimburse Owner for any fees unless the arbitrator finds that the substance of Renter's claim(s) or the relief sought is frivolous. If the arbitrator makes such a finding, AAA Rules will govern the payment of all fees, and Owner may seek reasonable attorney's fees. Owner will pay all fees and costs it is required by law to pay.

(4) Governing Law and Enforcement: Notwithstanding anything in paragraph 22, this Dispute Resolution Provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the FAA, 9 U.S.C. §§ 1- 16. This Dispute Resolution Provision was drafted in compliance with the laws in all states, however, if any portion of it is deemed to be invalid or unenforceable or is found not to apply to a claim, the remainder of this Dispute Resolution Provision remains in full force and effect. Except, if the class-arbitration waiver provision is deemed unenforceable, any class action claim(s) must proceed in a court of competent jurisdiction.

24. DISPUTE RESOLUTION PROVISION – (THIS PROVISION DOES NOT APPLY TO RENTAL TRANSACTIONS ORIGINATING OUT OF THE PROVINCE OF QUEBEC) - MANDATORY ARBITRATION CONTRACT (CANADIAN RESIDENTS ONLY): RENTER AND OWNER EACH WAIVE THEIR RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION PURSUANT TO THE FOLLOWING TERMS. RENTER AND OWNER AGREE TO ARBITRATE ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES OF ANY KIND ("CLAIMS") AGAINST EACH OTHER ARISING OUT OF OR RELATING IN ANY WAY TO THIS CONTRACT, INCLUDING BUT NOT LIMITED TO, CLAIMS

RELATING TO OWNER'S PRODUCTS AND SERVICES, COMMUNICATIONS WITH RENTER, CHARGES, ADVERTISEMENTS, OR RENTAL VEHICLES. FOR THE PURPOSES OF THIS DISPUTE RESOLUTION PROVISION, "RENTER" INCLUDES ANY AUTHORIZED DRIVER UNDER THE CONTRACT, AND ANY OF RENTER'S AGENTS, BENEFICIARIES OR ASSIGNS, OR ANYONE ACTING ON BEHALF OF THE FOREGOING, AND "OWNER" INCLUDES ANY OF OWNER'S EMPLOYEES, AGENTS, AFFILIATES, PARENTS, SUBSIDIARIES, BENEFICIARIES, ASSIGNS, AND ITS SERVICE PROVIDERS AND MARKETING PARTNERS. RENTER AND OWNER AGREE THAT NO CLAIMS WILL BE PURSUED OR RESOLVED AS PART OF A CLASS ACTION OR OTHER REPRESENTATIVE ACTION OR PROCEEDING, THAT NO ARBITRATION FORUM WILL HAVE JURISDICTION TO DECIDE ANY CLAIMS ON A CLASSWIDE, COLLECTIVE, OR CONSOLIDATED BASIS, AND THAT NO RULES FOR CLASS- WIDE OR COLLECTIVE ARBITRATION WILL APPLY.

This Dispute Resolution Provision is to be broadly interpreted and applies to all Claims based in contract, tort, statute, or any other legal theory, and all Claims that arose prior to or after termination of the Rental Contract. However, Renter and Owner agree that Renter or Owner may bring an individual action in a small claims court with valid jurisdiction, provided that the action remains in that court, is made on behalf of or against Renter only and is not made part of a class action, or other representative collective action. The Renter and Owner also agree that claims involving a third-party insurance company ostensibly providing coverage to Renter or any AAD or the application of Owner's financial responsibility relating to the use or operation of Vehicle may be brought in a court with valid jurisdiction.

(1) Procedure. Renter and Owner, as applicable, must send a written Notice of Dispute ("Notice") describing (a) the nature and basis of the claim; and (b) the relief sought, to Renter or Owner. The Notice to Owner should be addressed to: Baker & McKenzie LLP, Brookfield Place, Suite 2100, 181 Bay Street (PO Box 874), Toronto, Ontario Canada - M5J 2T3 ("Notice Address"). If Renter and Owner do not resolve the claim within thirty (30) days after the Notice is received, Renter or Owner may commence an arbitration by filing a Notice of Arbitration with the International Centre for Dispute Resolution Canada ("ICDR Canada") pursuant to its ICDR Canada Arbitration Rules. Claims will be resolved pursuant to the ICDR Canada's Arbitration Rules in effect at the time of the Notice of Arbitration, as modified by this agreement. The number of arbitrators shall be one. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request of Renter or Owner that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient to both Renter and Owner. If Renter and Owner are unable to agree on a location, such determination shall be made by the arbitrator or ICDR Canada. The ICDR Canada Arbitration Rules are available online at www.icdr.org. The language of the arbitration shall be English. Except as may be required by law, neither a party nor its representatives may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of Renter and Owner.

(2) Arbitrator's Authority: The arbitrator is bound by this Contract, the applicable domestic arbitration act ("domestic arbitration act") and ICDR Canada's Arbitration Rules. The arbitrator has no authority to join or consolidate claims, or adjudicate joined and consolidated claims. The arbitrator has exclusive authority to resolve any dispute relating to the scope, interpretation, applicability, enforceability or formation of this agreement, including whether it is void. Renter and Owner agree that the arbitrator's decision and award will be final and binding. The arbitrator can award the same damages and relief as a court, but only in favor of an individual claimant, whether Renter or Owner.

(3) Arbitration Costs: Renter will be responsible for Renter's share of any arbitration fees (e.g., filing, administrative, etc.), but only up to the amount of filing fees Renter would incur if the claims were filed in court. Owner will be responsible for all additional arbitration fees. Renter is responsible for all other costs/fees that Renter incurs in arbitration, e.g., fees for attorneys, expert witnesses, etc. Renter will not be required to reimburse Owner for any fees unless the arbitrator finds that the substance of Renter's claim(s) or the relief sought is frivolous. If the arbitrator makes such a finding, ICDR Canada Arbitration Rules will govern the payment of all fees, and Owner may seek reasonable attorney's fees.

Owner will pay all fees and costs it is required by law to pay.

(4) Governing Law and Enforcement: The domestic arbitration act of the provincial or territorial judicial district of the Rental Location applies to this Dispute Resolution Provision and governs whether a claim is subject to arbitration. If any portion of the Dispute Resolution Provision is deemed to be invalid or unenforceable or is found not to apply to a claim, the remainder of the Dispute Resolution Provision remains in full force and effect. Except, if the class-arbitration waiver provision is deemed unenforceable, any class action claim(s) must proceed in a court of competent jurisdiction.

FOR RENTALS ORIGINATING IN MARYLAND

Notice: This contract offers, for an additional charge, a collision damage waiver to cover your responsibility for damage to the automobile. Before deciding whether to purchase the collision damage waiver, you may wish to determine whether your own automobile insurance affords you coverage for damage to the rental automobile and the amount of the deductible under your own insurance coverage. The purchase of this collision damage waiver is not mandatory and may be waived. Maryland law requires that all Maryland residents' insurance policies with collision coverage automatically extend that collision coverage to passenger cars rented by the insureds named in the policy for a period of 30 days or less.

You may not need the automobile insurance offered by Owner. Your automobile insurance policy may provide coverage for your liability while operating a rental vehicle. You should check the terms and conditions of your automobile insurance policy to determine if coverage is provided for the rental. The purchase of insurance is not required as a condition of renting an automobile. In addition, if you are driving the rental vehicle due to an accident or repairs, state law may require your personal automobile liability policy to provide coverage and purchase of any excess liability coverage may duplicate coverage required by

law to be provided by the Owner of the rental vehicle.

If Vehicle is a replacement vehicle as defined in Section 17-104 of the Maryland Transportation Code, the required security on the vehicle being replaced (Renter's/driver's vehicle) is primary, and any required security Owner provides on Vehicle is secondary. If Vehicle is not a replacement vehicle, the coverage maintained by the renter, except for coverage provided by the Maryland Automobile Insurance Fund, is primary coverage on the Owner's confirmation with the insurance carrier that provides coverage to the renter that the insurance maintained by the renter provides valid and collectible coverage in the amounts required under Section 17-103(b) of the Maryland Transportation Code to the Owner's vehicle while it is used as a rental vehicle and any required security Owner provides on Vehicle is secondary.

The Vehicle License Fee Recovery (VLF REC) which is Owner's charge to recover the estimated average per day per vehicle portion of Owner's total annual titling and registration costs imposed by governmental authorities upon Owner or its affiliates for all vehicles in its/their rental fleet within the state in which the rental originates. The VLF REC is not calculated based on the costs imposed upon a particular vehicle.

FOR RENTALS ORIGINATING IN MASSACHUSETTS

NOTICE: This contract offers, for an additional charge, a Collision Damage Waiver to cover your financial responsibility for damage to the rental vehicle. For Massachusetts residents: If you have an automobile policy on your personal vehicle with coverage for collision, your policy will cover collision damage to a rental vehicle, less the deductible on your policy. If you have comprehensive coverage on your vehicle, your policy will cover loss on the rental vehicle caused by fire, theft or vandalism, less the deductible on your policy. Drivers who hold policies in other states should check with their insurance agents to determine whether their policies extend to rental vehicles.

CDW does not cover the following:

- a. Damage or loss caused intentionally, willfully or wantonly by an authorized driver;
- b. Damage or loss occurring while an authorized driver operates the rental vehicle while legally intoxicated or under the influence of any illegal drug or chemical as defined or determined under the law of the state in which the damage occurred;

Owner will not hold Renter liable for any amounts that are recovered from any other party or for damages incurred by Owner for the loss of use of Vehicle and related administrative fees. Upon the request of Renter, Owner shall submit any claims to Renter's insurance carrier and will negotiate with Renter's insurance carrier.

The inspection must be completed within 7 business days of the return date of Vehicle. If Renter or his/her insurer does not request this inspection within the 72-hour period, Renter or his/her insurer will be deemed to have waived this right. If Owner determined the damaged Vehicle to be a total loss and subject to salvage, such 72-hour period for notification or waiver of the wish to inspect the damaged Vehicle shall not apply, and such right to inspect the damaged Vehicle shall expire 10 business days from Renter's receipt of an incident report form and notice from Owner. Upon request of Renter or his/her insurer, Owner will provide (i) the identity of the repairer of, and provide access to, the damaged Vehicle in order to verify the nature and extent of damages, repairs and repair costs, and/or repair estimates; and (ii) a copy of Owner's estimate of the costs of repairing the damaged Vehicle. Twenty days prior to commencing an action against Renter, Owner will provide Renter an additional opportunity to provide the incident report by providing a second notice along with another incident report by certified mail, return receipt requested, and another copy of such notice and report by regular mail, with proof of mailing by production of a certificate of mailing; and if Renter provides Owner with a completed incident report within fifteen days of the receipt of the notice, the applicable provisions of the NY General Business Law shall be satisfied. - B.** This is excess insurance and only applies to those coverages for which underlying limits of liability are shown on the Declarations of this policy.
- C.** Subject to **A.** & **B.** above, we will pay for the amounts of "loss"
 - 1. Exceeding the limits of liability of all "Underlying Insurance" stated in **ITEM 5** of the Declarations but only for the hazards insured in such "Underlying Insurance" and
 - 2. Only up to the limit of liability stated in the Declarations of this policy as our limits of liability.
- D.** When the obligations of Underlying Insurers or Self-Insurers to defend you against suits or reimburse you for defense fees, costs, and expenses you incur stops because a limit of liability has been exhausted, we will pay for the reasonable additional defense fees, costs and expenses you incur in the defense of suits even if the allegations of the suit are groundless, false or fraudulent. Our duty to defend or settle ends when the Limit of Liability has been exhausted

by payment of judgments or settlements. Defense fees, costs, and expenses, whether incurred by us or by you and which are covered under this policy, are in addition to our limit of liability.

- E. All provisions of the immediate "Underlying Insurance" are considered as part of this policy except any obligation to investigate, defend or pay for such costs and expenses of your defense.

A. Coverage is effective when an "Insured" takes possession of the "Rental Vehicle" and ends the earlier of:

2. Any employee, representative or family member of the "Rental Agency"; or
3. Any driver who is not an "Authorized Driver" under the terms of the "Rental Agreement", or whose name does not appear on the "Rental Agreement".

B. The "bodily injury" liability limit for each person as set forth in the Declarations, and anywhere else in the Policy, is the limit of our liability for all damages arising out of "bodily injury" sustained by one person as a result of any one occurrence. Such notice shall be deemed notice to Empire Fire and Marine Insurance Company. Additionally, each involved "Insured" must fully cooperate in the investigation, settlement or defense of the "loss". Failure to give any notice required by this

policy within the time prescribed shall not invalidate any claim made by the "Insured" or by any other claimant if it shall be shown such notice was given as soon as reasonably possible.

- B. Premium:** The premium for this policy shall be as stated in the Declarations.
- C. Expenses:** If, at our request an "Insured" has incurred attorney fees, court costs or other expenses including interest in the investigation or defense of claims, suits, or other legal proceedings, we will be responsible for payment of them. - D. Subrogation:** In the event of any payment under this policy, we shall participate with any "Insured" and any Underlying Insurer or Self-Insurer in the exercise of all of an "Insured's" rights of recovery against any person or organization liable therefore. That "Insured" must cooperate in the transfer of control of said claims and suits. We agree to take such steps, as we deem appropriate, to avoid a default in, or continue the defense of, such suits until such transfer is completed, provided the appropriate "Insured" is cooperating in completing such transfer. We will take no action whatsoever with respect to any claim or suit seeking damages that would have been subject to that limit, had it not been used up, if the claim or suit is reported to us after that limit of insurance has been used up.

SUPPLEMENTAL LIABILITY INSURANCE SUMMARY

Throughout this policy the words "we", "us" or "our" refer to the Insurance Company. The words "you" or "your" refer to the Insured. In addition, certain words or phrases identified by quotation marks are defined in SECTION III - DEFINITIONS.

SECTION I - LIABILITY INSURANCE

A. COVERAGE

1. This policy provides excess auto liability insurance and only applies to a "loss" involving "bodily injury" and "property damage" caused by an "accident" and resulting from the use of a covered "rental vehicle" for which underlying limits are provided by either the "policyholder" or "rentee".
2. We will indemnify any "insured" for such "loss" in excess of the "underlying insurance" for which this coverage applies, during the "coverage period", provided our liability shall apply only to the "ultimate net loss" in excess of such "underlying insurance".
3. We have no duty to defend any claim or suit made or brought against you if your "underlying insurance" has a duty to defend. However, we have the right and shall be given the opportunity to investigate and be associated in the defense and trial of any claim, suit or proceeding which in our opinion may create a liability on our part under this policy. If we exercise this right, we will assume our proportionate share of all court costs, legal fees, investigation costs and interest incurred with our consent. We will not defend any suit or make additional payments after we have paid or tendered our limit of liability for this coverage.

C. LIMIT OF INSURANCE

Regardless of the number of "insureds", "rental vehicles", premiums paid, or claims made, the most we will pay for "ultimate net loss" is the difference between the limits of liability provided by the "underlying insurance" and the "supplemental rental liability insurance" limit shown in the Declarations.

Following payment of an Insured's claim for loss or damage, the Company shall be subrogated to the extent of the amount of such payment, to all of the rights and remedies of the Insured against any party in respect of such loss or damage, and shall be entitled at its own expense to sue in the name of the Insured. The Insured shall give the Company all such assistance as is reasonably required to secure its rights and remedies, including the execution of all documents necessary to enable the Company to bring suit in the name of the Insured.

6.2 *Waiver*

The Company shall be deemed not to have waived any condition of the Policy, either in whole or in part, unless the waiver is clearly expressed in writing and signed by the Company. Any express waiver by the Company of any requirements of the Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any provision of the Policy will not operate as a waiver or amendment of that provision.

6.3 *Limitation of Actions*

No action at law or in equity may be brought to recover on benefits under the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the Policy is absolutely barred unless commenced within the greater of:

- 1) the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan) or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*; or
- 2) three years after the time written proof of loss is required to be furnished.

6.10 Conformity with Applicable Law

Any provision of the Policy, which is in conflict with any federal, provincial, territorial or other applicable law of an Insured's place of residence, is hereby amended to conform to the minimum requirements of that law.

The Company will not be liable to provide any coverage or make any payment hereunder if to do so would be in violation of any sanctions law or regulation which would expose the Company, its parent company or its ultimate controlling entity to any penalty under any sanctions law or regulation.

The Policy will not cover any loss, injury, damage or legal liability arising directly or indirectly from planned or actual travel in, to, or through Iran, Syria, Sudan, North Korea or the Crimea region.

CLAIM AND PAYMENT OF BENEFITS PROCEDURE

When should you notify the Company of a claim?

The insured shall notify the Company immediately after being aware of a loss, or an occurrence which may lead to a loss under any of these insurance benefits.

A notice to Enterprise is not considered a notice to the Company.

What should this notice include?

The notice must include: the insured's name, the renter's name and the location of the office where the rental vehicle was rented; the time, place and circumstances of the Accident; and the names and addresses of witnesses and potential claimants. The insured will then be sent a claim form.

Where the loss is due or appears to be due to theft, burglary, robbery, malicious mischief or disappearance of personal effects, the insured must give immediate notice thereof to the police or other authorities having jurisdiction.

When do you have to return the claim form?

The insured shall then give written notice of claim (on a claim form or other written notification) to the Company not later than 30 days after the occurrence or commencement of any loss covered by the policy or as soon thereafter as is reasonably possible, but in all events must be provided no later than 90 days from the date of loss. Written notice given by or on behalf of the claimant or the beneficiary to the Company with information sufficient to identify the insured, shall be deemed a notice of claim.

The appropriate claim forms, including a copy of the rental agreement, together with written proof of loss, must be delivered as soon as reasonably possible, but in all events within one year from the date that the loss occurred.

When will the Company pay the benefits?

Benefits payable under the policy will be paid upon receipt of full written proof of loss, as determined by the Company. The Company is required to pay the benefits within 60 days of receipt of the relevant information and full written proof of loss.

What can you do in the event the Company denies your claim?

If your claim is denied, you will receive a call from the Company explaining why the claim is not payable. You will be given the opportunity to submit additional documentation to support your claim at which time the Company will review the additional information and provide you with a final decision.

Please refer to Section 6 of the insurance policy for all the details pertaining to the claim procedure and the payment of benefits provided for in the insurance policy.

Si plusieurs pertes résultent d'un même accident, un seul montant, le plus élevé, sera versé.

La perte subie par une personne assurée résultant d'une exposition inévitable aux éléments à la suite d'un accident est couverte dans la limite des prestations prévues par l'attestation d'assurance.

Si le corps d'une personne assurée n'a pas été retrouvé dans l'année qui suit la disparition, le naufrage, l'atterrissage forcé, l'échouement ou la destruction d'un véhicule de transport dans lequel elle était un occupant, cette personne sera réputée avoir subi une perte de vie.

Montant de garantie par période d'assurance

Le montant maximal des prestations payables à l'ensemble des assurés pour tout accident couvert est de 500 000 \$, et ce, quel que soit le nombre de personnes impliquées.

3.2 Réadaptation/rééducation professionnelle

Si une personne assurée subit une blessure entraînant une perte (autre que la perte de Vie) pour laquelle la compagnie a versé une prestation indiquée dans le tableau des prestations aux termes de la section 3.1, la compagnie paiera les frais raisonnables et nécessaires réellement engagés pour la réadaptation/rééducation professionnelle de cette personne, jusqu'à concurrence de 20 000 \$ par personne assurée.

Réadaptation/rééducation professionnelle, tel qu'utilisé dans la présente garantie, désigne : les frais de traitement par un thérapeute autorisé, agréé ou certifié pour fournir un tel traitement; les frais de traitement par un éducateur spécialisé; ou les frais d'hospitalisation dans un établissement pour recevoir un tel traitement, afin de procéder à la réadaptation ou à la rééducation professionnelle de la personne assurée pour un travail dans toute profession rémunérée, y compris la profession habituelle de la personne assurée.

3.3 Rapatriement médical et rapatriement de la dépouille

Rapatriement médical

Si, dans l'année qui suit la date de l'accident, le médecin traitant est d'avis qu'il est souhaitable d'un point de vue médical de transférer la personne assurée dans un hôpital qui se trouve plus près de son lieu de résidence permanente, la compagnie remboursera les frais raisonnables engagés pour ce transport, jusqu'à concurrence de 20 000 \$ pour le locataire et de 10 000 \$ par passager du véhicule de location.

Rapatriement de la dépouille

Si, des suites d'une blessure, une personne assurée subit une perte de vie alors qu'elle se trouve à l'extérieur d'un rayon de 150 kilomètres de son lieu de résidence permanente, la compagnie paiera les frais couverts raisonnablement engagés pour rapatrier son corps à son lieu de résidence permanente, sans toutefois dépasser 20 000 \$ pour le locataire et 10 000 \$ par passager du véhicule de location.

Les frais couverts sont ceux engagés pour : (1) l'embaumement ou la crémation; (2) les cercueils ou réceptacles les plus économiques et adéquats pour le transport de la dépouille; et (3) le transport de la dépouille par le véhicule de transport et l'itinéraire les plus directs et économiques possibles.

3.4 Évacuation d'urgence

La compagnie paiera, sous réserve des limites énoncées aux présentes, les frais d'évacuation d'urgence raisonnablement engagés si la personne assurée subit une blessure ou une maladie urgente qui justifie son évacuation d'urgence alors qu'elle se trouve à l'extérieur d'un rayon de 150 kilomètres de son lieu de résidence permanente, sans toutefois dépasser 50 000 \$ par assuré et par période d'assurance.

Le médecin qui ordonne l'évacuation d'urgence doit certifier que la gravité de la blessure ou de la maladie urgente de la personne assurée justifie son évacuation d'urgence. Toutes les dispositions de transport nécessaires à l'évacuation d'urgence doivent être prises par le véhicule de transport et l'itinéraire les plus directs et les plus économiques possibles.

La compagnie doit prendre toutes les dispositions et autoriser tous les frais à l'avance pour que les prestations d'évacuation d'urgence soient payables. Évacuation d'urgence, tel qu'utilisé dans la présente garantie, désigne, si la gravité de la blessure ou de la maladie urgente de la personne assurée le justifie : (1) le transport immédiat de la personne assurée de l'endroit où elle subit la blessure ou la maladie urgente jusqu'à l'hôpital ou à l'établissement médical le plus proche où elle peut obtenir un traitement médical approprié; (2) le transport de la personne assurée jusqu'à son lieu de résidence permanente pour obtenir un traitement médical supplémentaire dans un hôpital ou un autre établissement médical, ou pour se rétablir après avoir subi une blessure ou une maladie urgente et avoir été traitée dans un hôpital ou un autre établissement médical local; ou (3) les deux cas décrits aux sous-alinéas (1) et (2) ci-dessus. Frais d'évacuation d'urgence, tel qu'utilisé dans la présente garantie, désigne les frais: (1) qui sont facturés pour un service d'évacuation d'urgence médicalement nécessaire; (2) qui ne dépassent pas le niveau habituel des frais pour un transport, un traitement, des services ou des fournitures similaires dans la localité où les frais sont engagés; et (3) excluant les montants qui n'auraient pas été engagés ou facturés en l'absence d'assurance.

Maladie urgente, tel qu'utilisé dans la présente garantie, désigne une maladie diagnostiquée par un médecin qui répond à tous les critères suivants : (1) il y a présence d'un symptôme grave ou aigu exigeant des soins immédiats et le fait de ne pas obtenir ces soins pourrait raisonnablement entraîner une détérioration grave de l'état de santé de l'assuré ou mettre sa vie en danger; (2) le symptôme grave ou aigu survient de façon soudaine et inattendue; et (3) le symptôme grave ou aigu survient pendant que l'attestation d'assurance est en vigueur et qu'elle couvre l'assuré qui souffre du symptôme.

Service d'évacuation d'urgence médicalement nécessaire, tel qu'utilisé dans la présente garantie, désigne tout(e) transport, traitement médical, service médical ou fourniture médicale qui : (1) constitue une partie essentielle d'une évacuation d'urgence en raison de la blessure ou de la maladie urgente pour laquelle il/elle est prescrit(e) ou effectué(e); (2) répond aux normes de pratique médicale généralement acceptées; et (3) soit est ordonné(e) par un médecin et effectué(e) sous ses soins, sa supervision ou son ordre, soit est exigé(e) par les règlements usuels du véhicule transportant l'assuré.

L'exclusion 2 de la section 5.2 ne s'applique pas à cette garantie.

Montant de garantie par période d'assurance pour les frais médicaux et dentaires combinés en cas d'accident	10 000 \$

Frais médicaux en cas d'accident

La compagnie paiera les frais médicaux couverts raisonnables et habituels décrits ci-dessous, pour soigner une blessure subie par la personne assurée survenue à la suite d'un accident, à condition que les premiers frais soient engagés dans les 30 jours suivant la date de l'accident. Tous les frais, traitements, services et fournitures décrits ci-dessous doivent être : (1) médicalement nécessaires : (2) engagés dans les 365 jours suivant la date de l'accident; et (3) recommandés, approuvés et engagés sous la direction du médecin traitant de la personne assurée. 2. les honoraires d'un médecin et les soins dispensés par une infirmière diplômée autorisée (IA), une infirmière auxiliaire autorisée ou une infirmière praticienne;
3. les frais médicaux, à l'intérieur ou à l'extérieur de l'hôpital pour : les anesthésies, y compris l'administration d'anesthésiques; le service d'ambulance (à destination et en provenance de l'hôpital); les membres et les yeux artificiels (à l'exclusion de leur réparation ou remplacement); la diathermie; les essais en laboratoire; les médicaments sur ordonnance; les appareils prothétiques; la radiothérapie; la physiothérapie; et les transfusions;
4. les radiographies, IRM, tomodensitométries et autres procédures d'examen similaires prescrites par un médecin;
5. les soins à domicile;
6. les appareils orthopédiques et orthodontiques; et
7. les thermothérapies, les ajustements, les manipulations, les massages ou toute forme de physiothérapie en dehors d'un hôpital.

La garantie des frais médicaux en cas d'accident s'applique de façon excédentaire à tout régime d'assurance-maladie fédéral ou provincial.

Médicalement nécessaire, tel qu'utilisé dans la présente garantie, désigne le fait qu'un service ou une fourniture est nécessaire et approprié pour le diagnostic ou le traitement de la blessure, selon la pratique médicale courante généralement acceptée.

Professionnel des soins à domicile, tel qu'utilisé dans la présente garantie, désigne un infirmier, un travailleur social, un aide à domicile, un physiothérapeute, un orthophoniste, un inhalothérapeute, un ergothérapeute, un spécialiste de la chimiothérapie, un spécialiste de l'entérostomie, un spécialiste de la nutrition parentérale totale ou tout autre professionnel que la compagnie considère objectivement comme fournissant des soins à domicile appropriés. Toutefois, pour que le fournisseur de soins soit considéré comme un professionnel de soins à domicile aux termes de l'attestation d'assurance, il : (a) doit être dûment autorisé ou certifié, conformément à toutes les lois et réglementations applicables, à fournir les soins que la personne assurée reçoit; et (b) ne doit pas être un membre de la famille immédiate de la personne assurée.

Soins à domicile, tel qu'utilisé dans la présente garantie, désigne les services de soins infirmiers et autres soins de santé à domicile fournis à une personne assurée à son lieu de résidence : (a) en raison d'une blessure; (b) par un professionnel des soins à domicile; (c) au lieu d'une hospitalisation dans un hôpital; et (d) conformément à une ordonnance écrite et à un plan de soins établi par le médecin traitant, lequel plan est revu et approuvé par le médecin traitant actuel au moins une fois par mois. Ce médecin doit certifier, pour tous les soins à domicile couverts par l'attestation d'assurance, qu'à son avis, l'hospitalisation dans un hôpital serait nécessaire en l'absence de ces soins à domicile.

Frais dentaires en cas d'accident

La compagnie paiera les frais dentaires couverts raisonnables et habituels décrits ci-dessous, pour soigner une blessure subie par la personne assurée à la suite d'un accident, à condition que les premiers frais soient engagés dans les 30 jours suivant la date de l'accident. Tous les frais, traitements, services et fournitures décrits ci-dessous doivent être engagés dans les 365 jours suivant la date de l'accident. Le montant de la prestation ne pourra dépasser le maximum par dent, et le montant de garantie par période d'assurance pour les soins médicaux et dentaires combinés en cas d'accident indiqués dans le tableau ci-dessus.

Frais dentaires couverts

- le traitement, la réparation ou le remplacement des dents par un dentiste ou un chirurgien-dentiste qualifié; et
- les radiographies buccales prescrites par un dentiste ou un chirurgien-dentiste pour le contrôle des dents, des ponts ou des prothèses dentaires.

3.6 Hospitalisation

Si, des suites d'une blessure, une personne assurée subit une perte (autre que la perte de Vie) pour laquelle la compagnie a versé une prestation indiquée dans le tableau des prestations de la section 3.1 et qu'à la suite de cette perte, la personne assurée est, conformément aux instructions d'un médecin, hospitalisée dans un hôpital pour plus de cinq nuits consécutives, la compagnie versera une prestation forfaitaire de 5 000 \$ par assuré et par période d'assurance.

Section 4 : Assurance des effets personnels

Les prestations seront versées jusqu'au montant maximal indiqué ci-dessous, si les effets personnels d'une personne assurée qui sont sous la garde et le contrôle d'un assuré sont perdus, volés ou endommagés en cours de transport, ou pendant qu'ils se trouvent dans un hôtel ou un autre type de bâtiment (autre que la résidence personnelle de la personne assurée) ou dans le véhicule de location, au cours de la période d'assurance.

La compagnie ne paiera pas plus que le moindre des montants suivants aux termes de la présente assurance des effets personnels :

1. le coût de remplacement des effets personnels au moment de la perte, sans déduction pour l'amortissement;
2. le coût total de la réparation des effets personnels au moment de la perte; ou
3. 1 750 \$ par assuré.

Le montant maximum des prestations totales qui seront payables par période d'assurance pour l'ensemble des personnes assurées est de 8 750 \$, et ce, quel que soit le nombre de personnes impliquées.

Section 5 : Limitations et exclusions

5.1 Limitations

Si une personne assurée subit une ou plusieurs pertes à la suite d'un même accident pour lesquelles des montants sont payables aux termes de plus d'une des garanties suivantes prévues par l'attestation d'assurance, le montant maximal payable aux termes de l'ensemble de ces garanties combinées ne pourra dépasser le montant payable le plus élevé pour l'une de ces garanties : la garantie décès par accident et la garantie mutilation par accident.

5.2 Exclusions générales – applicables à la Section 3 – Assurance individuelle contre les accidents

L'attestation d'assurance ne couvre pas les pertes ou les réclamations résultant en totalité ou en partie de l'un ou de plusieurs des éléments suivants :

1. toute blessure auto-infligée intentionnellement, le suicide ou toute tentative de suicide, que la personne commettant l'acte soit saine d'esprit ou non;
2. toute maladie ou infirmité physique, que la perte ou la réclamation résulte directement ou indirectement de la maladie ou de l'infirmité;
3. toute blessure causée par ou attribuable à la perpétration ou la tentative de perpétration d'un crime ou d'une agression par la personne assurée, ou la participation de la personne assurée à un acte de violence, à une désobéissance civile, à un désordre civil, à une émeute ou à une insurrection;
4. toute blessure subie pendant que la personne assurée se trouve à bord (y compris l'embarquement et le débarquement) d'un aéronef comme passager, pilote, membre d'équipage, instructeur de vol, examinateur ou élève-pilote;
5. toute participation à un sport d'équipe professionnel ou toute autre activité sportive professionnelle; ou
6. le fait d'être sous l'influence d'une substance intoxicante ou narcotique, sauf si elle est administrée sur les conseils d'un médecin.

5.3 Exclusions générales – applicables uniquement à la Section 4 – Assurance des effets personnels

En raison de leur nature, certains articles sont exclus de la garantie. Les articles suivants ne sont pas couverts par l'attestation d'assurance en cas de perte ou de dommages :

1. argent et titres; monnaie; pièces de monnaie; titres de propriété; instruments négociables; cartes de débit et de crédit; dents artificielles et ponts dentaires; billets et documents; lentilles de contact et lunettes; prothèses; automobiles, équipements automobiles et leurs pièces; animaux; motocyclettes; bateaux et leurs remorques; véhicules de transport à moteur et autres véhicules de transport; denrées périssables; timbres; lingots; marchandises à vendre ou à exposer; antiquités et objets d'art; meubles de maison ou de bureau; certificats d'action d'une entreprise; postes bande publique, détecteurs de radar; fourrures, bijoux et montres; armes à feu et autres types d'armes.

De plus, l'attestation d'assurance n'accorde pas de garantie pour les pertes ou les dommages résultant en totalité ou en partie de l'un ou l'autre des éléments suivants :

1. l'usure, la détérioration graduelle, les mites, la vermine, le vice propre ou les dommages subis en raison d'un processus quelconque ou pendant que l'on y travaille;
2. le transport de contrebande ou le commerce illégal;
3. les pertes ou dommages dus à une disparition inexplicquée ou inexplicable, ou à un vol, à moins qu'ils ne soient signalés à la police ou à une autre autorité compétente;
4. tout(e) incident ou explosion nucléaire, à l'exception des pertes ou dommages consécutifs qui résultent directement d'un incendie, de la foudre ou d'une explosion de gaz naturel, de gaz de charbon ou de gaz manufacturé, ou d'une contamination par des matières radioactives; et
5. toute confiscation par ordre d'un gouvernement ou d'une autorité publique;
6. tout vol ou endommagement des effets personnels de l'assuré qui était anticipé ou prévu par l'assuré; et
7. un retard, une perte de marché, une perte indirecte ou consécutive de toute nature.

5.4 Exclusions générales – applicables à toutes les garanties

L'attestation d'assurance ne couvre pas les pertes ou les réclamations résultant en totalité ou en partie de l'un ou de plusieurs des éléments suivants :

1. l'utilisation d'un véhicule de location lorsque cette utilisation est en violation des conditions du contrat de location;
2. la conduite du véhicule de location par tout conducteur non autorisé par le contrat de location;
3. toute responsabilité de l'assuré pour les dommages au véhicule de location; et
4. tout(e) guerre, invasion, acte de terrorisme, acte d'un ennemi étranger, hostilité, guerre civile, rébellion, révolution, insurrection ou pouvoir militaire.

Aucune garantie n'est accordée à l'égard de toute perte survenant après le détournement du véhicule loué. Le véhicule de location est réputé avoir été détourné lorsqu'il n'est pas rendu à Enterprise à la date et à l'heure de retour ou à la date de retour prolongée, comme indiqué dans le contrat de location.

Section 6 : Dispositions de Réclamations

6.1 Avis de réclamation et preuve de perte

L'assuré doit aviser la compagnie dès qu'il a connaissance d'une perte ou d'un événement susceptible d'entraîner une perte au titre de l'une des garanties d'assurance. L'avis doit comprendre : le nom de l'assuré, le nom du locataire et l'emplacement du bureau où le véhicule de location a été loué; l'heure, le lieu et les circonstances de l'accident; et les noms et adresses des témoins et des demandeurs potentiels. Un formulaire de réclamation sera ensuite envoyé à l'assuré. Celui-ci devra alors donner un avis de réclamation écrit (à l'aide d'un formulaire de réclamation ou d'un autre type de notification écrite) à la compagnie au plus tard 30 jours après la survenance ou le début de toute perte couverte par la police, ou dès que cela est raisonnablement possible, mais dans tous les cas, l'avis doit être donné au plus tard 90 jours après la date de la perte. Un avis écrit donné par ou au nom du réclamant ou du bénéficiaire à la compagnie avec des informations suffisantes pour identifier l'assuré, sera considéré comme un avis de réclamation. Les formulaires de réclamation appropriés, y compris une copie du contrat de location, ainsi qu'une preuve écrite de la perte, doivent être remis dès que cela est raisonnablement possible, mais dans tous les cas dans un délai d'un an à compter de la date de la perte. Un avis donné à Enterprise ne constitue pas un avis donné à la compagnie.

6.2 Paiement des réclamations

Les prestations payables aux termes de la police seront versées à la réception d'une preuve écrite complète de la perte, telle que déterminée par la compagnie. Les prestations pour perte de vie seront versées à la personne ou aux personnes survivantes de la première des catégories suivantes de bénéficiaires préférentiels successifs qui survivent à l'assuré : le ou la conjoint(e); les enfants, incluant les enfants légalement adoptés; les parents; les frères et sœurs; ou la succession de l'assuré. Si deux personnes ou plus ont droit à des prestations en tant que bénéficiaires privilégiés, le partage se fera à parts égales. Toutes les autres prestations seront payables à l'assuré. La présente police contient une disposition supprimant ou restreignant le droit de l'assuré de désigner des personnes à qui ou au profit desquelles l'argent de l'assurance doit être versé.

6.3 Avis aux autorités

Lorsque le sinistre est dû ou semble être dû à un vol, un cambriolage, un vol qualifié, un acte de malveillance ou une disparition des effets personnels, l'assuré doit en aviser immédiatement la police ou une autre autorité compétente.

6.4 Droit d'examen

La compagnie a le droit de soumettre la personne assurée à un examen, et tout assuré qui présente une réclamation doit en donner l'occasion à la compagnie, à tout moment et aussi souvent que la compagnie peut raisonnablement

l'exiger pendant que la réclamation est en suspens. En cas de perte de vie d'un assuré, la compagnie peut exiger une autopsie sous réserve de toute loi de la province de résidence de l'assuré concernant les autopsies.

6.5 Subrogation

Après le paiement d'une réclamation de l'assuré pour une perte ou un dommage, la compagnie sera subrogée jusqu'à concurrence du montant de ce paiement, à tous les droits et recours de l'assuré contre toute partie en ce qui concerne cette perte ou ce dommage, et aura le droit, à ses propres frais, d'intenter une poursuite au nom de l'assuré. L'assuré doit fournir à la compagnie toute l'assistance raisonnablement requise pour garantir ses droits et recours, y compris la signature de tous les documents nécessaires pour permettre à la compagnie d'intenter une poursuite au nom de l'assuré.

6.6 Diligence raisonnable

L'assuré doit faire preuve de diligence et prendre toutes les mesures raisonnables pour éviter ou diminuer toute perte ou tout dommage aux biens protégés par la police.

6.7 Coopération

Les assurés sont tenus : d'aider la compagnie à obtenir des témoins, des renseignements et des preuves concernant l'accident, et de coopérer avec la compagnie dans toute action en justice si la compagnie le demande; d'envoyer immédiatement à la compagnie tout ce qu'ils reçoivent par écrit concernant la perte, y compris les documents juridiques; de fournir à la compagnie les dossiers et les documents qu'elle demande et de lui permettre d'en faire des copies; et de fournir des déclarations, de se soumettre à des questions sous serment, et de les signer et de prêter serment.

6.8 Réclamation mensongère

Si un assuré présente une réclamation en sachant qu'elle est fausse ou frauduleuse à quelque égard que ce soit, l'assuré n'aura plus droit à cette assurance, ni au paiement de toute réclamation aux termes de la police.

Section 7 : Dispositions Générales

Les présentes dispositions générales s'appliquent à la police dans son intégralité. Vous trouverez dans les différentes sections des conditions et dispositions supplémentaires qui s'appliquent à chacune de ces sections.

7.1 La police

La police entre le titulaire de la police et la compagnie se compose de la police, de l'attestation d'assurance et de toute modification écrite produite par la compagnie. La police peut être changée ou modifiée sans le consentement de tout assuré.

7.2 Renonciation

La compagnie est réputée n'avoir renoncé à aucune condition de la police, que ce soit en totalité ou en partie, à moins que la renonciation ne soit clairement exprimée par écrit et signée par la compagnie. Toute renonciation expresse de la Compagnie à toute exigence de la police ne constituera pas une renonciation continue à ces exigences. Tout manquement de la Compagnie à insister sur le respect d'une disposition de la police ne fonctionnera pas comme une renonciation ou une modification de cette disposition.

7.3 Prescription

Aucune action en justice ou en équité ne peut être intentée pour recouvrer des avantages en vertu de la police avant l'expiration de 60 jours après que la preuve écrite de la perte a été fournie conformément aux exigences de la police.

Toute action ou procédure intentée contre un assureur pour le recouvrement des sommes d'assurance payables aux termes de la police est absolument prescrite, à moins qu'elle ne soit intentée dans les limites du plus élevé des montants suivants :

1) le délai prévu dans la *Loi sur les assurances* (pour les poursuites ou procédures régies par les lois de l'Alberta et de la Colombie-Britannique), la *Loi sur les assurances* (pour les poursuites ou procédures régies par les lois du Manitoba), la *Loi de 2002 sur la prescription* (pour les poursuites ou procédures régies par les lois de l'Ontario), la *Loi sur la prescription* (pour les poursuites ou procédures régies par les lois de la Saskatchewan) ou toute autre loi applicable. Pour les poursuites ou procédures régies par les lois du Québec, la période prescrite est énoncée dans le *Code civil du Québec*. ; ou

2) trois ans après la date à laquelle la preuve écrite de la perte doit être fournie.

7.4 Étendue territoriale

La présente police assure les pertes qui surviennent pendant la période d'assurance au Canada ou aux États-Unis, mais seulement si la perte découle d'un véhicule de location qui est loué au Canada. L'étendue territoriale ne comprend pas le Mexique.

7.5 Intérêt des dépositaires

L'assurance au titre du présent contrat ne profitera en aucune façon, directement ou indirectement, à un transporteur ou à un dépositaire.

7.6 Cession

Ni l'assurance fournie aux termes des présentes ni les prestations payables aux termes des présentes ne peuvent être cédées.

7.7 Aucune participation aux bénéficiaires

L'assuré n'a pas le droit de participer aux bénéficiaires ou aux excédents de la compagnie.

7.8 Monnaie

Toutes les sommes payables aux termes de la présente police sont payables en monnaie ayant cours légal au Canada, sauf indication contraire.

7.9 Loi applicable

La relation entre la compagnie et tout assuré est assujettie aux lois de la province ou du territoire canadien de résidence de l'assuré au moment où la garantie d'assurance aux termes des présentes prend effet.

7.10 Conformité avec la loi applicable

Toute disposition de la présente police qui est incompatible avec une loi fédérale, provinciale, territoriale ou toute autre loi applicable au lieu de résidence d'un assuré est modifiée par la présente de sorte à se conformer aux exigences minimales de cette loi.

La compagnie ne sera pas tenue d'accorder une couverture ou d'effectuer un paiement aux termes des présentes si cela constitue une violation d'une loi ou d'un règlement sur les sanctions qui exposerait la compagnie, sa société mère ou son entité détentrice du contrôle ultime à une pénalité aux termes d'une loi ou d'un règlement sur les sanctions.

La présente police ne couvre pas les pertes, les blessures, les dommages ou la responsabilité civile découlant directement ou indirectement d'un voyage prévu ou réel en Iran, en Syrie, au Soudan, en Corée du Nord ou dans la région de Crimée, ou passant par ces pays.

En signant ci-dessous, la présidente et chef de la direction de l'assureur accepte, au nom de l'assureur, l'ensemble des modalités et conditions de la présente police.

PRODUIT OFFERT AU MOMENT DE LA LOCATION D'UN VÉHICULE

Cette assurance vous est proposée au moment de la location du véhicule, en contrepartie du paiement d'un supplément journalier. La souscription de celle-ci n'est pas obligatoire lors de la location d'un véhicule.

Afin de bénéficier des avantages de la police d'assurance, vous devez y souscrire et payer à Enterprise la prime qui y est rattachée.

PUIS-JE ANNULER LE PRODUIT ET ÊTRE REMBOURSÉ ?

Généralement, lorsque vous achetez un produit d'assurance à l'occasion de la conclusion d'un autre contrat, vous disposez de 10 jours à compter de la date d'achat pour revoir votre police, poser des questions en cas de doute et, si, au cours de ces 10 jours, vous concluez que l'assurance ne fournit pas la couverture que vous recherchez, vous pouvez demander le remboursement intégral de la prime payée.

Votre demande doit être présentée avant la prise de possession du véhicule de location.

PRODUITS SIMILAIRES

Il existe d'autres types de produits sur le marché qui offrent une couverture similaire au Produit et que vous pouvez acheter par vous-même.

N'oubliez pas :

- Tous les montants indiqués dans ce sommaire du produit et dans la police d'assurance sont en dollars canadiens.
- Toutes les couvertures sont par personne (sauf si le contexte indique autrement).
- Vous devez toujours nous fournir des informations complètes et précises. Faire une fausse déclaration ou dissimuler certaines informations importantes, avant ou pendant votre Période d'assurance, peut vous faire perdre votre couverture.
- La plupart des déclarations de sinistre exigent que vous nous fournissiez des pièces justificatives et d'autres preuves. Conservez tous vos reçus, obtenez les confirmations écrites appropriées et communiquez avec nous en temps opportun. Pour plus de détails sur les types de pièces justificatives requises pour chaque type de déclaration de sinistre, veuillez vous référer à la police d'assurance.

CRITÈRES D'ADMISSIBILITÉ – QUI ET QUOI EST COUVERT :

Qui est couvert par ce Produit?

Pour être couvert par le Produit, vous devez être le locataire ou le passager d'un véhicule de location Enterprise. Le locataire du véhicule de location doit avoir souscrit à la police d'assurance et avoir payé la prime qui y est rattachée.

Quels sont les événements couverts?

Le Produit vous assure contre les pertes qui surviennent à l'occasion d'un Accident ou de la perte ou du vol de vos effets personnels pendant la Période d'assurance, mais seulement si la perte découle de l'utilisation, au Canada ou aux États-Unis, d'un véhicule de location loué au Canada.

Pendant combien de temps êtes-vous couvert ?

Vous êtes couvert par le Produit pendant la Période d'assurance.

Le terme Période d'assurance a une signification particulière dans le cadre de la police d'assurance. La « Période d'assurance » désigne la période pendant laquelle le locataire a choisi d'acheter et a payé la couverture aux termes de l'attestation d'assurance, qui correspond ou est égale à la période du contrat de location, et pendant laquelle la police est en vigueur.

Votre couverture prend effet une fois que la prime a été payée à Enterprise par le locataire du véhicule de location, à la plus tardive des dates entre (1) la date/heure indiquée sur le contrat de location; et (2) la date/heure à laquelle l'assuré prend possession du véhicule de location.

Votre couverture prend fin à la première des dates entre (1) la date/heure à laquelle l'assuré rend le véhicule de location, si cette date/heure est antérieure à celle indiquée sur le contrat de location; et (2) la date/heure de retour indiquée au contrat de location.

QUELLES SONT LES PRINCIPALES LIMITATIONS ET EXCLUSIONS DE CE PRODUIT ?

Vous ne serez pas couvert pour certains sinistres ou incidents s'ils sont exclus de la couverture du Produit ou s'ils sont sujets à une limitation. Voici **quelques exemples** de limitations ou d'exclusions contenues dans le Produit. Veuillez vous référer à la police d'assurance pour consulter une liste complète des limitations et exclusions.

Limitations

Exclusions générales – Applicables à toutes les garanties

- Les pertes ou réclamations qui résultent de l'utilisation d'un véhicule de location lorsque cette utilisation est en violation des conditions du contrat de location.
- Les pertes ou réclamations qui résultent de la conduite du véhicule de location par tout conducteur non autorisé par le contrat de location.
- Les pertes ou réclamations qui résultent de toute responsabilité de l'assuré pour les dommages au véhicule de location.

Exclusions générales – Assurance individuelle contre les Accidents

- Toute blessure auto-infligée intentionnellement, le suicide ou toute tentative de suicide, que la personne commettant l'acte soit saine d'esprit ou non;
- Toute maladie ou infirmité physique, que la perte ou la réclamation résulte directement ou indirectement de la maladie ou de l'infirmité.
- Toute blessure causée par ou attribuable à la perpétration ou la tentative de perpétration d'un crime ou d'une agression par la personne assurée, ou la participation de la personne assurée à un acte de violence, à une désobéissance civile, à un désordre civil, à une émeute ou à une insurrection.
- Toute déclaration de sinistre liée au fait d'être sous l'influence d'une substance intoxicante ou narcotique, sauf si elle est administrée sur les conseils d'un médecin.

Exclusions générales – Assurance des effets personnels

- Les pertes ou les dommages à certains articles énumérés à la police d'assurance.
- Les pertes ou les dommages résultant en totalité ou en partie de l'un ou l'autre des éléments suivants : l'usure, la détérioration graduelle, les mites, la vermine, le vice propre ou les dommages subis en raison d'un processus quelconque ou pendant que l'on y travaille.

Vous devez toujours agir de manière prudente et raisonnable, comme si vous n'étiez pas assuré. Sinon, votre couverture peut être limitée ou refusée.

QUELLES SONT LES GARANTIES OFFERTES PAR LE PRODUIT ?

Ce Produit offre plusieurs types de couvertures. Nous en donnons **quelques exemples** ci-dessous. Pour plus de détails sur ce qui est couvert, veuillez vous référer aux sections « Assurance individuelle contre les accidents » et « Assurance des effets

personnels » de la police d'assurance. Veuillez consulter le « Tableau des prestations » de la police d'assurance pour obtenir des informations sur les montants maximums spécifiques couverts.

Décès ou mutilation par Accident

Si vous subissez une blessure dans les 365 jours suivant la date de l'Accident et qu'elle entraîne une perte énumérée au « Tableau des prestations » contenu à la section 3.1 de la police d'assurance, la Compagnie d'assurance AIG du Canada (la « Compagnie ») paiera le montant de la prestation qui y est indiqué. PROCÉDURE DE DÉCLARATION DE SINISTRE ET DE PAIEMENT DES PRESTATIONS

Quand devez-vous aviser la Compagnie d'un sinistre?

L'assuré doit aviser la Compagnie dès qu'il a connaissance d'une perte ou d'un événement susceptible d'entraîner une perte au titre de l'une des garanties d'assurance.

Un avis donné à Enterprise ne constitue pas un avis donné à la Compagnie.

Que doit contenir cet avis?

L'avis doit comprendre : le nom de l'assuré, le nom du locataire et l'emplacement du bureau où le véhicule de location a été loué; l'heure, le lieu et les circonstances de l'Accident; et les noms et adresses des témoins et des demandeurs potentiels. Un formulaire de réclamation sera ensuite envoyé à l'assuré.

Lorsque le sinistre est dû ou semble être dû à un vol, un cambriolage, un vol qualifié, un acte de malveillance ou une disparition des effets personnels, l'assuré doit en aviser immédiatement la police ou une autre autorité compétente.

De quel délai bénéficiez-vous pour retourner le formulaire de réclamation?

L'assuré devra donner un avis de réclamation écrit (à l'aide du formulaire de réclamation ou d'un autre type de notification écrite) à la Compagnie au plus tard 30 jours après la survenance ou le début de toute perte couverte par la police, ou dès que cela est raisonnablement possible, mais dans tous les cas, l'avis doit être donné au plus tard 90 jours après la date de la perte. Un avis écrit donné par ou au nom du réclamant ou du bénéficiaire à la Compagnie avec des informations suffisantes pour identifier l'assuré, sera considéré comme un avis de réclamation.

Les formulaires de réclamation appropriés, y compris une copie du contrat de location, ainsi qu'une preuve écrite de la perte, doivent être remis dès que cela est raisonnablement possible, mais dans tous les cas dans un délai d'un an à compter de la date de la perte.

De quel délai la Compagnie bénéficie-t-elle pour payer les sommes assurées?

Les prestations payables aux termes de la police seront versées à la réception d'une preuve écrite complète de la perte, telle que déterminée par la Compagnie. La Compagnie est tenue de payer l'indemnité dans les 60 jours suivant la réception des renseignements pertinents et des pièces justificatives.

Que pouvez-vous faire dans l'éventualité où la Compagnie refuse de payer votre réclamation?

S'il est établi que votre réclamation est refusée, vous recevrez un appel de la Compagnie vous expliquant pourquoi votre réclamation n'est pas payable. Vous aurez la possibilité de soumettre des documents supplémentaires à l'appui de votre réclamation. Nous examinerons alors les informations supplémentaires et vous communiquerons une décision finale.

Veuillez vous référer à la section 6 de la police d'assurance afin de consulter l'ensemble des détails relatifs à la procédure de déclaration de sinistre et de paiement des prestations prévus à la police.

C. ADDITIONAL RENTAL TERMS AND CONDITIONS APPLICABLE ONLY TO RENTALS IN FRANCE, GERMANY, IRELAND, SPAIN AND UNITED KINGDOM

(i) GENERAL RENTAL TERMS FOR FRANCE, GERMANY, IRELAND, SPAIN AND UNITED KINGDOM ("General Rental Terms")

1. Renter's Contract with Owner

(a) These Rental Terms and Conditions, the Summary, and the country-specific rental terms in (ii) below ("Country-Specific Terms") for rentals originating in France, Germany, Ireland, Spain or United Kingdom together constitute the "**Rental Contract**". The Rental Contract is entered between Renter (as named on the Rental Contract Summary or the digital tablet) and Owner (as defined in the Country-Specific Terms). Any reference to Rental Contract Summary in these Rental Terms and Conditions includes reference to the digital tablet.

(b) Owner and Renter are the only parties to the Rental Contract even though another entity or person may pay for all or some of the rental bill.

2. Rental Period

(a) Renter has the right to use the rental vehicle ("**Vehicle**") until the return date indicated on the Summary ("**Rental Period**").

(b) Owner may agree to extend the Rental Period orally or in writing ("Extended Rental Period") but the overall Rental Period may never be more than 88 days. The Extended Rental Period may be subject to higher charges and/or to additional security deposit which will be disclosed to Renter prior to the extension of the Rental Period.

(c) Subject to the following conditions, Renter may choose to return the Vehicle before the end of the agreed Rental Period and thereby terminate this Rental Contract early (and the Rental Period will be reduced accordingly):

- (i) If Renter has prepaid the Rental Costs (as defined in section 5) to qualify for a "special offer" rate, Renter may not be entitled to any refund due to early voluntary termination; and
- (ii) If Renter has not prepaid the Rental Costs, early termination can have an impact on the daily rates and the other applicable charges if the originally agreed daily rates and applicable charges were conditioned upon the specifics of the original Rental Period. Owner recommends that Renter verify with Owner what impact an early termination has on the Rental Costs before returning the Vehicle early.

3. Use of the Vehicle

(a) Eligibility: Renter must have a driver's license valid in the country in which the rental originates and valid for the vehicle category applicable to the Vehicle.

(b) Authorised Drivers: Only the Renter is permitted to drive the Vehicle unless Owner expressly permits additional drivers who meet the eligibility requirements for Renters in section 3 (a) above ("Authorised Drivers"). Authorised Drivers under the age of 25 may be subject to restrictions and an additional fee. Any Authorised Drivers will be documented in the Summary. Where the words "surrogate driver" are added to the Additional Authorised Driver information on the Summary then the sole driver(s) for the duration of the Rental Period is/are the nominated surrogate driver(s). Any other named Renter is not authorised to drive the Vehicle.

(c) Prohibited Use of the Vehicle: The Vehicle must not be used:

- (i) by anyone other than Renter or an Authorised Driver;
- (ii) to smoke in. The use of e-cigarettes in Vehicle is also prohibited;
- (iii) in a way to affect the good condition of the Vehicle, including by smoking;
- (iv) for carriage of passengers for hire or reward;
- (v) for deliberately causing personal injury or property damage or for any illegal purpose;
- (vi) for racing, pacemaking, testing the Vehicle's reliability and speed, or teaching someone to drive;

- (vii) while the driver is under the influence of alcohol, narcotics or drugs;
- (viii) to go to countries or places other than the country of rental unless written authorization from Owner has been previously obtained;
- (ix) overloaded with more passengers than seatbelts, to transport children without the legally required car seats, or otherwise in breach of the legally prescribed safety precautions;
- (x) to propel or tow any other vehicle or wheeled equipment, unless the Vehicle is fitted with a tow bar and Renter has express permission from Owner;
- (xi) on unpaved roads, beaches, racetracks, and test courses;
- (xii) to transport easily flammable, toxic, or otherwise dangerous substances other than minimum amounts for household use;
- (xiii) in a careless or reckless manner;
- (xiv) to drive through or over water or over any objects that Renter knew or ought to have known rise above the ground clearance of the Vehicle;
- (xv) to drive under a barrier lower than the overhead clearance of the Vehicle;
- (xvi) in or on that part of any aerodrome, airfield, airport, or military installation designed for the take-off, landing, taxiing, or parking of aircraft and aerial devices, including any associated service roads, fuel supply areas, ground equipment parking areas, aprons, maintenance zones, and hangars;
- (xvii) to transport goods with a weight heavier than that authorised for the Vehicle, or to transport goods deficiently distributed or badly secured, or to carry goods that you do not own for a fee without Owner's written permission; or
- (xviii) in contravention of this Rental Contract or the applicable laws, safety rules and requirements of the countries where the Vehicle is used.

(d) Hand over of Vehicle: The Owner shall hand over the Vehicle to Renter in a good and roadworthy condition and equipped as required according to the safety regulations of the place of rental (e.g., first aid kit, spare wheel, and/or warning triangle, as required by applicable law). Renter is required to check the Vehicle's condition immediately after handover. If Renter notices any damage to the Vehicle or other discrepancies, Renter shall immediately inform the Owner.

4. Renter's Main Obligations

(a) Renter is required to

- (i) always lock the Vehicle and secure all of its parts when it is left unattended;
- (ii) not let anyone work on the Vehicle without Owner's express written permission. If Owner grants such permission, Owner will only give Renter a refund if Renter has a receipt for the work performed;
- (iii) check oil, AdBlue and water levels and tyre conditions and pressure at regular intervals during the Rental Period;
- (iv) stop using the Vehicle as soon as possible and contact Owner as soon as Renter becomes aware of any fault with or malfunction of the Vehicle. In particular, Renter must take into account any warning lights that may appear on the dashboard of the Vehicle;
- (v) bring the Vehicle back to the agreed return location specified in the Summary at the end of the Rental Period in the same condition as it was when it was handed over by Owner according to the condition description on the Summary except for any usual wear and tear. A member of Owner's staff will inspect the Vehicle to check the condition of the Vehicle. When returning the Vehicle to the return location during business hours, Renter will remain responsible for the Vehicle and its condition until the inspection is completed or for one (1) hour after its return, whichever is the shorter period. If Renter is permitted to return the Vehicle to the return location outside of business hours, Renter remains responsible for the Vehicle and its condition until it is inspected by a member of Owner's staff within 2 hours of the start of the next business day. If Renter chooses not to leave the Vehicle at an Owner branded location,

Renter remains responsible for the Vehicle and its condition until it is inspected by a member of Owner's staff;

- (vi) check that Renter has not left any personal belongings in the Vehicle before Renter returns the Vehicle;
 - (vii) pay any administrative fines, fees, charges, costs, penalties, or other fines that are imposed, issued or incurred in connection with the Renter's usage of the Vehicle during the Rental Period (including usage of the Vehicle by Authorised Drivers or other third parties who are permitted by Renter to use the Vehicle), such as fines or fees for illegal parking or speeding, non-compliance with bus lane, congestion charges, tolls or violations of the rules of the highway or traffic offence or contravention in any country, in all cases, to the extent permitted by law and not caused by Owner;
 - (viii) where the vehicle requires fuel, to use nothing other than the appropriate fuel as indicated in the Vehicle; and
 - (ix) not to unseal or tamper with the kilometre or mileage indicator.
- (b) In case of an accident or if the Vehicle is lost or stolen, Renter is required to do the following:
- (i) Renter shall accurately report the accident, theft or loss to Owner as soon as possible by any means and confirm this promptly in writing (email is sufficient) to Owner no later than 1 business days in case of a theft and in all other cases 2 business days, from the moment Renter becomes aware of the event;
 - (ii) Renter shall report any theft or loss (or where appropriate, any accident) to the police as soon as reasonably possible and confirm this promptly in writing (email is sufficient) to Owner;
 - (iii) Renter shall avoid admitting responsibility to anyone in relation to the accident unless required to do so by legal process;
 - (iv) Renter shall request the names and addresses of everyone involved, including witnesses, and provide them to Owner;
 - (v) Renter shall promptly forward to Owner any notices or other documents relating to any legal proceedings arising out of the accident, theft or loss;
 - (vi) Renter shall cooperate with Owner and Owner's insurers including responding to requests for full and true information and provide assistance in any matters or legal proceedings including allowing proceedings to be brought by Owner in Renter's name and defending any proceedings brought against Renter; and
 - (vii) Renter shall return the original keys or any other device which unlocks the Vehicle and/or enables the Vehicle to be started to Owner either directly to Owner's staff or in Owner's secured box at an Owner branded location.

5. Rental Costs and other Charges; Additional Services

(a) Renter shall pay the daily rates as well as any other charges applicable to the rental of a Vehicle as stated in the Summary or, if not stated on the Summary, the publicly available rates at the time of rental ("**Rental Costs**"). If the Summary indicates "day = period of 24 hours", a day is a complete or partial period of 24 consecutive hours from the start of the Rental Period. On return, a grace period of 29 minutes will be allowed if the 24-hour period is exceeded.

(b) Rental Costs also include charges for mileage exceeding the included mileage, charges for additional services or protection products, such as Damage Waiver, Road Assistance Protection, Additional Insurance Coverage as applicable to the specific rental of a Vehicle and as stated on the Summary. If the Summary indicates "day = calendar day", one day is a complete or partial calendar day from the start of the Rental Period.

(c) Owner may require a security deposit, as stated in the Summary, at the commencement of the Rental Period which can be used as security for any future claims which Owner has against Renter in connection with the Rental Contract. Owner will collect this and any other amounts due under this Rental Contract from any credit card or debit card presented before or during the rental, which will be retained for this purpose unless otherwise agreed between the Parties.

Owner will refund the security deposit. Any additional monies will be refunded within a period of 75 days from the date of the return of the Vehicle, or, if the Vehicle is lost or stolen, within a period of 75 days from the agreed end of the Rental Period, to the extent that this amount has not been needed to satisfy Owner's claims under this Rental Contract.

(d) Renter shall pay to Owner on demand:

- (i) any additional charges as notified to the Renter;
- (ii) any amounts not paid by Renter in accordance with section 4(a)(vii);

- (v) a cleaning fee if Renter fails to return the Vehicle in good condition due to unusual wear and tear, including but not limited to smoking in the Vehicle or coarse soiling, to compensate Owner for their actual costs of cleaning;
- (vi) where the vehicle requires fuel, a re-fuelling service fee if Renter did not select to purchase an optional fuel product at the start of the Rental Period and returned the Vehicle to Owner with less fuel than was provided at the start of the Rental Period (such level as indicated on the Summary) calculated as the difference between the fuel level recorded on the Summary and that recorded upon the return of the Vehicle multiplied by the fuel price displayed on the Rental Summary plus an additional charge as indicated on the Summary. No unused or excess fuel will be refunded; and
- (vii) where the vehicle is an electric vehicle and is returned with less charge than was provided at the start of the Rental Period (such level as indicated on the Summary), a re-charging fee calculated as the kWhs needed to charge the vehicle to make up the difference between the charge level recorded on the Summary and that recorded upon the return of the Vehicle multiplied by the kWh price displayed on the Summary plus an additional charge as indicated on the Summary. No unused or excess charge will be refunded.

(e) An acceptable payment method is credit card.

(f) For other rental charges see Summary.

In addition to Owner's Privacy Notice, Owner, its affiliates or Enterprise Holdings, Inc. may:

- (i) For the legal basis under GDPR and/or UK Data Protection Act 2018(as amended) (or equivalent legislation as implemented in local law):

 - iii. To locate our Vehicle when it is reported as lost or stolen.
- c. Use and share your information with third parties to prevent fraud and protect our business interests and rights, privacy, safety and property, or that of individuals and the public. (b) The Vehicle may be equipped with emergency notification functionalities ("eCall System"), which is provided by the manufacturer of Renter Vehicle ("OEM") to ensure appropriate assistance is provided in the case of an emergency.

The Vehicle may also be equipped with technology that collects and transmits data, including information collected from event data recorders, global positioning devices, or any other similar technology, which may be controlled by the "OEM" or Owner ("Telematics Systems"). When installed and where permissible, the Telematics Systems will enable Owner to collect and use information on the basis of Owner's legitimate interest, performance of the Rental Contract or where required with your consent, including but not limited to: (1) location information; (2) collision information; and (3) vehicle operation information, such as operational condition, mileage, tire pressure, fuel status, and other diagnostic and performance information. If a Vehicle has been reported as potentially or actually lost or stolen, Owner may access Vehicle location data or request access to it from the relevant OEM or system. Renter not consenting to the collection of data from Telematics Systems from the Vehicle does not prohibit Owner from obtaining and using data collected from Vehicle in the event the Vehicle is reported lost or stolen. If Renter or any occupant pairs a mobile device with the Vehicle's navigation or infotainment systems, personal information may be transferred to and stored on these systems. You should note, this personal information is shared by you directly with the OEM. OEMs' contact details and information about their data protection practices and terms can be found on their respective websites.

Owner cannot guarantee the privacy or confidentiality of such information and it is Renter's responsibility to delete all personal information from these systems before returning Vehicle to avoid subsequent occupants or users of Vehicle accessing this information.

If Renter downloads a mobile application made available by the OEM and Renter registers the Vehicle in that application, Renter's use of the application may result in the sharing of personal data, vehicle information, location information and driving characteristics with the vehicle manufacturer. Renter's use of these applications is strictly governed by the OEM's terms and conditions and privacy notice and Owner is not in any way responsible for, and Renter releases Owner from, any claim or cause of action which may arise from Renter's use of these applications. Accident damage is defined as damage caused by a sudden event acting immediately from outside with mechanical force.

- (i) **Inapplicability of Damage Waiver.** DW does not apply to costs arising from theft/loss of an electric vehicle’s charging cable if not supported by a police crime reference or damage: (1) caused solely by braking manoeuvres or operational processes (including incorrect operation, incorrect fuelling, and slipping loads); (2) to optional accessories (including but not limited to optional child seats, global positioning systems, ski racks, toll devices and/or other products accepted by Renter); and (3) that Renter caused intentionally. In cases of gross negligence, Owner may reduce DW according to the level of culpability.
- (ii) **Inapplicability of Damage Waiver in case of breach of a contractual duty.** DW does also not apply if Renter intentionally has driven or permitted any other person to drive the Vehicle without a valid driver’s license or if Renter intentionally has breached a duty under section 3(c)(ii), section 3(c)(iii) to (v), section (vii) to (xv), section 4(a)(i) to (v) or section 4(b) above. In cases of gross negligence, Owner may reduce DW according to the level of culpability; Renter has to prove that gross negligence does not apply. Notwithstanding the two preceding sentences, DW does apply to the extent that the violation of the aforementioned sections was neither the cause of the damage event nor affected the determination or the extent of the damage; Renter has to prove the absence of causality. Lack of causality cannot be claimed if Renter acted maliciously.
- (iii) **Collection of deposit in case of damage.** If the Vehicle is damaged, lost or stolen during the Rental Period and damage waiver has been purchased, Owner is entitled to collect from Renter as an additional security the Excess.

(b) Roadside assistance protection (RAP): If Renter selects RAP on the Summary, then Owner provides the following roadside assistance protection: 24-hour emergency service including provision of a replacement vehicle in case of lost vehicle key, shipping of the key, on-site assistance in case of tire breakdowns, towing service, forced unlocking of the Vehicle if the keys are locked inside, jump-start assistance, and refuelling service up to 5 litres. RAP is available in almost all European countries; the current list of countries is available at the rental branch at the time of rental.

(c) Personal Effects Cover (PEC): PEC insures Renter’s and Renter’s passenger’s personal effects subject to the terms and conditions of the policy (policy documents are available upon request and contain more detail) and may be available for purchase at an additional cost.

- (i) Renter is liable for any damage culpably caused by him or by any other Authorised Drivers, especially for damage to the Vehicle, damage arising from loss of the Vehicle and from loss of its use. In the event of any culpable non-compliance with the Rental Contract, Renter is liable for all damage caused in accordance with the statutory liability regulations unless otherwise agreed in the Rental Contract. If Renter leaves the Vehicle with a non-Authorised driver, Renter is liable for any damage caused by this non-Authorised driver while using the Vehicle, unless the damage is not related to the fact that the Vehicle was left to a third party. Renter's liability may be reduced if Renter selected DW or other protection products (see above section 7).
- (ii) Renter and Owner agree on the following liquidated damages/labour compensation fees if Renter is liable for the damage and unless Renter proves that smaller or no damages were incurred or Owner proves that higher damages were incurred:
 - (aa) a flat-rate repair fee for minor damage to the Vehicle. The flat-rate repair fee is calculated by reference to Owner's standard list for minor repairs available at the time of signature of the Summary which has been independently verified.
 - (bb) administrative costs for processing any damages to the Vehicle of €50 per claim.
- (iii) If a Vehicle accident was recorded by the police, the limitation period for potential damage claims against the Renter shall begin when Owner had the opportunity to access the police file and shall end, at the latest, nine months after the return of the Vehicle. Owner will immediately seek to access the file and notify the Renter of the point in time access to the file was granted.

(b) Owner's liability: Owner only accepts liability for damage caused by gross negligence and intent and for breach of material contractual obligations whose fulfilment is essential for the due and proper performance of the Rental Contract and on whose fulfilment Renter may reasonably rely ("**material duty**"). In the event of a breach of a material duty by slight negligence, Owner's liability is limited to damage foreseeable at the time of the signature of the Summary and characteristic for the type of contract. Strict liability is excluded for any preexisting defect of the Vehicle at the time of the signature of the Summary. The aforesaid limitations of liability shall not apply in the event a defect has been maliciously concealed, to the liability under the German Product Liability Act (Produkthaftungsgesetz), and liability for culpably caused injuries of life, body or health. In addition, they shall not apply if and to the extent Owner has assumed a specific guarantee. The same applies for the liability of Owner's employees, representatives, or agents."

However, Renter will instead have to pay the excesses indicated on the Summary every time the Vehicle is damaged or stolen or lost. If no excesses are indicated on the Summary, Renter is responsible for rentals originating in the UK for the first £1,600 and for rentals originating in Ireland for the first €3,000 every time the Vehicle is damaged or stolen or lost. Renter's responsibility can be reduced with the acceptance of Excess Protection (see paragraph (b) below) and/or Roadside Assistance Protection (RAP) (see paragraph (c) below). Renter agrees that DW does not exempt Renter from liability for theft/loss of an electric vehicle's charging cable if not supported by a police crime reference or damage caused by: the use of incorrect

If no excesses are indicated on the Summary, Renter is still responsible for rentals originating in the UK for the first £700 and for rentals originating in Ireland for the first €500 every time the Vehicle is damaged or stolen or lost. If Renter selects EXP and DW has not been selected, Renter remains responsible, for rentals originating in the UK, for all losses above £900, and for all rentals originating in Ireland, above €700 in all cases up to the full market value of the Vehicle every time the Vehicle is damaged or stolen or lost. Renter agrees that EXP does not exempt Renter from liability for theft/loss of an electric vehicle's charging cable if not supported by a police crime reference or damage caused by: the use of incorrect fuel; any breach of section 3, 4 and 5 of this Rental Contract or if Renter failed to take all reasonable measures to secure the Vehicle or the keys or any other device which unlocks the Vehicle and/or enables the Vehicle to be started.

(c) Roadside Assistance Protection (RAP): If Renter selected RAP on the Summary, Owner will waive all of Renter's responsibility for the following: (i) tyre repair or tyre replacement costs including rims except when part of a larger repair to the Vehicle; (ii) replacement key costs; (iii) glass repair or glass replacement costs except when part of a larger repair to the Vehicle; and (iv) all recovery and call out charges imposed by Owner's chosen roadside assistance providers as a result of any fault occurring to Owner's Vehicle which is due to driver or Renter error. RAP does not exempt Renter from these charges for damage caused by the use of incorrect fuel; any breach of section 3, 4 and 5 of this Rental Contract or running out of fuel more than once.

(d) No DW selected: If Renter does not select DW, Renter must keep the Vehicle insured against damage to, loss or theft of the Vehicle up to the fair market value of the Vehicle. Renter must comply with the terms of Renter's insurance policy. If the Vehicle is damaged, lost or stolen and DW is not selected or does not apply, Renter must allow Owner to make a claim under any policy in Owner's name.

(e) No EXP or RAP selected: If Renter does not select EXP and/or Roadside Assistance Protection (RAP) or if those protections do not apply, Renter shall pay Owner on demand the appropriate excess as stated in Renter's insurance policy. If the insurance Renter has arranged does not pay Owner in full for any charges, Renter is still responsible for paying Owner all outstanding charges on demand. If Renter has paid Owner everything required under the Rental Contract and Owner later recovers all of Owner's losses from a third party, Owner will refund Renter any surplus.

(f) Third Party Liability: Unless the words "3RD PARTY COVER INCLUDED" appear on the Summary, if valid motor third party liability insurance is available on any basis to Renter, Authorised Driver(s) or any other driver, and such insurance satisfies the Road Traffic Act 1988 (as amended), Road Traffic (Northern Ireland) Order 1981 for rentals originating in the UK or the Road Traffic Acts 1961 to 2018 for rentals originating in Ireland or any other legislation currently in force in any jurisdiction in which the Vehicle is operated during the Rental Period, that insurance is primary and Owner's motor fleet insurance policy will not cover the use of the Vehicle by Renter, any Authorised Driver(s) or any other driver (as the case may be), unless otherwise agreed between Owner and Renter. Renter is required to report the claim to Renter's insurer and comply with the terms of any applicable insurance policy. Renter is required to disclose details of any such insurance to Owner or Owner's insurer upon Owner's request. If such insurance is available to Renter, but does not cover the relevant third party claim, Renter agrees that Owner or Owner's insurers may handle the third party claim on Owner's behalf through Owner's motor fleet insurance policy, and that Owner will have the right to resolve any claim under the insurance policy as Owner or insurers decide necessary, without restricting Renter's rights to take legal actions or seek remedies under applicable law. Renter agrees to fully cooperate with any claim that Owner or Owner's insurer may make against Renter's insurer in such circumstances. If the insurance available to

Renter, Authorised Driver(s) or any other driver (as the case may be) does not pay any third party the damages they are entitled to as a result of Renter's, Authorised Driver(s)' or any other driver's failing to comply with the terms and conditions of that policy, Renter will have to repay on demand all costs reasonably incurred by Owner or Owner's insurers in settling and handling the claim.

However, if the words "3RD PARTY COVER INCLUDED" appear printed on the Summary, or if no valid third party liability insurance is available on any basis to Renter or any Authorised Driver(s) or if otherwise agreed between Owner and Renter, and provided Renter and any Authorised Driver(s) are in compliance with the Rental Contract, the use of the Vehicle by Renter and any Authorised Driver(s) will be covered, subject to all terms, conditions, limitations, exceptions and exclusions, under Owner's motor fleet insurance policy against claims from a third party alleging injury, death or damage to property, as required by the Road Traffic Act 1988 (as amended), Road Traffic (Northern Ireland) Order 1981 for rentals originating in the UK or by the Road Traffic Acts 1961 to 2018 (as supplemented and amended from time to time) for rentals originating in Ireland or any other legislation currently in force in any jurisdiction in which Renter operates the Vehicle with Owner's permission. The policy gives the insurer the sole right to settle any claim as they may decide is necessary. Renter agrees to fully cooperate and assist Owner and Owner's insurers in the investigation of any third party claim. If Owner or Owner's insurers are required to make any payment to a third party as a result of the use of the Vehicle which involved a breach by Renter or any Authorised Driver of any of the terms and conditions of the Rental Contract, Renter will have to pay on demand all sums reasonably paid by Owner's insurers in relation to the claim. This is in addition to any damages or other equitable relief which Owner may legally claim as a result of the breach. If Renter provides false information in relation to any third party claim, or if Owner or Owner's insurers suspect fraud, Owner may notify the relevant fraud prevention agencies and databases, and Renter may be prosecuted."

8. Termination of Rental Contract (supplements section 8 "Termination of Rental Contract" in the General Rental Terms)

by replacing section 8(f) with the following

"(f) Owner may notify the police or, in Ireland, Gardaí Síochána if Renter operates the Vehicle after end of Rental Period or Extended Rental Period, as applicable."

9. Liability (amends section 9 "Liability" in the General Rental Terms)

by deleting section 9(e) and adding the additional sections 9(g) – 9(i)

"(g) In the event of damage to or loss or theft of the Vehicle or a part or accessory thereof from the time of the commencement of the Rental Period up until the time of the Vehicle inspection unless caused through Owner's own fault, Renter may be liable for the following costs, charges and other damages (provided this does not result in Owner being compensated twice for the same loss):

- (i) The charges invoiced to Owner by the repair facility for the specific repair of the Vehicle, or replacement of the part or accessory;
- (ii) a bona fide estimate of the cost to Owner of the repair of the Vehicle, or replacement of the parts or accessories (as applicable) calculated by reference to Owner's standard list of minor repairs (which has been independently verified and is available upon request) or by an estimate provided by a repair shop. The amount invoiced to Renter for any repairs will be lower than the manufacturer suggested retail price but may be higher than Owner's cost, because the invoiced amount will not reflect any rebates which Owner may subsequently receive from the repair shop or supplier based on Owner's volumes of purchases and long term relationships, and may not include any economies of scale where damage caused by different customers are repaired simultaneously;
- (iii) To the extent that any repair does not fully restore the value of the Vehicle, a reasonable sum for the diminishment of value as determined by an independent motor engineer;

- (iv) In the event that the total estimated repair cost is greater than the value of the Vehicle minus the salvage value, an estimate of the retail value of the Vehicle immediately prior to the damage, as independently verified, less the salvage value;
- (v) Owner's resulting loss of revenue at the daily rate indicated on the Summary based on Owner's loss of income of the Vehicle, not to exceed 30 days, provided this does not result in Owner being compensated twice for the same loss;
- (vi) in case of theft or loss of the Vehicle, an estimate of the pre-theft or pre-loss retail value of the Vehicle, as independently verified;
- (vii) an administrative cost of £/€ 60 or £/€100 (higher fee will be charged when Owner deems vehicle to be uneconomical to repair); and
- (viii) Any towing, storage and impound fees reasonably incurred by Owner as a result of the damage to, loss or theft of the Vehicle during the Rental Period.

Details of how Renter can dispute any of the above costs, charges or other damages will be included in the invoice sent to Renter by Owner for any such costs, charges or other damages.

(h) Owner is responsible to Renter for foreseeable loss and damage caused by Owner. If Owner fails to comply with these terms, Owner is responsible for loss or damage Renter suffers that is a foreseeable result of Owner's breaking this contract or Owner's failure to use reasonable care and skill. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both Owner and Renter knew it might happen, for example, if agreed in writing between the Renter and Owner.

Owner does not exclude or limit in any way Owner's liability to Renter where it would be unlawful to do so. This includes liability for death or personal injury caused by Owner's negligence or the negligence of Owner's employees, agents or subcontractors; for fraud or fraudulent misrepresentation; for breach of Renter's legal rights in relation to the services.

Owner is not liable for business losses. If Renter uses the services for any commercial, business or re-sale purpose Owner will have no liability to Renter for any loss of profit, loss of business, business interruption, or loss of business opportunity.

(i) For rentals originating in the United Kingdom, the following applies in addition to the above:

- (i) Renter is responsible for all charges, even if Renter has asked someone else to be responsible for them. Renter agrees that Owner, having notified Renter, will compute and debit the final charges from Renter's credit and/or debit card (which was presented at the time of rental) if that is the form of deposit or security being used, as shown on the Summary. All charges are subject to final audit.
- (ii) Where the rental of the Vehicle is consequent upon Renter's own vehicle having been involved in an accident, and the replacement Vehicle has been provided to Renter on a credit basis, payment of the charges due under the Contract are deferred for a period not exceeding 11 months from the date of the Rental Contract. At the end of the deferment period the amount due becomes payable in one single payment. No interest or other charges is payable during, or in respect of, the deferment or credit period. The credit amount is for a fixed sum which is the daily charge / charges multiplied by the number of days of the Rental Period."

10. Governing Law/Alternative Dispute Resolution (amends section 10 "Governing Law/Alternative Dispute Resolution" in the General Rental Terms)

by replacing the last sentence of section 10(b) with the following:

"Owner agrees to alternative dispute resolution. For rentals originating in the UK, Renter can submit a complaint to the BVRLA via their website at <http://www.bvrla.co.uk/advice/guidance/using-bvrlas-conciliation-service>. The BVRLA will not charge Renter for making a complaint and if Renter is not satisfied with the outcome Renter can still bring legal proceedings.

For rentals originating in the Republic of Ireland, the online dispute resolution platform of the European Commission is available at: <http://ec.europa.eu/consumers/odr/>. Renter can also submit a complaint to the Car Rental Council of Ireland ("CRCI")."

12. Jurisdiction (adds a new section 12 "Jurisdiction" to the General Rental Terms)

"If Renter lives in England and Wales, Renter shall bring legal proceedings in the English courts. If Renter lives in Scotland, the Renter can bring legal proceedings in either the Scottish or the English courts. If Renter lives in Northern Ireland, Renter can bring legal proceedings in either the Northern Irish or the English courts. If Renter lives in Ireland, Renter shall bring proceedings in the courts of Ireland."

by replacing section 3(c)(vi) with the following

"(vi) to go outside of Spain and/or to move to islands, between islands, and/or to Ceuta and Melilla, unless Authorised by Owner in writing;"

7. Protection Products (supplements section 7 "Protection Products" in the General Rental Terms)

"(a) **Damage Waiver (CDW)**: If Renter selects CDW on the Summary, Owner will not hold Renter liable for damage to, loss or theft of the Vehicle, including any towing, storage and impound fees incurred by Owner as a result of the damage to and loss or theft of the Vehicle. However, Renter will instead have to pay the excesses indicated on the Summary between Owner and Renter every time the Vehicle is damaged, stolen or lost. If no excesses are indicated in the agreement with Owner, Renter is responsible for the first €1,650 every time the Vehicle is damaged or stolen or lost. Renter's responsibility can be reduced with the acceptance of Excess Protection (see below). Renter agrees that CDW does not exempt Renter from any costs arising from liability for theft/loss of an electric vehicle's charging cable if not supported by a police crime reference or damage to tyres, lost leys, key rings, optional accessories

(including but not limited to not limited to optional child seats, global positioning systems, ski racks, toll devices and/or other products accepted by Renter) or damages caused by: (i) the use of incorrect fuel; (ii) any breach of section 3, 4 or 5 of the Rental Contract; (unless such breach is excused under applicable law) (iii) if Renter failed to take all measures to look after and secure the Vehicle or the keys or any other device which unlocks the Vehicle and/or enables the Vehicle to be started; or (iv) if the Vehicle has been stolen and Renter cannot give Owner the original keys.

(b) Excess Protection (EXP): If Renter selects EXP on the Summary, Owner will reduce Renter's responsibility for any loss caused by damage to or theft of or loss of the Vehicle to the excess indicated on the Summary, or if no excesses are indicated, the first €200 every time the vehicle is damaged, stolen or lost. Renter agrees that EXP does not exempt Renter from liability for theft/loss of an electric vehicle's charging cable if not supported by a police crime reference or any costs arising from damage to tyres, lost leys, key rings, optional accessories (including but not limited to not limited to optional child seats, global positioning systems, ski racks, toll devices and/or other products accepted by Renter) or damage caused by: (i) the use of incorrect fuel; (ii) any breach of section 3, 4 or 5 of the Rental Contract (unless such breach is excused under applicable law; (iii) if Renter failed to take all measures to look after and secure the Vehicle or the keys or any other device which unlocks the Vehicle and/or enables the Vehicle to be started; or (iv) if the Vehicle has been stolen and Renter cannot give Owner the original keys.

RAP does not exempt Renter from these charges for damage caused by any breach of section 3, 4 or 5 of the Rental Contract (unless such breach is excused under applicable law), or if Renter failed to take all measures to look after and secure the Vehicle or the keys or any other device which unlocks the Vehicle and/or enables the Vehicle to be started.

(e) Third Party Liability: Third party liability protection is included in the daily rate unless agreed otherwise. Where included and Renter and any Authorised Driver(s) are in compliance with the terms of the Rental Contract, Renter and/or Authorised Driver(s) are covered by Owner's insurance policy for damage caused to third parties subject to the terms, conditions, limitations, exceptions and exclusions of Owner's insurance policy. Renter may ask for a copy of such policy from head office as indicated in section 1. This includes third-party claims for death, bodily harm, and property damage by third parties in accordance with regulations in effect concerning mandatory automobile insurance in countries where the Vehicle is allowed to be used (see countries on the Summary). Renter shall fully cooperate and assist Owner and Owner's insurers in the investigation of any third party claim and Owner as the contracting party under this insurance policy or insurers will have the right to resolve any third party claim under the insurance policy as Owner or insurers decide necessary, without restricting Renter's rights to take legal actions or seek remedies under applicable law. Renter's failure to inform Owner about a claim as required by the Rental Contract, the lack of cooperation or assistance, any fraud or breach of the terms and conditions of Owner's policy as notified to Renter, or any breach of section 3, 4, or 5 the Rental Contract (unless such breach is excused under applicable law) may result in Renter being liable and Renter accepts to hold harmless Owner's insurer and Owner from any amount due to liability."

 - (iv) any debt owed by the non-payment of tolls.
- (h) In the event of damage to, loss or theft of, the Vehicle or of a part or accessory howsoever caused to the Vehicle unless caused through Owner's own fault, Renter shall pay:
- (i) The amount necessary to compensate Owner for the damage to the Vehicle, including any damage or loss of parts or accessories which will be an estimate of the damage by an independent expert or repairer or by reference to Owner's standard list for minor repairs;
 - (ii) Whatever the utilization of the fleet, Renter will owe a sum for the loss of use that will be calculated as follows: (i) if Owner deems the Vehicle to be reparable, the total labor hours to be worked as indicated in the repair estimate divided by 4, then multiplied by the day standard daily rate applicable to the Vehicle during the Rental Period; (ii) if the Vehicle is lost and not recovered, or if Owner deems it to be salvage: charge in the amount of 15 days at the standard daily rate applicable to the Vehicle during the Rental Period. Renter also agrees to pay (a) administrative costs of €50 when the repair estimate is less than €500; €100 when the repair is between €500 and €1,500; and €150 if the repair is greater than €1,500, and (b) a sum for reduction of value if the Vehicle is reparable, corresponding to 10% of the repair estimate if the damages come to more than €499.99;

 - (v) In case of theft or loss of the Vehicle, an estimate of the pre-theft or pre-loss retail value of the Vehicle, as independently verified; and
 - (vi) Any towing, storage and impound fees incurred by Owner as a result of the damage to, loss or theft of the Vehicle.

10. Governing Law/Alternative Dispute Resolution (amends section 10 "Governing Law/Alternative Dispute Resolution" in the General Rental Terms)

by adding the following additional sentence to section 10(b)

"Unless otherwise indicated by the Owner, Owner does not and is not obliged to participate in the alternative dispute settlement process."

A. ADDITIONAL RENTAL TERMS AND CONDITIONS APPLICABLE ONLY TO RENTALS IN BELGIUM, ITALY, THE NETHERLANDS AND SWITZERLAND

- (i) For Rentals Originating in Belgium**

ARTICLE 1: SCOPE OF APPLICATION

Unless otherwise agreed, the following terms and conditions shall apply to the rental *between* Owner and Renter. Please read this Rental Contract carefully. If there is anything Renter does not understand please ask any member or staff of Owner.

The general terms and conditions as stated above are applicable between Renter and Owner, unless agreed otherwise.

Owner and Renter are the only parties to this Rental Contract and Renter is responsible for complying with all the terms of this Rental Contract even though another person (such as an insurance company) may have arranged the rental, negotiated certain terms or may pay for all or some of the rental bill.

This Rental Contract is the entire agreement between Renter and Owner concerning the rental of Vehicle and cannot be altered unless agreed to in writing and signed on behalf of Renter and Owner.

ARTICLE 2: DEFINITIONS

For the purposes of this Rental Contract, the following terms are specifically defined:

"Renter" is the customer (main driver) who rents a Vehicle from Owner under this Rental Contract and who is entitled to drive Vehicle.

"Owner" is the National Car Rental franchisee from which the Renter rents Vehicle.

"Rental" or "rental" means the vehicle hire by which the Renter rents the Rental Vehicle from Owner for a period under this Rental Contract.

"Reservation" means the confirmation overview by email or other communication method at the time of booking.

"Vehicle" is the car that Owner is renting to Renter for the agreed duration of the rental and will include all parts and accessories fitted to it at the commencement of the rental.

"Additional Driver(s)" means any individual, in addition to Renter, who has permission of the Owner to drive Vehicle.

"Damage" is any damage occurring to Vehicle (including glass, lights and mirrors) and any damage occurring to third party property where applicable.

ARTICLE 3: CONDITIONS TO HIRE VEHICLE

Renter must be in the possession of a driving license, valid in the country where the car is hired as well as in all other countries where Vehicle will be used. The driving license must have been issued by the competent authorities at least 12 months before the start of the rental.

In addition to the normal driving license, an international driving license is also mandatory if:

- The driving license is written in a language different to the official languages in Belgium.
- Or comprises characters that are illegible in Belgium.
- Or if the driving license is not valid in the European Union.

Please note that the international driving license is valid only if accompanied by the normal driving license.

Renter must be in the possession of a valid identity card or passport.

Renter must be aged 21 or over to rent a Vehicle and have held a driving license for at least one year. A young driver surcharge of 10 EUR per rental day (excl. VAT and airport surcharges) is applicable for drivers younger than 25 years old, unless agreed different in the Reservation. When renting a vehicle, a driver qualified as a "young driver" pays a specific charge the "young driver surcharge".

The above requirements are also applicable to all Additional Driver(s) if any. Additional drivers will be charged an additional driver fee of 10 EUR per rental day (excl. VAT and airport surcharges), unless agreed different in the Reservation.

Renter must produce a valid corporate or personal credit card with an expiry date of at least 3 months after the due check-in date. For luxury and special models two credit cards (including at least one major credit card: Visa, MasterCard, American Express) are required and an authorization will be requested on each. Details are available at a National Car Rental Reservation Service Centre (Owner's rental station) or at the National Car Rental website.

Please note that Owner accepts major credit cards such as American Express, MasterCard and Visa. As certain credit card companies may not be represented, it is advisable to verify in advance the acceptance of a given card. Credit cards are accepted to the limits authorized by the credit card company.

ARTICLE 4: GENERAL PRINCIPLES

Renter is required to check the condition of Vehicle. Where an apparent defect is found, Renter must immediately inform Owner in order to proceed with a joint-examination of Vehicle. In such a case, Owner and Renter must document the apparent defect to be countersigned by both parties. If the document is not countersigned by both parties, the condition of Vehicle will be considered that the Renter received Vehicle in proper working condition after payment of the possible security, the amount of which has been specified in the Reservation.

ARTICLE 4.1: CONDITION OF VEHICLE

Owner guarantees that Vehicle is suitable for use on the road and for rental at the start of the rental period. Renter acknowledges to have taken possession of Vehicle in the condition as specified on the jointly checked damage assessments (as stated above), fully cleaned and with the safety equipment required by law. On the return of Vehicle the condition of Vehicle will be jointly checked again. Any costs to Vehicle to restore it to its original condition at the start of the rental, including refueling, are payable by Renter, possibly limited to the maximum per claim as specified in this Rental Contract, if the application conditions of this limitation have been complied with.

In any case, the compensations applied by Owner shall not be higher than the "informex" compensations laid down for the determined damage in question. Informex is an industry acknowledged calculation method to estimate repairs costs for insurers, bodyshops, vehicle manufacturers, dealers, parts suppliers and other parties in the supply chain. On returning Vehicle with a lower fuel level than at the start of the rental, Renter will be charged with an amount depending on the fuel option chosen at the start of the rental. Please refer to the section: Annex to the general terms and condition "Additional information packages" under subtitle "Fuel options".

If vehicle, with or without Owner's explicit agreement, is returned outside the opening hours of the local agent in question and/or is left elsewhere, if Renter returns Vehicle in a dirty state, exterior and/or interior, which makes a detailed assessment of the condition of Vehicle not immediately possible or if Renter does not want to wait for a jointly checked assessment, and therefore it is impossible to make a jointly checked assessment when Vehicle is returned and/or left. If Vehicle was left at Renter's garage with Owner's permission, Renter authorizes the garage owner to make a jointly checked assessment when picking up Vehicle.

In these cases, when Vehicle is effectively under Owner's management and/or when Vehicle has been sufficiently cleaned, Owner shall make an assessment of the condition of Vehicle. On determining additional damage to Vehicle and/or if Vehicle is dirty and needs to be cleaned and/or Vehicle is returned with less fuel than on departure, it shall notify Renter of this in writing together with an estimate of the compensation for these assessments.

If Renter does not agree with Owner's repair fees and damage assessments in the aforementioned cases, Owner must be notified of this in writing within 3 working days upon receipt of Owner's notification. In the absence of this notification within the specified period Renter shall be deemed to be in agreement. If Renter does not agree, the file will be submitted to a jointly agreed car expert who will make a final decision, against which there is no appeal, regarding the determined damage and the related correct repair

costs. The costs are payable by the party who is deemed in the wrong or will be divided between the parties as determined by the expert. If available, the expert will base himself on the jointly checked assessments and the photographs taken by Owner or his agent.

Renter explicitly accepts to have received Vehicle in a normal state of operation. If this is not the case Renter has up to 4 working hours after receipt of Vehicle to notify this to Owner. All mechanical damage to Vehicle which is due to the use of Vehicle and/or mechanical damage to Vehicle which has substantially worsened following use of Vehicle by Renter shall be charged completely and in full to Renter. On determining mechanical damage to Vehicle which according to our experts is with certainty due to the wrong use of Vehicle by Renter, Renter shall be notified in writing. Renter then has a period of 3 working days to submit any complaints and to request a counter-appraisal. If there is no reaction Renter shall be considered liable for the additional damage.

ARTICLE 4.2: USE OF VEHICLE

Vehicle must not be driven by anyone other than Renter or Additional Driver(s) and then only under the condition that Renter's ability to drive is not in any way impaired by mental or physical incapacity or restricted by Law. If Renter wishes to take Vehicle outside of Belgium, Renter must obtain Owner's prior written consent.

The following countries are accepted by Owner: Austria, Andorra, Switzerland, Germany, Denmark, Spain, France, Finland, United Kingdom, Greece, Italy, Ireland, Luxembourg, Norway, Portugal, Sweden and the Netherlands.

Renter must contact the rental location for additional cross border restrictions. A compensation fee will be applied for the unauthorized drop of Vehicle in a country prohibited for cross-border travel. The compensation fee includes all costs incurred to collect the Vehicle such as (logistics costs, lost revenue, administration costs, search costs, etc.)

In accordance with this Rental Contract, Renter must take care of Vehicle, keep it in good repair and condition, pay any fines for which Renter may be liable, reimburse Owner for any damage to Vehicle, and refund Owner for any costs if incurs.

Some restrictions may apply with respect to: - loading Vehicle on trains, boats, ferries or similar means of transportation; - taking Vehicle from the mainland onto an island; - taking certain types of Vehicles across borders. Renter is advised to check at the time of Reservation.

Renter must only refuel Vehicle with the correct type of fuel.

Renter is liable for all fees, taxes, fines and penalties incurred in connection with the use of Vehicle and for which Owner is charged, unless they have arisen through the fault of Owner. An administration fee of 24.79 EUR (Excl. VAT) will be charged for every fine or penalty incurred.

During the rental period Renter must carry out the usual checks (engine oil level, tire pressure, etc.) as would any careful user and must respect the maintenance cycle of Vehicle as stated in the maintenance guide, if any.

When parking Vehicle, even for a short period, Renter undertakes to lock it and make use of Vehicle's alarm and/or immobilization equipment. Renter must never leave Vehicle unoccupied with the keys in the ignition. To the largest extent permitted under applicable law, non-return of the keys will lead to invalidation of the theft cover.

Renter will be liable for any offence committed during the rental period which relates in any way to Renter's use of Vehicle, as if Renter were the owner of Vehicle. This could be an infringement of the contractual provisions as well as the current laws and traffic rules during the hire period.

Upon the request of the Police or any official authority Owner may have to transfer Renter's personal data. Such transfer will be done in accordance with the data protection laws of Belgium. Please refer to the section "Data Protection Law" for additional information

The Owner fleet is 100% smoke-free and every Vehicle has a sticker with the smoking ban. On returning Vehicle in which smoking was determined, fixed damages of €250 (exclusive of VAT) will be charged.

If a Vehicle is returned dirty a cleaning fee of 250 EUR (Excl. VAT) will be charged.

Vehicle is rented/made available with a view to normal use. In case of a rental with unlimited kilometers, 'unlimited' is referred to in the context of normal use or in any case less than 500 km a day and less than 10,000 km a month. If these maximums are exceeded, an additional fee will be owed of € 0.5 (exclusive of VAT) for every extra kilometer, subject to proof of greater damage by Owner. At Renter's responsibility, Vehicle may only be used subject to strict observance of current legal and statutory provisions.

It is explicitly pointed out to Renter that Owner's vehicles do not have winter tyres, barring explicit notification to the contrary, and that therefore Vehicle may not be used in countries where winter tyres are obligatory during the period that this obligation applies nor in countries where it has been laid down that

not using winter tyres during certain periods is at one's own responsibility and/or extensive liabilities have been laid down for not using winter tyres during these periods. It is Renter's obligation to consult either at time of booking online, via Owner's office or at time of rental.

In particular, Renter is prohibited to use Vehicle under any of the following conditions or for any of the following purposes:

- Pushing or towing another vehicle (except those vehicles equipped by Owner with a towing-hook; maximum load 1,000 kg), or exceeding the authorized load weight.
- To use Vehicle in countries which are not listed on the insurance card as well as countries which are not listed, above, in this Rental Contract.

- To use Vehicle for rental or schooling.
- To use Vehicle by other persons, to allow a driver to use Vehicle who has not been permitted as Additional Driver.
- To use Vehicle for the transport of heavy objects, easily flammable and hazardous products as well as toxic, corrosive, radioactive or other harmful substances, or products which make stains.

- Transportation of live animals (with the exception of domestic pets, subject to prior authorization).
- Driving Vehicle under the influence of alcohol, drugs or any other type of narcotic substances.
- Travelling on non-paved roads or on roads, the surface or state of repair of which could put Vehicle's wheels, tires or its under body mechanics at risk.
- Giving driving lessons.
- To use Vehicle with a roof rack, luggage carrier or similar, unless supplied by Owner.
- To use Vehicle for paid goods transport, except if it concerns company cars.
- To use Vehicle for illegal purposes.
- To use Vehicle for courier services or paid transport of passengers or the equivalent transport of passengers.
- Intentionally committing any offence, i.e. failure to utilize seat belts or occupant restraint system.

- None of the goods and baggage carried in Vehicle, including their packing and stowage equipment, will be permitted to damage Vehicle, nor put the occupants abnormally at risk.
- Carrying passengers for hire or reward.
- To use Vehicle in any way which breaches the Highway Code, road traffic laws or any other laws.

Any breach of one of the aforementioned provisions entitles Owner to terminate the rental automatically and without any notice of default with regard to Renter who will not be able to claim any refund of unused Rental fee, subject to proof of greater damage. Only Renter has the right of management of Vehicle during the Rental period and therefore bears full responsibility for it.

Owner strongly recommends that Renter carefully reads this information available at the Owner's rental station counter.

ARTICLE 4.3: MAINTENANCE/MECHANICAL PROBLEMS

When the rental starts, Vehicle will be roadworthy and fit for normal use. If it is not, or if it becomes road unworthy or unfit for normal use during the rental because of mechanical breakdown or accident, Renter must inform Owner or telephone the emergency number reflected in the Reservation.

Owner will have the choice between replacing Vehicle or accepting repairs to be done to Vehicle. In case of engine trouble or an accident, apart from engine trouble or an accident through Owner's fault or negligence, Renter cannot claim damages or a replacement car.

All costs for normal maintenance and repairs are payable by Owner, all costs due to Renter's negligence (e.g. engine damage caused by a lack of engine oil or coolant, use of wrong fuel, damage caused by overloading, wrong use of clutch, etc.) are payable by Renter. Renter is not allowed to carry out any repairs to Vehicle without Owner's consent.

In the latter case, repairs can only be made after written confirmation from and instructions given by Owner as well as prior to accepting by Owner of the estimation of costs. Renter must be able to provide the name and station name of Owner accepting the repairs. Without prejudice to any question of liability, the expenses for the repairs may be charged directly to Owner. If not, Owner reserves the right to request from Renter the remittance of the defective pieces and the paid invoice. The fees and expenses of any repair undertaken without the order of Owner will not be reimbursed to Renter.

Renter must carry out all daily checks of liquid levels prescribed by manufacturer. Renter must stop Vehicle if any of the instrument panel warning lights, which are intended to indicate the existence of a

mechanical problem, light up, or if Renter becomes aware of anything else which may indicate the presence of a mechanical problem with Vehicle. If the odometer has stopped functioning for any reason other than a technical failure, Renter will be required to pay a distance charge according to the rates in force.

Renter must inform Owner, or one of its agents, of all accidents, damage to or breakdowns of the car, even those which may already have been repaired, when Renter returns Vehicle. Renter will remain liable for any damages to Owner. In any case, neither Owner nor its directors, officers or employees will be liable to Renter for any loss or damage (including but not limited to loss of profit or earnings...) nor, to the largest extent permitted by the law, for indirect consequential damages whether Renter's action is based on contract or in tort.

ARTICLE 4.4: BREAKDOWN ASSISTANCE

For the length of the rental, as agreed with Owner, Renter has the benefit, at no extra cost, of a Breakdown and Assistance Service. If required, this service can be contacted by calling the telephone number indicated in the Rental Contract or on the windscreen or on the key holder or by request at Owner's customer service department.

In order to benefit from this cover, Renter must make contact with the Breakdown and Assistance Service immediately after the occurrence of the incident. If Renter does not contact the Breakdown and Assistance Service and if Renter initiates steps or makes any disbursements without the prior consent of Owner, Renter will not be able to claim for reimbursement of the expenses.

Call out costs related to breakdowns that are the driver's fault, including for flat batteries, lost keys, out of fuel service or keys locked in the vehicle are not covered under the Breakdown and Assistance Service as well as eventual costs to repair the vehicle and any travel costs to exchange the vehicle.

ARTICLE 5: THE RENTAL PERIOD

ARTICLE 5.1: PRINCIPLE AND CALCULATION

Renter undertakes to return Vehicle to Owner at the agreed place, on the date and at the time indicated in the Reservation.

The rental duration is calculated on the basis of indivisible periods of 24 hours, starting from the time Vehicle is made available. However, unless agreed differently in the Reservation, a 59 minute grace period is applied at the end of the rental before the start of a new 24-Hour period. This can in any case not be

considered as a silenced extension of the rental. Extra rental days, mileage costs, equipment costs, insurance or waiver costs will be charged as defined in the Reservation until Vehicle is returned to Owner. If Renter returns Vehicle to any other rental station than the agreed location, repatriation costs will be charged to Renter.

Owner strongly recommends that Renter carefully reads this information available at Owner's rental station counter.

ARTICLE 5.2: EXTENSION OF THE ORIGINAL DURATION OF THE RENTAL

If Renter wish to keep Vehicle for a period longer than originally set out in the Reservation, Renter must contact Owner before the end of the initial agreement in order to extend the duration of the rental (this may require Renter to come in person to a rental location of Owner).

Vehicle is insured for the period mentioned in the Reservation. Unless otherwise agreed in writing by Owner, once this period is passed, Renter remains liable for any damages to Owner and Owner's Vehicle.

ARTICLE 5.3 DELIVERY AND COLLECTION TERMS

Renter will return Vehicle in the same condition as it was provided at the start of the rental.

Renter will return vehicle to the same local agent from where it originally was rented and this during the normal opening hours of this local agent, unless Renter and Owner agreed otherwise in the Reservation. In this case a one way drop off fee can be charged and will be stipulated in the Reservation. Non authorized drop off will be at the Renter's expense and repatriation costs will be charged.

If Vehicle was dropped elsewhere than Owner's rental locations, with Owner's agreement, the rental period continues until the moment the Owner receives a written notification of Renter, or an appointed party (e.g. the garage owner where Vehicle is dropped) that Vehicle is available at the return location.

If Vehicle, even with Owner's agreement, is dropped/left at one of the Owner branches, outside the opening hours of the branch in question or when Vehicle, even with Owner's agreement, is left/dropped elsewhere, to the largest extent permitted under applicable law, Renter shall be liable for Vehicle until the effective receipt by Owner.

In case of late return, Owner shall consider this as fraud, deception and breach of trust. In any case, Renter shall owe fixed and irreducible damages for loss of profit and administrative costs of 150 € (exclusive of VAT) in case of a late return starting from the fifth hour to Owner. To pick up a vehicle left without Owner's written consent, for whatever reason, Renter shall be charged an additional fee to the amount of 1.50 €/Km (exclusive of VAT) with a minimum of 300 € (exclusive of VAT).

After termination of the rental or when Owner asks Renter to return Vehicle immediately and if Vehicle was not returned, Owner is entitled to take back Vehicle, at Renter's expense, wherever it finds it. Renter gives explicit consent to Owner's agent to access the land and buildings he uses for this. In case of theft of Vehicle the rental shall be deemed to continue until Renter has submitted a certificate of complaint deposition to Owner for theft issued by the authorized police service.

ARTICLE 5.4 END OF RENTAL

The end of the rental is defined by the return of Vehicle and of its keys to the rental counter at the agreed Owner location. The rental is only terminated when Owner effectively has taken receipt of Vehicle. This must be done to a uniformed Owner employee and under no circumstances should Renter give the keys to any person present at the Owner's location and who Renter assumes or who pretends to be an Owner employee.

If Vehicle is returned without its keys, Renter will be invoiced for the cost of the replacement keys.

Under no circumstances will Owner accept any liability for articles that may have been left in Vehicle at the end of the rental nor will the Owner be responsible for loss, theft, robbery or damage of whatever nature relating to objects and/or utensils transported or which are found in Vehicle.

Owner strongly recommends that Renter carefully reads this information available at Owner's rental station counter.

Important note: outside the normal opening hours, depositing the keys and documents in a letter box does not constitute the end of the rental. Renter remains liable for any damage until an Owner employee takes possession of Vehicle, documents and keys when the Owner location opens.

If Vehicle is used in violation of these Rental Contract / Terms and conditions or any use which may be detrimental to Vehicle will entitle Owner to terminate the rental by operation of law and without prior notice of default and demand payment of an amount varying according to the circumstances, to a maximum of 10 days hire fees, on top of payment of the fee until the date of this dissolution. Renter will then return Vehicle immediately as soon as Owner requests.

ARTICLE 5.4.1: IN THE EVENT OF AN ACCIDENT

In the event of an accident, it is required to report immediately to the appropriate police department, and Owner. A copy of the police report and fully completed European Accident Form incident must be turned in to Owner. The European accident Form can be obtained from Owner at Owner's locations and in the glove compartment in every Vehicle.

The rental will be terminated as soon as Owner has received a copy of the accident/incident report completed by Renter and, where applicable, the third party. If Owner provides a new vehicle, the rental will be amended accordingly.

If Renter is involved in an accident with third parties and he neglects to duly fill out and sign a "statement of facts" or submit an official report of the competent police service, Renter will not only have to pay the excess specified in the WAM (Third-party insurance motor vehicles Act), insurance referred to in article 8 in fine of these conditions but also a fee for additional administrative costs to the amount of € 250 (exclusive of VAT), without prejudice to possible court costs. If, in the absence or submission of the aforementioned "statement of facts" or official report, Owner has doubts whether third parties were involved in the accident, it is entitled to request a statement of honour of Renter. If such statement of honour is not provided, the claim in question shall be handled as an accident without third parties. In any case, Renter shall be fully liable for all damage to Vehicle if he provided false information when concluding the rental. Renter is fully liable for violations and offenses he committed during the hire period. Renter shall in any case declare to the competent authorities that he does not use Vehicle for Owner's account and he shall explicitly indemnify Owner. As the case may be, Renter is obliged to notify any third party of Owner's right of ownership to Vehicle.

ARTICLE 5.4.2: IN THE EVENT OF THEFT

In case of theft and attempted theft, Renter must immediately report it to the competent police services and notify Owner within 24 hours. The notification to Owner must specify the circumstances, date, location and time of the incident, address of the possible counterparty, the number of the official report and the details of the recording police service.

In the event of theft of Vehicle, the rental will be terminated as soon as Owner has received a copy of the theft declaration made by Renter to the police authorities.

If Renter still not returned Vehicle 14 calendar days after the originally agreed date of the end of the rental, barring the cases when not returning Vehicle cannot be charged to Renter and he correctly notified Owner of this, Vehicle shall be deemed to have been stolen by Renter. Renter shall owe, if applicable, in addition to the hire fee until the date of recovery, also an administrative fee and the value of Vehicle to Owner.

ARTICLE 5.4.3: IN THE EVENT OF CONFISCATION

In the event of measures by third parties, including attachment, confiscation or impounding of Vehicle, Renter must immediately inform Owner in writing. Owner will then be entitled to take all measures which it deems necessary to protect its rights. Renter will be liable for all damage, cost and/or expenses associated with the above measures and for any direct, indirect, consequential damages (such as loss) to Vehicle unless it is demonstrated that Owner is directly responsible for such confiscation or impounding of Vehicle. In this case, the hire fee, where applicable shall be invoiced until this date.

Furthermore, the rental may be automatically terminated by Owner as soon as Owner is informed of such action by the legal authorities or by Renter.

ARTICLE 6: TERMS OF PAYMENT

In the context of the current Rental Contract Renter owes the following amounts to Owner:

- Possible use of fuel, possible costs for cleaning in case of extreme dirt, possible repairs of additional damage as well as the consequences of theft to the amount for which Renter is liable in accordance with the Reservation, and all costs for the late return and/or incorrect use of Vehicle.
- All costs, including judicial and administrative costs, incurred by Owner to collect amounts owed by Renter that were not paid on the due date.
- All fines and costs arising from the use by Renter of Vehicle, including breakdown costs following an accident for which the driver is to blame in pursuance of the Rental Contract. For every fine and/or levy received by Owner relating to the period that Vehicle was used by Renter a handling fee shall be owed for every letter and/or reminder that Owner needs to send. Any parking fines sent to Owner will be paid by Owner on receipt of the first notification in order to not increase the costs for Renter. Owner will charge the thus paid sums to Renter, without prejudice to application of the aforementioned handling fee. Administration fees are defined in this Contract.
- Costs for retrieving Vehicle not returned.
- Other costs mentioned in this Rental Contract and the Reservation.

Owner may legally claim the payment by Renter, when entering into the contract, of a guarantee for which the amount, which shall be specified in the Reservation, shall be calculated depending on the anticipated period of use of Vehicle, the estimated mileage to be covered, the category of the rented vehicle, the insurance coverage taken out, where appropriate, and the cost of the residual deductibles set out in the contract, the amount of the guarantee being equal to, if theft and/or damage insurance coverage has not

been taken out for example, to an amount equal to the maximum liability of Renter in the event of an accident, or that of the residual value of Vehicle on the date of its disappearance in the event of theft.

This guarantee will be made by means of a credit card reflected in Renter's Profile, an authorization will be requested prior to the start of the rental. The minimum amount of the authorization will be determined by multiplying the rate by the rental period reserved by Renter and other relevant charges defined in the Reservation. This amount will not be debited. It will be held on the card holder's bank account until the final rental charge amount is debited. When Vehicle is returned, the invoiced amount will be charged to the credit card listed in Renter's Profile, unless Renter presents another means of payment.

In certain rental locations direct debit can occur as mean of payment for the rental and guarantee. This will be explained by Owner to Renter at moment of Rental. Owner will provide the necessary proof of payment and charge back unneeded amounts to fulfill the final invoice for the rental.

In the event of non-payment by the due date shown on the invoice, Renter will be liable, .

To the largest extent permitted under applicable law, in the event of non-payment by the due date shown on the Rental Contract, Renter will be liable, by operation of law and without requiring a prior notice of default, a delayed interest of 12% a year as well as irreducible and fixed damages of 10% of the still outstanding amount with a minimum of € 75.

Non-payment by due date of any invoice or any other non-payment will render all outstanding invoices due immediately and will authorize Owner to require immediate return of any vehicles still on rent and to terminate the agreements relating to such rentals.

The tariffs applicable to the rental, to the additional services and to the optional covers or insurances are those which are in force on the date of the rental, and correspond to the characteristics Renter originally indicated at the time of Reservation (such as vehicle type rental, duration, return station). Any modification in the characteristics will entail the use of an appropriate alternative rate.

If Renter pays in a currency other than that used by Owner (EURO) an exchange rate will apply based on the rates of KBC Bank and increased by a 4% service fee (Excl. VAT).

Owner will not accept any disputes of invoices which aren't received within 8 days of invoice date.

Owner strongly recommends that Renter carefully reads this information available at Owner's rental station counter.

ARTICLE 7: RATES

The total charges for each rental will be determined according to the price list applicable at the time of rental. By signing this Rental Contract, Renter confirms having read, acknowledged and is agreeing with the applicable rates at the time of rental.

In the event of one-way rental, the one-way rate is applicable.

ARTICLE 8: INSURANCE

All Vehicles in the Owner's fleet are insured against Bodily Injury and/or Property Damage that Renter might inflict on a third party as a result of an accident involving Vehicle. The amounts for such liability cover are available on request at Owner's rental station. In particular, Renter must comply with the Rental Contract, and in particular without limitation the rule concerning permitted destinations, as set out in article 4.2 "use of Vehicle" above, in order to have the full benefit of the insurance provisions.

Damage to the driver's belongings are not insured. Renter is liable at all times for all own damage to Vehicle regardless of how it happened, subject to damage arising from facts for which an identifiable third party is liable, with a maximum as specified in the Reservation.

A limitation of liability for own damage to Vehicle will only have effect if all obligations arising from the present Rental Contract are correctly respected and is only applicable if this was explicitly specified in the Reservation and the price applicable to this option has been explicitly included in the price calculation in the Reservation. Own damage shall be understood to mean damage to Vehicle and damage to Vehicle caused by theft through no fault of Renter, collision with an animal, forces of nature, vandalism and terrorism as well as broken glass, accidents without third parties and accidents when the third party failed to stop after causing an accident.

Important note: In any event, damage to the under body-work, interior and/or roof is excluded from any damage cover, unless force majeure can be proved. Renter will be fully liable for these damages and the related costs up to the full value of the Vehicle.

Renter of an EQUIPMENT unit is responsible to bring the unit back in same state as he received it. No compliance will lead to the application of a reasonable replacement fee equal to the replacement value of the unit. For example a SAT NAV unit will have a replacement cost of 200 EUR (excl. VAT).

The PAI (Personal Accident Insurance) is a driver's insurance which covers the driver in case of injuries or death. Specific terms and conditions are made available to Renter at the Owner's rental station.

An administrative fee of 40 EUR(excl. VAT) is payable by Renter in case of an accident without third parties or through Renter's fault. In case of an accident through Renter's fault in another country, the repatriation is payable by Renter unless otherwise agreed. If Renter has any blame in any way in the accident, the agreement shall continue to be in force until Vehicle is available again to Owner.

Damage suffered by Owner or Owner's Vehicle in case of theft is limited to the amount as specified in the Reservation, barring theft with the original keys and, more generally, theft which was due to Renter's negligence or not locking Vehicle, is payable in full by Renter at all times.

If Renter has taken an additional limitation of liability in case of damage to Vehicle he can also take a further limitation of liability for theft. This further limitation is only applicable if explicitly indicated in Renter's Profile and the price applicable to this option has been explicitly included in the price calculation, in the Reservation.

The validity of the third-party liability insurance as well as the limitations in responsibility for own damage and theft are strictly limited to the Rental period. Outside of this Rental period, Renter shall be liable in full for all possible damage to Vehicle and people. The limitations in responsibility for own damage and theft on the part of Renter are only valid if Renter meets all contractual obligations as included in the Rental Contract. In case of an accident with Vehicle because Renter's fault, Renter will pay the third party liability excess amount defined in the Reservation or in case of no agreed amount in the Reservation an excess of 371.84 EUR (excl. VAT).

Products which fall under the name of cdw1, cdw2, tp1, tp2, scdw, twp, zero risk pack, zero risk pack+, as listed in the annex, partly cover Renter's responsibility in case of an accident. The end responsibilities of the Renter need to be determined per incident and are cumulative. In spite of the fact that Renter took partial or full coverage of his responsibility any damage in case of drugs, alcohol or wrong use of the hire car will be chargeable to him.

All costs resulting from the Renter's carelessness and/or negligence such as breakdown due to empty fuel tank, wrong choice of fuel, flat or exploded tyre, empty battery, lost keys or keys in Vehicle with locked doors will fully and unconditionally be borne by Renter.

ARTICLE 8.1: LIABILITY IN THE EVENT OF DAMAGE

Renter will be liable for any damages to Vehicle. Therefore, in the event of theft of Vehicle or damages caused to it, Renter must fully indemnify Owner (the indemnification will include the amounts

corresponding to the repair costs, resale value of Vehicle, loss of use, administration charges...). The amount will not exceed the market value of the rented Vehicle at the time of the event. This liability may be reduced if Renter opted for the "reduced liability". Therefore, at the end of the rental, in the event of damage or theft, Renter will be debited with an amount equal to the non-waivable excess charge specified in the Reservation.

Renter is advised that any optional contractual guarantee he/she may have chosen will be invalidated if Renter fails to take reasonable measures for the safety of Vehicle, its parts or accessories, or fails to comply with all restrictions on the use of Vehicle or otherwise abuse or misuse it.

Renter will not be exempt from liability towards Owner in the case of breach of contract. Therefore, Renter will be responsible for any financial loss Owner suffers as a result of such breach and for any relevant claims made by third parties. Renter agrees to pay any amounts Owner spends in enforcing this Rental Contract.

Therefore in any case, to the largest extent permitted under applicable law, neither Owner nor its officers, directors, employees will be liable to the contracting party for any amounts nor for any actions, law suits or claims related to any direct, indirect, consequential damages (such as loss of business, loss of profit) arising out of or in connection with the rental or the use of any vehicle whether the action is based on contract or in tort. Renter will indemnify and hold Owner harmless from all claims, liabilities, damages, losses or expenses arising out of the rental and/or the use of Vehicle.

ARTICLE 8.1.1: Light damage (valid only if applicable)

Both at check-out and check-in Owner will, together with Renter, document all visible light damage to Vehicle in compliance with the detailed list of light damages and repair costs displayed at the Owner's rental station counter which Renter hereby acknowledges.

At check-out non-repaired damage must be documented with the appropriate signatures by Renter and Owner's representative. At the end of the rental i.e., at check-in, the identification of any new light damage must be documented. Any new light damage will be immediately pointed out to Owner, documented, and signed by Renter and the Owner's representative. This damage will be charged to Renter at the repair price mentioned in the list displayed at the Owner's rental station counter. Where this option is available, Renter will approve by signing electronically or by signing the relevant paper document.

These repair costs will be directly billed to Renter by Owner and will include the costs of the damage repair as well as administration charges, immobilization costs, spare parts and labour costs. The above-

mentioned invoiced repair costs are payable under the same conditions as for the payment of the rental. The Rental only ends after signing a check-in document with jointly checked assessment of damage by Owner.

If Vehicle was dropped elsewhere than Owner's rental locations with Owner's agreement, or if Vehicle is returned outside the opening hours of the Owner's rental locations, the rental period will continue until the moment the Owner can examine Vehicle.

Owner strongly recommends that Renter carefully reads this information available at Owner's rental station counter.

ARTICLE 9: VALIDITY

Any provision required by law to be stated in this Rental Contract shall be deemed to have been stated herein. If any provision of this Rental Contract contravenes any law, it is agreed that the remainder of the provisions of the general terms and conditions continue in full force. The invalidity or unenforceability of any provision of the general terms and conditions shall not affect the validity or enforceability of any other provision therein and this Rental Contract shall be construed as if such invalid or unenforceable provision were severed or omitted to the extent of such invalidity or unenforceability.

ARTICLE 10: LANGUAGE

In the event of a conflict between this version of the Rental Contract in Owner's local language and a version in a different language, including English, the version of this Rental Contract in Owner's local language will prevail. Where the Rental Contract is not available in your local language, the English version will control.

The Renter who signs the rental contract is in any case liable for the behavior of any persons driving the vehicle.

18. LESSOR'S INDEMNITY The Lessor shall not be liable to the Renter, driver or their family members for any damages suffered, including economic loss, both for personal injury, subject solely to the latter, the application of Articles 33 paragraph 2 letter a) and b) and 36, paragraph 2, letter a) of Legislative Decree 205/2006, and for damages resulting from failure or malfunction of the vehicle or car accidents. The Lessor shall not even be liable for any kind of damage deriving from theft, riots, fires, earthquakes, war or

any other Acts of God. In the event of lost and found items, the Lessor will notify the Renter, who must provide to recover or ship the item at his own expense; in the event that Renter fails to recover or ship within 30 days after the notice, the items will be considered abandoned and the Lessor won't be required to keep or return them.

19. **“WI-FI ROUTER” SERVICE** In case of purchase of "Wi-Fi Router" service, upon collection of the vehicle the Renter has the duty to verify that the equipment supplied, consisting of a case containing a wi-fi router equipped with a telephone SIM and a charger cable, is in good condition and suitable for the intended use. The Renter acknowledges that connectivity depends on the network coverage offered by the Internet operator and declares that no reimbursement or compensation will be due in the event of partial or failed use of the connectivity when traveling in areas not covered by the signal. The Renter undertakes to keep the password provided for Internet access with the utmost diligence and not to communicate it to third parties. The Renter declares himself entirely responsible and therefore relieves the Lessor of any consequence deriving from navigation, through the connectivity provided by the router, on sites that are not opportune, such as websites with child pornography content, praising terrorism, to racial hatred, sites belonging to the "dark web" and so on. The Renter undertakes to use and keep the connected router and accessories with the utmost diligence and to respond, pursuant to art. 1588 BC of any damage or loss or deterioration of the same, subject to proof that these are not attributable to him. In the event of total or partial loss or theft of the goods supplied, the Renter must immediately inform the Lessor and submit a report of the incident to the nearest Authorities (Polizia or Carabinieri), delivering the report to the drop-off location. In the absence of these obligations, the Renter will be deemed responsible of any illegitimate use of the connection provided by the router made by third parties that may eventually come into possession of the router. At the end of the rental, the Renter is required to return the router and related accessories in the initial conditions and in the case provided. In case of return after the scheduled date, the Renter will be charged an additional cost equal to the daily rate of the service, indicated in the Special Rental Conditions and on the Rental Agreement, multiplied by the number of additional days. In the event of damage or failure to return the case, router and related accessories, the Renter undertakes to pay the Lessor the related penalties indicated in the Special Rental Conditions and on the Rental Agreement.

20. **DELAY INTERESTS** If payment is not received within the established period, the Lessor is authorized to debit the Renter the interest charges, according to D.Lgs. 09/10/2002 nr. 231 and following modifications. The application of default interest to the legal extent remains unaffected by the Customer qualifying as a “Consumer”.

21. **COMPLAINTS** The renter is entitled to file any possible complaints within 14 days after the end of the rental; the Renter is entitled to file complaints related to charges made by the Lessor only after the payment of these charges and within 30 days from the charges date.

22. **TERMS AND CONDITONS AMENDMENTS** No modification to these Terms and Conditions shall be valid without the consent of a deputy provided with a written power of attorney.

23. **CORRECTNESS OF THE CONTENT OF THE RENTAL AGREEMENT** In case of disputes regarding the correctness of the contents of this agreement, the Lessor's data and documents file will prevail among the parties.

24. **TRANSLATIONS AND PREVAILING VERSION** In the event of any disputes arising from differences between the Italian version and any other translation, the Italian version will prevail, since it expresses the exact will of the parties; any Terms and Conditions translation (available on the Lessor website www.locautorent.com and, upon Renter's request, in hard copy at each Lessor station) are just a mere translation.

25. **ITALIAN LAW AND LEGAL ACTIONS** This rental agreement is regulated by the Italian law. Any legal action concerning this agreement shall be discussed exclusively in the Court of Milan; Renters eligible as “consumers” have the option to raise any legal action to the Court where they reside or are domiciled.

26. **TREATMENT OF PERSONAL DATA** According with the art. 13 UE Regulation n. 2016/679 (“GDPR”) the Lessor will treat the personal data provided by the Renter in compliance with current legislation and according to what is reported in the Privacy Notice, available on the Lessor’s Internet website www.locautorent.com and available in hard copy at each rental station. By signing the rental agreement, the Renter declares to acknowledge and accept the Privacy Notice.

(iii) For Rentals Originating in the Netherlands

Definitions and General principles

"Renter" is the customer (main driver) who rents a Vehicle from Owner under this Rental Contract and who is entitled to drive the vehicle. For rentals originating in Netherlands,

"Owner" is Sharing Matters B.V., an independent licensee of National Car Rental.

"Vehicle" is the car that Owner is renting to Renter for the agreed duration of the Rental Contract and will include all parts and accessories fitted to it at the commencement of the rental.

"Damage" is any damage occurring to Vehicle (including glass, lights, tyres and mirrors) and any damage occurring to third party property where applicable.

2. What does Renter need in order to rent a vehicle?

Renter must hold and produce a driving licence valid in the Netherlands. The driving license must have been issued by authorised authorities at least 12 months before the date of the commencement of the rental. In addition to the normal driving licence, an international driving licence is also mandatory if the driving licence is written in a language different to the official languages in the Netherlands and/or in characters that cannot be read in the Netherlands or if the driving licence is otherwise not valid in the European Union. Please note that the international driving licence is valid only if accompanied by the normal driving licence.

Renter must also present a valid identity card or a valid passport.

Renter must be aged 18 or over to rent a car and have held a driving licence for at least one year. However, the age requirements may vary according to the vehicle category considered. A Young Driver Surcharge may be applicable in some instances. It is therefore strongly recommended to consult the relevant terms and conditions either at time of booking online, via your local National Car Rental Reservation Office or at time of rental.

The above requirements are also applicable to all additional drivers if any.

Renter must produce a valid corporate or personal credit card with an expiry date after the due check-in date.

For luxury and special models two credit cards (including at least one major credit card: American Express, Diners Club, Mastercard or Visa) are required and an authorisation will be requested on each. Details are available at an National Car Rental Reservation Service Centre or at the National Car Rental website. Please note that Owner accepts major credit cards such as American Express, Diners Club, Mastercard and Visa. Credit cards are accepted to the limits authorised by the credit card company.

3. The vehicle: Condition, usage, breakdown assistance and maintenance/mechanical problems

3.1 Condition of the Vehicle

Before leaving the rental location, Renter is required to check the condition of the vehicle. Where an apparent defect is found, Renter must immediately inform the Owner's employee in order to proceed with a joint-examination of the vehicle. In such a case, Owner and Renter must document the apparent defect to be countersigned by both parties.

Renter will return the Vehicle in the same condition as it was provided at the start of the rental. Renter is responsible for any repair or refurbishment costs and these will be added to the cost of the rental as well as a damage administration fee, subject to the conditions of the section "Summary of Optional Guarantees" as set out below.

3.2 Use of Vehicle

Vehicle must not be driven by anyone other than Renter and then only under the condition that Renter's ability to drive is not in any way impaired by mental or physical incapacity or restricted by the Law.

Renter is allowed to use Vehicle only in the following countries: Austria, Belgium, Denmark, Finland, France, Germany, Italy, Liechtenstein, Luxembourg, Norway, Portugal, San Marino, Spain, Sweden, Switzerland, United Kingdom, Vatican. If Vehicle should be taken outside these listed countries please obtain Owner's prior written consent.

Some restrictions may apply with respect to:

- loading the vehicle on trains, boats, ferries or similar means of transportation;
- taking the vehicle from the mainland onto an island;
- taking of certain types of vehicles across borders. Renter is advised to check at the time of reservation.

Renter must take care of the vehicle, keep it in good repair and condition, pay any fines for which Renter may be liable, reimburse Owner for any damage to the vehicle, and refund Owner for any costs it incurs including an administration fee of EURO 50 plus Value Added Tax (VAT) per damage and an administration fee of EURO 25 plus Value Added Tax (VAT) per fine.

Vehicle will be provided to Renter with a full fuel tank. Renter must only refuel the vehicle with the correct type of fuel. Costs of fuel and for the refuelling service will be at your expense if the vehicle is not returned with a full tank. Owner is not responsible for reimbursing fuel purchased for the rental car.

Owner strongly recommends that Renter carefully read this information available at the counter of the Owner's rental station.

Renter is liable for all fees, taxes, fines and penalties incurred in connection with the use of Vehicle and for which Owner is charged, unless they have arisen through the fault of Owner. During the rental period Renter must carry out the usual checks (engine oil level, tire pressure, etc.) as would any careful user and Renter must respect the maintenance cycle of the vehicle as stated in the maintenance guide, if any.

When parking Vehicle, even for a short period, Renter undertakes to lock it and make use of the vehicle's alarm and/or immobilisation equipment. Renter must never leave the Vehicle unoccupied with the keys in the ignition. Non-return of the keys will lead to invalidation of the theft cover.

Renter undertakes to use Vehicle in a responsible manner and in particular, only for the purposes for which it is intended. For a car, this means primarily carrying passengers other than for hire and reward.

In particular, Renter must not use Vehicle under any of the following conditions or for any of the following purposes:

- driving the Vehicle under the influence of alcohol, drugs or any other type of narcotic substances,
- transportation of inflammable or dangerous goods, as well as toxic, corrosive, radioactive or other harmful substances,
- carrying anything which, because of its smell or condition, harms the vehicle or causes Owner to lose time or money before it can rent the Vehicle again,
- transportation of live animals (with the exception of domestic pets, subject to prior authorisation).
- transportation with a roof rack, luggage carrier or similar, unless supplied by Owner,
- re-rental to or use by other persons, carrying passengers for hire or reward,
- participating in rallies, competitions or trials, wherever they may take place, giving driving lessons,
- pushing or towing another vehicle (except those vehicles equipped by Owner with a towing-hook; maximum load 1,000 kg), or exceeding the authorised load weight.

- travelling on non-paved roads or on roads, the surface or state of repair of which could put the Vehicle's wheels, tires or its under body mechanics at risk,
- intentionally committing any offence i.e. failure to utilize seat belts or occupant restraint system.
- none of the goods and baggage carried in the Vehicle, including their packing and stowage equipment, will be permitted to damage the Vehicle, nor put the occupants abnormally at risk, in any way which breaks the highway Code, road traffic laws or any other laws.

Renter will be liable for any offence, non adherence to traffic regulations, committed during the rental period which relates in any way to your use of the Vehicle, as if Renter were the owner of the Vehicle.

Upon the request of the Police or any official body Owner may have to transfer Renter's personal data. Such transfer will be done in accordance with the data protection Laws of the Netherlands.

Owner's rental fleet is 100% smoke free. Renter will be assessed a cleaning fee of up to EURO 250 if Vehicle is returned and it smells of smoke.

In some countries, winter tyres may be mandatory in specified circumstances. In order to check the situation in Renter's country of destination, Renter must consult either at time of booking online, via Owner's Reservation Office or at time of rental.

3.3 Maintenance / Mechanical Problems

Vehicle has been provided to Renter with a full set of tires in good condition. In the event that any of them is damaged for any reason other than normal wear and tear, Renter undertakes to replace it immediately at your own expense with a tire of the same dimensions, type and wear characteristics.

Renter must stop the Vehicle if any of the instrument panel warning lights, which are intended to indicate the existence of a mechanical problem, light up, or if Renter becomes aware of anything else which may indicate the presence of a mechanical problem with Vehicle.

If the odometer has stopped functioning for any reason other than a technical failure, Renter will be required to pay a distance charge according to the rates in force .

When the rental starts, the Vehicle will be roadworthy, fitted with the equipment obligatory in the Netherlands, clean, properly maintained and, in so far as it is or should be known to Owner, in a technically proper condition. If the Vehicle becomes road unworthy or unfit for normal use during the rental because of mechanical breakdown or accident, Renter must inform Owner.

Owner will have the choice between replacing Vehicle or accepting repairs to be done to Vehicle. In the latter case, repairs can only be made after written or oral confirmation from and instructions given by Owner as well as prior to accepting by Owner of the estimation of costs. Renter must be able to provide the name and station name of Owner accepting the repairs. Without prejudice to any question of liability, the expenses for the repairs may be charged directly to Owner. If not, Owner reserves the right to request from Renter the remittance of the defective pieces and the paid invoice.

The fees and expenses of any repair undertaken without the order of Owner will not be reimbursed to Renter.

Renter must inform Owner, or one of its agents, of all accidents, damage to or breakdowns of the car, even those which may already have been repaired, when Renter return the vehicle. Renter will remain liable for any damages to Owner.

In any case, neither Owner nor its directors, officers or employees will be liable to Renter for any loss or damage (including but not limited to loss of profit or earnings) nor, to the extent permitted by the law, for indirect consequential damages whether Renter's action is based on contract or in tort.

3.4 Breakdown Assistance

For the length of the rental, as agreed with Owner, Renter has the benefit, at no extra cost, of a Breakdown and Assistance Service. If required, this service can be contacted by calling Owner the telephone number indicated in the Reservation or on the windscreen or on the key holder.

In order to benefit from this cover, Renter must make contact with the Breakdown and Assistance Service immediately after the occurrence of the incident. If Renter does not contact the Breakdown and Assistance Service and if Renter initiates steps or make any disbursements without the prior consent of Owner, Renter will not be able to claim for reimbursement of the expenses. The rule of prior approval does not apply in the event of breakdown on motorways and solely in this case. Consequently, the roadside repair or towing expenses will be reimbursed to Renter.

Call out costs related to breakdowns that are the driver's fault, including for flat batteries, lost keys, out of fuel service or keys locked in the vehicle are not covered under the Breakdown and Assistance Service as well as eventual costs to repair the vehicle and any travel costs to exchange the vehicle.

4. The Rental Period

4.1 Principle and Calculation

Renter undertakes to return the vehicle to Owner at the agreed place, on the date and at the time indicated in the Reservation.

The rental duration is calculated on the basis of indivisible periods of 24 hours, starting from the time Vehicle is made available. However, a 59 minute grace period is applied at the end of the rental before the start of a new 24-Hour period.

If Renter returns Vehicle to any other Owner's rental station than the location reflected on the Reservation, repatriation costs will be charged to Renter.

Owner strongly recommends that Renter carefully reads this information available at counter.

4.2 Extension of the Original Duration of the Rental

Should Renter wish to keep Vehicle for a period longer than originally set out in the Reservation, Renter must first contact Owner by phone in order to extend the duration of the rental (it may require Renter to come in person to an Owner location).

Vehicle is insured for the period mentioned in the Reservation. Unless otherwise agreed in writing by Owner, once this period is passed, Renter remains liable for any damages.

4.3 Delivery and Collection Terms

Where Renter asks Owner, and Owner agrees in writing, to deliver the vehicle or to collect the vehicle, Renter may have to pay additional charges and follow additional instructions. Renter must check this at the time of reservation.

When Renter returns the vehicle, or if Owner has agreed Renter will do so, when Renter leaves the Vehicle for collection by Owner, Renter must complete the details of the date and time of return, the mileage and fuel gauge reading and other information shown in the Reservation . Renter must also do anything else, which Owner requests as a condition of agreeing to collect the vehicle.

Renter must return the Vehicle immediately if Owner asks Renter to do so. In the event that the Vehicle is not delivered to Owner upon request Renter hereby authorises Owner to enter Renter's premises and to do any and all other things necessary to repossess the Vehicle. Renter will be liable for any costs associated with such repossession. Owner may repossess any vehicle without notice or liability where Owner deems that such repossession is necessary for its own protection.

4.4 End of Rental

The end of the rental is defined by the return of the Vehicle and of its keys to the rental counter at the agreed Owner's location. This must be done to a uniformed Owner employee and under no circumstances should Renter

give the keys to any person present at the Owner's location and who Renter assume or who pretends to be an Owner employee.

If explicitly agreed to by Owner, the keys may be returned to the reception desk of a hotel.

If the Vehicle is returned without its keys, Renter will be invoiced for the cost of the replacement keys. Under no circumstances will Owner accept any liability for articles that may have been left in the Vehicle at the end of the rental.

Owner strongly recommends that Renter carefully read this information available at counter.

Important note: outside the normal opening hours, depositing the keys and documents in a letter box does not constitute the end of the rental. Renter remains liable for any damages until an Owner employee takes possession of Vehicle, documents and keys when the Owner location opens.

In the event of confiscation, theft or accident

In the event of measures by third parties, confiscation or impounding of the Vehicle, Renter must immediately inform Owner in writing. Owner will then be entitled to take all measures which it deems necessary to protect its rights. Renter will be liable for all damage, cost and/or expenses associated with the above measures and for any direct, indirect, consequential damages (such as loss) to the vehicle unless it is demonstrated that Owner is directly responsible for such confiscation or impounding of Vehicle.

Furthermore, the Rental Contract may be automatically terminated as soon as Owner is informed of such action by the legal authorities or by Renter.

Any use of the Vehicle which may be detrimental to Owner will entitle Owner to automatically terminate the rental agreement with immediate effect. Renter will then return the Vehicle immediately as soon as Owner requests.

In the event of theft of the vehicle, Rental Contract will be terminated as soon as Owner has received a copy of the theft declaration made by Renter to the police authorities.

In the event of an accident, it is required to report immediately to the appropriate police department, and Owner. A copy of the police report and fully completed Owner's incident report must be turned in to the rental location. The accident/incident report form is located in the car rental Contract will be terminated as soon as Owner has received a copy of the accident/incident report completed by Renter and, where applicable, the third party. If Owner provides a new vehicle, the Rental Contract will be amended accordingly.

Furthermore, Owner will have no responsibility for loss, theft, robbery or damage of whatever nature relating to objects and/or utensils transported, or which are found in the vehicle including, in particular, baggage and/or goods.

5. Rates

The total charges for each rental will be determined according to the price list applicable at the time of rental. If Renter does not meet the preconditions for a contractual rate, then the agreed standard rate is to be paid. In the event of one-way rental, the one-way rate is applicable.

6. Terms of Payment

When payment is made by means of a credit card, an authorisation will be requested prior to the start of the rental. The minimum amount of the authorisation will be determined by multiplying the rate by the rental period reserved by Renter and other relevant charges. This amount is not debited. It is held on the card holder's bank account until the final rental charge amount is debited.

Unless Renter presents another means of payment as accepted by Owner, the invoiced amount will be charged to the credit card provided, when Vehicle is returned. Any charges for damages, fines, taxes, penalties and the related Administration Fees belonging to the rental period can also be debited from the credit card after the return of Vehicle.

In the event of non-payment by the due date shown on the invoice, Renter will be liable, for payment of interest on the due amount in accordance with the details on the invoice, if any.

Non-payment by due date of any invoice or any other non-payment will render all outstanding invoices due immediately and will authorise Owner to require immediate return of any vehicles still on rent and to terminate the agreements relating to such rentals.

Owner shall furthermore be entitled to charge the other party for all judicial and extra judicial costs incurred after expiry of the payment term. The extra judicial costs can be set by Owner at 15 per cent of the total invoice amount, subject to a minimum of EUR 250, without prejudice to the right of Owner to claim compensation of the actual collection costs incurred.

The tariffs applicable to the rental, to the additional services and to the optional covers or insurances are those which are in force on the date of the Reservation, and correspond to the characteristics Renter originally indicated at the time of reservation (such as vehicle type rental, duration, return station). Any modification in the characteristics will entail the use of an appropriate alternative tariff.

Should Vehicle not be returned with a full fuel tank, Renter will be charged for the missing quantity of fuel and for the refueling service according to the tariffs in force.

Owner strongly recommends that Renter carefully read this information available at counter.

7. Insurances

All the vehicles in the Owner's fleet are insured against Bodily Injury and/or Property Damage that Renter might inflict on a third party as a result of an accident involving the Vehicle. The amounts for such liability cover are available on request. In particular, Renter must comply with the rule concerning permitted destinations, as set out in the article "use of the vehicle" above, in order to have the full benefit of the insurance provisions.

Important note: Damage to the under body-work and/or roof due to collision with bridges, tunnels, overhanging structures etc., is excluded from the damage cover, unless force majeure can be proved.

7.1 Liability in the Event of Damage to the Vehicle or Theft or Conversion thereof

7.1.1 Renter will be liable for any damages to Owner when renting a vehicle that has been entrusted to Renter. Therefore, in the event of theft of Vehicle or damages caused to it, Renter must fully indemnify Owner (the indemnification will include the amounts corresponding to the repair costs, resale value of the vehicle, loss of use, administration charges). The amount will not exceed the market value of the rented Vehicle at the time of the event. This liability may be reduced if Renter opted for the "reduced liability" plan as defined in article above. Therefore, at the end of the rental, in the event of damage or theft, Renter will be debited with an amount equal to the non-waivable excess charge according to the tariffs in force. In the event of light damage, Renter will be debited according to the provisions of section 7.1.2.

Renter is advised that any waivers he/she may have chosen will be invalidated if Renter fails to take reasonable measures for the safety of the Vehicle, its parts or accessories, or fail to comply with all restrictions on the use of the Vehicle or otherwise abuses or misuses it.

Renter will not be exempt from liability towards Owner in the case of breach of contract. Therefore, Renter will be responsible for any financial loss Owner suffers as a result of such breach and for any relevant claims made by other people. Renter agrees to pay any amounts Owner spends in enforcing these terms.

Therefore, in any case, neither Owner nor its officers, directors, employees will be liable to the contracting party for any amounts nor for any actions, lawsuits or claims related to any direct, indirect, consequential damages (such as loss of business, loss of profit) arising out of or in connection with the rental or the use of any vehicle whether the action is based on contract or in tort. Renter will indemnify and hold Owner harmless from all claims, liabilities, damages, losses or expenses arising out of the rental and/or the use of Vehicle.

If the loss suffered by Owner is subsequently reduced (recovery of the vehicle within 60 days, partial or total liability on the part of the third party), Renter will receive the corresponding reimbursement.

7.1.2 Light damage (valid only if applicable)

Both at check-out and check-in Owner will, together with Renter, document all visible light damage to a Vehicle. At the end of the rental i.e., at check-in, the identification of any new light damage must be documented. Any new light damage will be immediately pointed out to Owner and documented by Owner and Renter. This damage will be charged to Renter at the repair price.

The repair costs will be directly billed to Renter by Owner and will include the cost of the damage repair as well as administration charges, immobilisation costs, spare parts and labour costs. The above-mentioned invoiced repair costs are payable under the same conditions as for the payment of the Rental Contract.

Owner strongly recommends that Renter carefully read this information available at the counter.

7.2 Summary of the Optional Contractual Guarantees Offered by Owner All the following guarantees are only applicable for the duration of the Rental Contract and subject to compliance with the requirements of the terms of Section 4.

Renter acknowledges that he/she has read and understood the following summary of the terms relating to optional Exoneration and/or Limitation of Liability ("ELL") guarantees, and that Renter may elect to choose any of the optional ELL guarantees by so indicating on Renter's profile or at the counters.

CDW (Collision / Damage Waiver): If chosen and indicated in Renter's Profile or if included in the rate, this facility will limit Renter's liability for any damage to the Vehicle which is not otherwise recovered from a third party, subject to the Non-Waivable Charge.

NWC (Non-Waivable Charge): Fixed amount charged for every rental for which CDW has been taken out and where the Vehicle is returned damaged, and the repair costs are not recovered from a third party. The amount of the Non-Waivable Charge may vary from time to time. CDW does not cover roof, tires and windscreens, broken/loss of keys or contamination of fuel. Details are available at time of rental.

PAI (Personal Accident Insurance): If chosen and indicated in Renter's Profile or if included in the rate, this option provides a financial indemnity for Renter and passengers (subject to permitted number of occupants in the Vehicle) in the event of death or permanent disability. The amounts vary depending on whether an adult or a child is involved. Similarly, Partial Disability may lead to lower payment or to no payment at all if disability percentage is below a certain threshold.

The PAI coverage is provided by Insurance Company. The terms and conditions of this coverage are contained in a master policy, a copy of which is available upon request. By accepting the PAI coverage Renter agrees to the terms and conditions of the master policy.

TW / TP (Theft Waiver / Theft Protection):

If chosen and indicated in Renter's Profile or if included in the rate, this relieves Renter of financial liability in the event of the Vehicle being stolen, except where incurred through negligence and/or breach of contract.

Subscribing to the CDW option alone does not necessarily provide this cover. TW/TP is strongly recommended in the Netherlands. It is subject to a non-waivable charge.

(iv) For Rentals in Switzerland

1. Definitions and General principles

"Renter" is the customer (main driver) who rents a Vehicle from Owner under the Rental Contract and who is entitled to drive the vehicle.

"Owner" is the National Car Rental franchisee from which Renter rents the Vehicle in Switzerland.

"Vehicle" is the car that Owner is renting to Renter for the agreed duration of the Rental Contract and will include all parts and accessories fitted to it at the commencement of the rental.

"Damage" is any damage occurring to the Vehicle (including glass, lights and mirrors) and any damage occurring to third party property where applicable.

2. What do you need in order to rent a Vehicle?

Renter must hold and produce a driving licence valid in Switzerland. The driving licence must have been issued by authorised authorities at least 12 months before the date of the commencement of the rental. In addition to the normal driving licence, an international driving licence is also mandatory if the driving licence is written in a language different to the official languages in Switzerland and/or in characters that

can not be read in Switzerland or if the driving licence is not otherwise valid in the European Union. Please note that the international driving licence is valid only if accompanied by the normal driving licence.

When the rental is made outside Renter's country of residence Renter must also present a valid identity card or a valid passport. These identification documents are generally not requested if Renter is a Swiss resident, except in some specific cases such as certain special or luxury vehicles.

Renter must be aged 21 or over to rent a car and have held a driving licence for at least one year. However, the age requirements may vary according to the vehicle category considered. A Young Driver Surcharge may be applicable in some instances. When renting a vehicle, a driver qualified as a "young driver" pays a specific charge - the "Young Driver Surcharge". The above requirements are also applicable to all additional drivers if any.

Renter must produce a valid corporate or personal credit card with an expiry date after the due check-in date (minimum 4 weeks).

For luxury and special models two credit cards (including at least one major credit card: Visa, MasterCard, American Express) are required and an authorisation will be requested on each. Details are available at a National Car Rental Reservation Service Centre or at the National Car Rental website.

Please note that National Car Rental accepts major credit cards such as American Express, Mastercard, and Visa. As certain credit card companies may not be represented, it is advisable to verify in advance the acceptance of a given card. Credit cards are accepted to the limits authorised by the credit card company. Maestro Cards are not accepted in Switzerland.

Please refer to the section "Terms of Payment" for additional information.

3. The Vehicle: condition, usage, breakdown assistance and maintenance/mechanical problems

3.1 Condition of the Vehicle.

Before leaving the rental location, Renter is required to check the condition of the Vehicle. Where an apparent defect is found which is not already listed in the document, you must immediately inform the Owner's employee at the counter in order to proceed with a joint-examination of the Vehicle. In such a case, Renter and Owner must document the apparent defect and duly countersigned by both parties. If the document is not countersigned by both parties, the condition of the Vehicle will be considered that you received the Vehicle in proper working condition.

Renter will return the Vehicle in the same condition as it was provided at the start of the rental. Renter is responsible for any repair or refurbishment costs and these will be added to the cost of the rental, subject to the conditions of the section "Summary of Optional Guarantees" as set out below.

3.2 Use of the Vehicle

Vehicle must not be driven by anyone other than Renter and then only under the condition that Renter's ability to drive is not in any way impaired by mental or physical incapacity or restricted by the Law.

If Renter wishes to take the Vehicle outside of Switzerland, you must obtain Owner's prior written consent.

Some restrictions may apply with respect to: - loading the Vehicle on trains, boats, ferries or similar means of transportation; - taking the Vehicle from the mainland onto an island; - taking certain types of Vehicles across borders. Renter is advised to check at the time of reservation.

Renter must take care of the Vehicle, keep it in good repair and condition, pay any fines for which he/she may be liable, reimburse Owner for any damage to the vehicle, and refund Owner for any costs it incurs. An Admin Fee (CHF 50-CHF300) for fines & car damage will be charged.

Vehicle will be provided to Renter with a full fuel tank. Renter must only refuel the Vehicle with the correct type of fuel. Costs of fuel and for the refuelling service will be at Renter's expense if the Vehicle is not returned with a full tank. Owner is not responsible for reimbursing fuel purchased for the vehicle.

Owner strongly recommends that Renter carefully read this information available at the counter of the National Car Rental rental station.

Renter is liable for all fees, taxes, fines and penalties incurred in connection with the use of the Vehicle and for which Owner is charged, unless they have arisen through the fault of Owner.

During the rental period Renter must carry out the usual checks (engine oil level, tire pressure, etc.) as would any careful user and Renter must respect the maintenance cycle of the Vehicle as stated in the maintenance guide, if any.

When parking the Vehicle, even for a short period, Renter undertakes to lock it and make use of the Vehicle's alarm and/or immobilisation equipment. Renter must never leave the Vehicle unoccupied with the keys in the ignition. Non-return of the keys will lead to invalidation of the theft cover.

Renter undertakes to use the Vehicle in a responsible manner and in particular, only for the purposes for which it is intended. For a vehicle, this means primarily carrying passengers other than for hire and reward.

In particular, Renter must not use the Vehicle under any of the following conditions or for any of the following purposes:

- driving the Vehicle under the influence of alcohol, drugs or any other type of narcotic substances,
- transportation of inflammable or dangerous goods, as well as toxic, corrosive, radioactive or other harmful substances,
- carrying anything which, because of its smell or condition, harms the Vehicle or causes Owner to lose time or money before it can rent the Vehicle again,
- transportation of live animals (with the exception of domestic pets, subject to prior authorisation).
- with a roof rack, luggage carrier or similar, unless supplied by Owner
- re-rental to or use by other persons,
- carrying passengers for hire or reward,
- participating in rallies, competitions or trials, wherever they may take place,
- giving driving lessons,
- pushing or towing another vehicle (except those vehicles equipped by National Car Rental or Owner with a towing-hook; maximum load 1,000 kg), or exceeding the authorised load weight.
- travelling on non-paved roads or on roads, the surface or state of repair of which could put the Vehicle's wheels, tires or its under body mechanics at risk,
- intentionally committing any offence, i.e. failure to utilize seat belts or occupant restraint system.
- none of the goods and baggage carried in the Vehicle, including their packing and stowage equipment, will be permitted to damage the Vehicle, nor put the occupants abnormally at risk,
- in any way which breaks the Highway Code, road traffic laws or any other laws.

Renter will be liable for any offence committed during the rental period which relates in any way to Renter's use of the vehicle, as if Renter were the owner of the Vehicle. Upon the request of the Police or any official body Owner may have to transfer Renter's personal data. Such transfer will be done in accordance with the data protection laws of Switzerland.

Owner rental fleet is 100% smoke free. A sticker has been placed on every vehicle that will remind all renters that every vehicle is not to be smoked in and that renters will be assessed a cleaning fee of up to CHF 500 if the Vehicle is returned and it smells of smoke.

In some countries, winter tyres may be mandatory in specified circumstances. In order to check the situation in Renter's country of destination, please consult either at time of booking online, via Renter's local National Car Rental Reservation Office or at time of rental.

3.3 Maintenance / Mechanical Problems

The Vehicle has been provided to Renter with a full set of tires in good condition. In the event that any of them is damaged for any reason other than normal wear and tear, Renter undertakes to replace it immediately at Renter's own expense (with prior instruction & approval from Owner) with a tire of the same dimensions, type and wear characteristics.

Renter must stop the Vehicle if any of the instrument panel warning lights, which are intended to indicate the existence of a mechanical problem, light up, or if Renter becomes aware of anything else which may indicate the presence of a mechanical problem with the Vehicle.

If the odometer has stopped functioning for any reason other than a technical failure, Renter will be required to pay a distance charge according to the rates in force.

When the rental starts, the Vehicle will be roadworthy and fit for normal use. If it is not, or if it becomes road unworthy or unfit for normal use during the rental because of mechanical breakdown or accident, Renter must inform Owner or telephone the emergency number shown on the wallet of the Rental Contract.

Owner will have the choice between replacing the Vehicle or accepting repairs to be done to the Vehicle. In the latter case, repairs can only be made after written or oral confirmation from and instructions given by Owner as well as prior to accepting by Owner of the estimation of costs. Renter must be able to provide the name and station name of Owner accepting the repairs. Without prejudice to any question of liability, the expenses for the repairs may be charged directly to Owner. If not, Owner reserves the right to request from Renter the remittance of the defective pieces and the paid invoice.

The fees and expenses of any repair undertaken without the order of Owner will not be reimbursed to Renter.

Renter must inform Owner, or one of its agents, of all accidents, damage to or breakdowns of the Vehicle, even those which may already have been repaired, when Renter returns the Vehicle. Renter will remain liable for any damages to Owner.

In any case, neither Owner nor its directors, officers or employees will be liable to Renter for any loss or damage (including but not limited to loss of profit or earnings...) nor, to the extent permitted by the Law, for indirect consequential damages whether Renter's action is based on contract or in tort.

3.4 Breakdown Assistance

For the length of the rental, as agreed with Owner, Renter has the benefit, at no extra cost, of a Breakdown and Assistance Service. If required, this service can be contacted by calling the telephone number indicated in the Reservation or on the windscreen or on the key holder.

In order to benefit from this cover, Renter must make contact with the Breakdown and Assistance Service immediately after the occurrence of the incident. If Renter does not contact the Breakdown and Assistance Service and if Renter initiates steps or make any disbursements without the prior consent of Owner, Renter will not be able to claim for reimbursement of the expenses. The rule of prior approval does not apply in the event of breakdown on motorways and solely in this case. Consequently, the roadside repair or towing expenses will be reimbursed to Renter.

4. The Rental Period

4.1 Principle and Calculation

Renter undertakes to return the vehicle to Owner at the agreed place, on the date and at the time indicated on the Reservation.

The maximum duration of the rental may vary. The rental duration is calculated on the basis of indivisible periods of 24 hours, starting from the time the Vehicle is made available. However, a 30 minute grace period is applied at the end of the rental before the start of a new 24-Hour period.

If Renter returns the Vehicle to any other Owner rental station than the agreed location on the reservation or by Owner, repatriation costs will be charged to Renter.

Owner strongly recommends that Renter carefully reads this information available at counter.

4.2 Extension of the Original Duration of the Rental

Should Renter wish to keep the Vehicle for a period longer than originally specified in the Reservation, Renter must first contact by phone Owner in order to extend the duration of the Rental Contract (this may require Renter to come in person to an Owner location). Maximum rental is 30 days.

The Vehicle is insured for the period mentioned on the Reservation. Unless otherwise agreed in writing by Owner, once this period is passed, the Renter remains liable for any damages to Owner.

4.3 Delivery and Collection Terms

Where Renter asks Owner, and Owner agrees in writing, to deliver the Vehicle or to collect the Vehicle, Renter may have to pay additional charges and follow additional instructions. Renter must check this at the time of reservation.

When Renter returns the Vehicle, or if Owner has agreed Renter will do so, when Renter leaves the Vehicle for collection by Owner, Renter must complete the details of the date and time of return, the mileage and fuel gauge reading and other information shown in the Reservation wallet. Renter must also do anything else, which Owner requests as a condition of agreeing to collect the Vehicle.

Renter must return the Vehicle immediately if Owner asks Renter to do so. In the event that the Vehicle is not delivered to Owner upon request Renter hereby authorises Owner to enter Renter's premises and to do any and all other things necessary to repossess the Vehicle. Renter will be liable for any costs associated with such repossession.

Owner may repossess any Vehicle without notice or liability where Owner deems that such repossession is necessary for its own protection.

4.4 End of Rental

The end of the rental is defined by the return of the Vehicle and of its keys to the rental counter at the agreed Owner's rental location. This must be done to a uniformed Owner employee and under no circumstances should Renter give the keys to any person present at the Owner's rental location and who Renter assumes or who pretends to be an Owner employee.

If explicitly permitted by Owner, the keys may be returned to the reception desk of a hotel.

If the Vehicle is returned without its keys, Renter will be invoiced for the cost of the replacement keys. Under no circumstances will Owner accept any liability for articles that may have been left in the Vehicle at the end of the rental.

Owner strongly recommends that Renter carefully reads this information available at counter.

Important note: outside the normal opening hours, depositing the keys and documents in a letter box does not constitute the end of the rental. Renter remains liable for any damages until an Owner employee takes possession of the Vehicle, documents and keys when the Owner location opens.

4.4.1 In the event of confiscation, theft or accident

In the event of measures by third parties, including attachment, confiscation or impounding of the Vehicle, Renter must immediately inform Owner in writing. Owner will then be entitled to take all measures which it deems necessary to protect its rights. Renter will be liable for all damage, cost and/or expenses associated with the above measures and for any direct, indirect, consequential damages (such as loss) to the Vehicle unless it is demonstrated that Owner is directly responsible for such confiscation or impounding of the Vehicle.

Furthermore, the Rental Contract may be automatically terminated as soon as Owner is informed of such action by the legal authorities or by Renter.

Any use of the Vehicle which may be detrimental to Owner will entitle Owner to automatically terminate the Rental Contract with immediate effect. Renter will then return the Vehicle immediately as soon as Owner requests.

In the event of theft of the Vehicle, the Rental Contract will be terminated as soon as Owner has received a copy of the theft declaration made by Renter to the police authorities.

In the event of an accident, it is required to report immediately to the appropriate police department, and Owner. A copy of the police report and fully completed Owner incident report must be turned in to the rental location. The accident/incident report form can be obtained from Owner at Owner's locations in Switzerland.

The Rental Contract will be terminated as soon as Owner has received a copy of the accident/incident report completed by Renter and, where applicable, the third party. If Owner provides a new Vehicle, the Rental Contract will be amended accordingly.

Furthermore Owner will have no responsibility for loss, theft, robbery or damage of whatever nature relating to objects and/or utensils transported or which are found in the Vehicle including, in particular, baggage and/or goods.

5. Rates

The total charges for each rental will be determined according to the price list applicable at the time of rental. If Renter does not meet the preconditions for a contractual rate, then the standard rate is to be paid.

In the event of one-way rental, the one-way rate is applicable.

6. Terms of Payment

When payment is made by means of a credit card, an authorisation will be requested prior to the start of the rental. The minimum amount of the authorisation will be determined by multiplying the rate by the rental period reserved by Renter and other relevant charges. This amount is not debited. It is held on the card holder's bank account until the final rental charge amount is debited. When the Vehicle is returned, the invoiced amount will be charged to the credit card reflected on Renter's Profile, unless Renter presents another means of payment.

In the event of non-payment by the due date shown on the invoice, Renter will be liable, for payment of interest on the due amount in accordance with the details on the invoice, if any.

Non-payment by due date of any invoice or any other non-payment will render all outstanding invoices due immediately and will authorise Owner to require immediate return of any Vehicles still on rent and to terminate the agreements relating to such rentals.

The tariffs applicable to the rental, to the additional services and to the optional covers or insurances are those which are in force on the date of issue of the Rental Contract, and correspond to the characteristics

Renter originally indicated at the time of reservation (such as vehicle type rental, duration, return station). Any modification in the characteristics will entail the use of an appropriate alternative tariff.

Should the Vehicle not be returned with a full fuel tank, Renter will be charged for the missing quantity of fuel and for the refuelling service according to the tariffs in force, unless Renter has subscribed to the full tank option.

Owner strongly recommends that Renter carefully reads this information available at counter

7. Insurances

All the vehicles in the Owner's fleet are insured against Bodily Injury and/or Property Damage that Renter might inflict on a third party as a result of an accident involving the Vehicle. The amounts for such liability cover are available on request. In particular, Renter must comply with the rule concerning permitted destinations, as set out in the article "use of the vehicle" above, in order to have the full benefit of the insurance provisions.

Important note: Damage to the under body-work and/or roof due to collision with bridges, tunnels, overhanging structures etc., is excluded from the damage cover, unless force majeure can be proved. Exceptions to this regulation may apply in some countries.

7.1 Liability in the Event of Damage to the Rental Vehicle or Theft or Conversion thereof

7.1.1 Renter will be liable for any damages to Owner when renting a Vehicle that has been entrusted to Renter. Therefore, in the event of theft of the vehicle or damages caused to it, Renter must fully indemnify Owner (the indemnification will include the amounts corresponding to the repair costs, resale value of the Vehicle, loss of use, administration charges...). The amount will not exceed the market value of the Vehicle at the time of the event.

This liability may be reduced if Renter opted for the "reduced liability" plan as defined in article above. Therefore, at the end of the rental, in the event of damage or theft, Renter will be debited with an amount equal to the non-waivable excess charge (if CDW/TP taken) according to the tariffs in force. In the event of light damage, Renter will be debited according to the provisions of section 7.1.2.

Renter is advised that any waivers Renter may have chosen will be invalidated if Renter fails to take reasonable measures for the safety of the Vehicle, its parts or accessories, or fail to comply with all restrictions on the use of the Vehicle or otherwise abuse or misuse it.

Renter will not be exempt from liability towards Owner in the case of breach of contract. Therefore, Renter will be responsible for any financial loss Owner suffers as a result of such breach and for any relevant claims made by other people. Renter agrees to pay any amounts Owner spends in enforcing this Rental Contract.

Therefore in any case, neither Owner nor its officers, directors, employees will be liable to the Renter for any amounts nor for any actions, law suits or claims related to any direct, indirect, consequential damages (such as loss of business, loss of profit) arising out of or in connection with the rental or the use of any Vehicle whether the action is based on contract or in tort. Renter will indemnify and hold Owner harmless from all claims, liabilities, damages, losses or expenses arising out of the rental and/or the use of the Vehicle.

If the loss suffered by Owner is subsequently reduced (recovery of the vehicle within 60 days, partial or total liability on the part of the third party), Renter will receive the corresponding reimbursement.

7.1.2 Light damage (valid only if applicable)

Both at check-out and check-in Owner will, together with Renter, document all visible light damage to a vehicle in compliance with the detailed list of light damages and repair costs displayed at the counter which Renter hereby acknowledges.

At check-out non-repaired damage must be documented with the appropriate signatures by Renter and the Owner's representative. At the end of the rental i.e., at check-in, the identification of any new light damage must be documented. Any new light damage will be immediately pointed out to Owner, documented, and signed by Renter and the Owner's representative. This damage will be charged to Renter at the repair price mentioned in the list displayed at the counter. Where this option is available, Renter will approve by signing electronically or by signing the relevant paper document.

These repair costs will be directly billed to Renter by Owner and will include the cost of the damage repair as well as administration charges, immobilisation costs, loss of use, spare parts and labour costs. The above-mentioned invoiced repair costs are payable under the same conditions as for the payment of the rental agreement.

Owner strongly recommends that Renter carefully reads this information available at counter

7.2 Summary of the Optional Contractual Guarantees Offered by Owner

All the following guarantees are only applicable for the duration of the Rental and subject to compliance with the requirements of the terms of Section 4.

Renter acknowledges that Renter has read and understood the following summary of the terms relating to optional Exoneration and/or Limitation of Liability ("ELL") guarantees and that Renter may elect to choose any of the optional ELL guarantees by so indicating on Renter's Profile or at the counter

–LDW (Loss Damage Waiver): If chosen and indicated in Renter's Profile or if included in the rate, this facility will limit Renter's liability for any damage to the Vehicle which is not otherwise recovered from a third party, subject to the Non-Waivable Charge. Exceptions to this regulation may apply in some countries.

–NWC (Non-Waivable Charge): Fixed amount charged for every rental for which LDW has been taken out and where the Vehicle is returned damaged and the repair costs are not recovered from a third party. The amount of Non-Waivable charge may vary from time to time. Details are available at time of rental.

–PAI (Personal Accident Insurance): If chosen and indicated in Renter's Profile or if included in the rate, this option provides a financial indemnity for Renter and passengers (subject to permitted number of occupants in the vehicle) in the event of death or permanent disability. The amounts vary from country to country and may also vary depending on whether an adult or a child is involved. Similarly, Partial Disability may lead to lower payment or to no payment at all if disability percentage is below a certain threshold.

Some countries may also provide reimbursement of medical costs under this option.

The PAI coverage is provided by Insurance Company. The terms and conditions of this coverage are contained in a master policy, a copy of which is available upon request. By accepting the PAI coverage Renter agrees to the terms and conditions of the master policy.

– TW / TP (Theft Waiver / Theft Protection):

If chosen and indicated in Renter's Profile or if included in the rate or taken as part of LDW, this relieves Renter of financial liability in the event of the Vehicle being stolen, except where incurred through negligence and/or breach of contract.

\Subscribing to the LDW option alone does not necessarily provide this cover. TW/TP may be mandatory in some countries and is strongly recommended in many countries. It may be subject to a non-waivable charge.

8. Data Protection Law

8.1 Owner, acting as an independent data controller, may use Renter's personal data (and the personal data of any additional driver) collected in connection with the Rental Contract or any related agreement or service ("Renter Personal Data"), and disclose it, for the following purposes:

- process Renter Personal Data to manage the rental and the commercial relationship, communicate with the Renter about or assist with the rental. Owner processes Renter Personal Data for this purpose on the basis of (i) contractual necessity (e.g. billing) or (ii) its legitimate interests in ensuring the effective delivery of the requested services, when these interests are not overridden by the Renter's – and any additional drivers' – data protection rights;
- store Renter Personal Data that relates to any incident arising from the Renter's dealings or an additional driver's dealings with Owner if it thinks that, as a result of such incident, the Renter or an additional driver could be a risk for future rentals. Owner process Renter Personal Data for this purpose where necessary for the establishment, exercise or defence of legal claims;

8.3. Both Owner and EHI retain Renter Personal Data for commercially reasonable periods of time or in accordance with specific laws or policies. Information collected for a specified purpose will only be used for that purpose and, after a reasonable period of time, will no longer be actively stored when that purpose has been fulfilled. Inactive data may, however, continue to be used for statistical, marketing, archiving, and other analytical purposes.

8.4. The Renter has the right to: (i) access and port his personal data (including in certain cases in a commonly used, machine readable format); (ii) have his personal data rectified (where it is inaccurate or incomplete), (iii) have his personal data erased where Owner or EHI no longer has any legitimate reasons to process it; (iv) have his personal data restricted; (v) object to Owner or EHI's processing of his personal data in certain circumstances; and (vi) lodge a complaint with the applicable supervisory authority.

8.5. If the Renter has any queries in relation to the above use of his Renter Personal Data, he should contact Owner in the first instance.

B. ADDITIONAL RENTAL TERMS AND CONDITIONS APPLICABLE ONLY TO RENTALS IN LATIN AMERICAN CARIBBEAN

(i) FOR RENTALS ORIGINATING IN COSTA RICA

The following terms and conditions shall apply to vehicle rentals originating in Costa Rica:

1. Renter agrees to use the vehicle ("Vehicle" or "the vehicle") herein rented in accordance with these provisions and by faithfully abiding in terms of the price, rental term, coverage conditions and other contractual provisions herein contained and accepted by Renter above, as reflected in the reservation and selected in Renter's Profile.

2. It is herein expressly agreed that the vehicle subject of this lease is the exclusive property of Owner, hence no greater rights other than those provided hereunder are vested on Renter.

3. The vehicle herein rented is received by Renter in good mechanical, body and paint conditions and Renter is further obliged to return the same under the same conditions.
4. Vehicle means not only the unit herein rented, but also the tires, tools, accessories, safety kit, additional equipment available, and additional products to be rented thereof, thus Renter shall be responsible for the use, loss or damage caused to the foregoing.
5. The vehicle herein rented may only be driven by Renter, provided Renter has a valid driver's license, or by drivers previously authorized by Owner in writing. If Renter is a foreigner, then he/she must present a valid driver's license and his/her passport, which must display a maximum three-month validity after the date of the last entry into the country.
6. The term of this Rental Contract and the rental price - which will always be calculated based on full hours and days - are set forth in the reservation. Renter shall return the vehicle to Owner on the specified date at Owner's main offices or at any other branch that is available to that effect. If Renter fails to comply with this provision, Owner will consider the vehicle as stolen or improperly retained and reserves the right to recover it by any means available within its reach, thus Renter shall pay the daily rent amount plus an additional US\$ 15 daily fee until the vehicle is returned or recovered. Moreover, Renter shall bear any liabilities provided hereunder. Expenses and costs in the amount of US\$ 150 shall be charged to Renter for the recovery of the vehicle. Renter undertakes to return the vehicle herein rented within the agreed period in Owner's main offices or, if previously authorized, in any of Owner's branches, in the understanding that the rent runs until the time Owner receives the vehicle at Owner's full satisfaction.
